TRADEMARK ASSIGNMENT AGREEMENT

THIS TRADEMARK ASSIGNMENT AGREEMENT (this "Assignment"), dated as of February 18th, 2016, is entered into by and between National Gardening Association, Inc. ("NGA"), a Vermont non-profit corporation (the "Assignor") and Dash Works, LLC, a Texas Corporation ("Assignee"). Except as otherwise defined herein, capitalized terms used in this Assignment shall have the meanings ascribed to them in the Bill of Sale, Assignment and Assumption dated February 18th, 2016 by and between Assignors and Assignee (the "Bill of Sale").

WHEREAS Assignor are the owner of all right, title, interest, and goodwill in and to the trademarks, trademark registrations and applications listed in the attached Schedule A (the "Trademarks"); and

WHEREAS, pursuant to the Bill of Sale, Assignor have agreed to assign, sell and transfer their entire right, title and interest in and to the Trademarks to Assignee.

NOW, THEREFORE, in consideration of the foregoing and the mutual covenants contained herein and in the Bill of Sale, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto, intending to be legally bound, agree as follows:

Assignor does hereby assign, sell and transfer to Assignee all of their right, title and interest in and to the Trademarks, together with (i) the applications and registrations of the Trademarks, (ii) the goodwill of the business symbolized by and associated with the Trademarks and (iii) all rights, remedies, defenses, Litigations, whether known or unknown, of any nature relating to the Trademarks, including all rights to enforce any assignment of, license to, or confidentiality covenant with respect to, any Trademarks. Assignor does further consent to the recordation of this Assignment with any governmental agency.

Assignor agrees, without further consideration, to execute all oaths, assignments, powers of attorney, applications, and other papers reasonably necessary or appropriate to fully secure to Assignee the right, title and interest conveyed herein, and to, at the sole cost and expense of the Assignee, take such further actions as may be reasonably requested by Assignee in order to carry out the provisions and purposes of this Assignment including, without limitation, to execute one or more further assignments covering the Trademarks in a form acceptable for recordation in the United States Patent and Trademark Office or any applicable foreign equivalent.

Assignor agrees, without further consideration, to execute all documents necessary to perfect such right, title, and interest in and to Assignee, its successors, assigns, and legal representatives. In the event that Assignor is unable or unwilling to fully perform their obligations under this Assignment, to the extent necessary to perfect such right, title, and interest in and to Assignee, its successors, assigns, and legal representatives, Assignor hereby irrevocably designates and appoints Assignee or its assigns and their duly authorized officers and agents as Assignor's agents and attorneys-in-fact to act for and in Assignor's behalfs and instead of Assignor, to execute

and file any registration, application or other document and to do all other lawfully permitted acts in connection with the Trademarks and related rights assigned to Assignee hereunder.

This Assignment shall be governed by and construed in accordance with the domestic laws of the State of Vermont without giving effect to any choice of law or conflict of laws provision or rule (whether of the State of Vermont or any other jurisdiction) that would cause the application of the laws of any jurisdiction other than the State of Vermont.

This Assignment may be executed in one or more counterparts, each of which will be deemed to be an original copy of this Assignment and all of which, when taken together, will be deemed to constitute one and the same agreement. The exchange of copies of this Assignment and of signature pages by facsimile or electronic (PDF) counterpart signatures shall be acceptable and binding.

This Assignment is executed pursuant to, in furtherance of and is subject to, the terms and conditions of the Bill of Sale. This Assignment shall not replace, substitute, expand or extinguish any obligation or provision of the Bill of Sale. In the event of any conflict or inconsistency between the terms of the Bill of Sale and the terms hereof, the terms of the Bill of Sale shall control.
