ARTICLES OF ASSOCIATION
OF
***FUENTE MARKETING LTD**

PRELIMINARY

- 1 The regulations in Tables "A" and "B" in the Second Schedule to the Companies Ordinance shall not apply to the Company except in so far as they are repeated or contained in these Articles

INTERPRETATION

- 2 In these Articles if not inconsistent with the subject or context:
- 2.1 "The Law" means the Companies Ordinance
- 2.2 Where any provision of the Law is referred to, the reference is to that provision as modified by any law for the time being in force
- 2.3 Unless the context otherwise requires, expressions defined in the Law or any statutory modification thereof in force at the date at which these Articles become binding on the Company, shall have the meanings so defined

SHARES

- 3 Subject to the provisions, if any, in that behalf of the Memorandum of Association and without prejudice to any special rights previously conferred on the holders of existing shares, any share may be issued with such preferred, deferred or other special rights, or such restrictions, whether in regard to dividend, voting, return of share capital or otherwise, as the Company may from time to time by special resolution determine, and any preference shares may, with the sanction of a special resolution, be issued on the terms that it is, or at the option of the Company is liable, to be redeemed
- 4 If at any time the share capital is divided into different classes of shares the rights attached to any class (unless otherwise provided by the terms of issue of the shares of that class) may be varied with the consent in writing of the holders of three-fourths of the issued shares of that class, or with the sanction of a special resolution passed at a separate general meeting of the holders of the shares of the class. To every such separate general meeting the provisions of these Articles relating to general meetings shall apply, but so that the necessary quorum shall be two persons at least holding or representing by proxy one-third of the issued shares of the class (but so that if at any adjourned meeting of such holder a quorum as above defined is not present, those members who are present shall be a quorum) and that any holder of shares of the class present in person or by proxy may demand a poll and, on a poll, shall have one vote for each share of the class of which he is the holder

** Amended by Unanimous Written Resolutions passed on December 4, 2009.*

- 5 The rights conferred upon the holders of the shares of any class issued with preferred or other rights shall unless otherwise expressly provided by the terms of issue of the shares of that class, be deemed not to be varied by the creation or issue of further shares ranting pari passu therewith
- 6 Except as required by law, no person shall be recognised by the Company as holding any share upon any trust, and the Company shall not be bound by or be compelled in any way to recognise (even when having notice thereof) any equitable, contingent, future or partial interest in any share or any interest in any fractional part of a share (except only as by these Articles or by law otherwise provided or under an order of a court of competent jurisdiction) any other rights in respect of any share except an absolute right to the entirety thereof in the registered holder
- 7 Subject to the provisions of these Articles relating to new shares, the shares shall be at the disposal of the Directors, and they may (subject to the provisions of the Law) allot, grant options over or otherwise dispose of them to such persons, on such terms and conditions, and at such times as they think fit, but so that no share shall be issued at a discount, except in accordance with the provisions of the Law, and so that in the case of shares offered to the public for subscription the amount payable on application on each share shall not be less than 5 per cent of the nominal amount of the share
- 8 Every person whose name is entered in the register of members, shall without payment, be entitled to a certificate under the Seal of the Company specifying the share or shares held by him and the amount paid up thereon, provided that in respect of share or shares held jointly by several persons the Company shall not be bound to issue more than one certificate, and delivery of a certificate for a share to one of several joint holders shall be sufficient delivery to all
- 9 If a share certificate is defaced, lost or destroyed it may be renewed on payment of such fee, if any, not exceeding twenty cents and on such terms, if any, as to evidence and indemnity, as the Directors think fit

LIEN

- 10 The Company shall have a first and paramount lien on every share (not being a fully paid share) for all moneys (whether presently payable or not) called or payable at a fixed time in respect of that share, and the Company shall also have a lien on all shares (other than fully paid up shares) standing registered in the name of a single person for all moneys presently payable by him or his estate to the Company; but the Directors may at any time declare any share to be wholly or in part exempt from the provisions of this Article. The Company's lien if any, on a share shall extend to all dividends payable thereon
- 11 The Company may sell, in such manner as the Directors think fit, any shares on which the Company has a lien, but no sale shall be made unless some sum in respect of which the lien exists is presently payable nor until the expiration of fourteen days after a notice in writing, stating and demanding payment of such part of the amount in respect of which the lien exists as is presently payable, has been given to the registered holder for the time being of the share, or the persons entitled thereto by reason of his death or bankruptcy
- 12 For giving effect to any such sale the Directors may authorise some person to transfer the shares sold to the purchaser thereof. The purchaser shall be registered as the holder of the shares comprised in any such transfer and he shall not be bound to see to the application of the purchase money, nor shall his title to the shares be affected by any irregularity or invalidity in reference to the sale
- 13 The proceeds of the sale shall be received by the Company and applied in payment of such part of the amount in respect of which the lien exists as is presently payable, and the residue shall (subject to a like lien for sums not presently payable as existed upon the shares prior to the sale) be paid to the person entitled to the shares at the date of the sale

CALLS ON SHARES

- 14 The Directors may from time to time make calls upon the members in respect of any moneys unpaid on their shares (whether on account of the nominal value of the shares or by way of premium) and not by the conditions of allotment thereof made payable at fixed times, provided that no call shall exceed one-fourth of the nominal value of the share or be payable at less than one month from the date fixed for the payment of the last preceding call, and each member shall (subject to receiving at least fourteen days notice specifying the time or times and place of payment) pay to this Company at the time or times and place so specified the amount called on his shares. A call may be revoked or postponed as the Directors may determine
- 15 A call shall be deemed to have been made at the time when the resolution of the Directors authorising the call was passed and may be required to be paid by instalments
- 16 The joint holders of a share shall be jointly and severally liable to pay all calls in respect thereof
- 17 If a sum called in respect of a share is not paid before or on the day appointed for payment thereof, the person from whom the sum is due shall pay interest on the sum from the day appointed for payment thereof to the time of actual payment at such rate not exceeding 6 per cent per annum as the Directors may determine, but the Directors shall be at liberty, to waive payment of such interest wholly or in part
- 18 Any sum which by the terms of issue of a share becomes payable on allotment or at any fixed date, whether on account of the nominal value of the share or by way of premiums, shall for the purposes of these Articles be deemed to be a call duly made and payable on the date on which by the terms of issue the same become payable, and in case of non-payment all the relevant provisions of these Articles as to payment of interest and expenses, forfeiture or otherwise shall apply as if such sum had become payable by virtue of a call duly made and notified
- 19 The provisions of these Articles as to the liability of joint holders and as to payment of interest shall apply in the case of non-payment of any sum which, by the terms of issue of a share, becomes payable at a fixed time, whether on account of the share, or by way of premium as if the same had become payable by virtue of a call duly made and notified
- 20 The Directors may make arrangements on the issue of shares for a difference between the holders in the amount of call to be paid and in the times of payment
- 21 The Directors may, if they think fit, receive from any member willing to advance the same all or any part of the moneys uncalled and unpaid upon any shares held by him; and upon all or any of the moneys so advanced may (until the same would, but for such advance, become presently payable) pay interest at such rate (not exceeding without the sanction of the Company in general meeting, six per cent) as may be agreed upon between the member paying the sum in advance and the Directors

TRANSFER AND TRANSMISSION OF SHARES

- 22 The instrument of transfer of any share shall be executed by or on behalf of the transferor and transferee, and the transferor shall be deemed to remain a holder of the share until the name of the transferee is entered in the register of members in respect thereof. Provided that the Directors may waive execution by the transferee of the instrument of transfer but shall as soon as possible thereafter inform the transferee of such waiver of execution
- 23 Subject to such of the restrictions of these Articles (if any) as may be applicable shares shall be transferred by instrument in writing in the following form, or in any usual or common form approved by the Directors:

SHARE TRANSFER

I, _____ of _____ (hereinafter called "the Transferor") in consideration of the sum of _____ paid to me by _____ of _____ (hereinafter called "the Transferee") do HEREBY TRANSFER to the Transferee the share or shares numbered _____ in the undertaking called the _____ to hold unto the Transferee, his executors, heirs and assigns subject to the several conditions on which I hold the same; and I, the Transferee, do hereby agree to take the said share or shares subject to the conditions aforesaid

AS WITNESS our hands the _____ day of _____

WITNESS to the signature of the Transferor _____ TRANSFEROR

WITNESS to the signature of the Transferee _____ TRANSFEREE

24 The Directors, may in their absolute discretion and without assigning any reason therefor, decline to register any transfer of any share, whether or not it is a fully paid share. The registration of transfers may be suspended at such times and for such periods as the Directors may from time to time determine, provided always that such registration shall not be suspended for more than thirty days in any year.

The Directors may decline to recognise any instrument of transfer unless

1 A fee of not exceeding one dollar is paid to the Company in respect thereof, and

2 The instrument of transfer is accompanied by the Certificate of the Shares to which it relates, and such other evidence as the Directors may reasonably require to show the right of the Transferor to make the transfer

If the Directors refuse to register a transfer of any shares, they shall within two months after the date on which the transfer was lodged with the Company send to the Transferee notice of the refusal

25 The legal personal representative of a deceased sole holder of a share shall be the only person recognised by the Company as having any title to the share. In the case of a share registered in the names of two or more holders, the survivors or survivor, or the legal personal representatives of the deceased shareholder shall be the only persons recognised by the Company as having any title to the share

26 Any person becoming entitled to a share in consequence of the death or bankruptcy of a member shall upon such evidence being produced as may from time to time be properly required by the Directors, have the right either to be registered as a member in respect of the share or, instead of being registered himself, to make such transfer of the share as the deceased or bankrupt person could have made; but the Directors shall, in either case, have the same right to decline or suspend registration as they would have had in the case of a transfer of the share by the deceased or bankrupt person before the death or bankruptcy

27 A person becoming entitled to a share by reason of the death or bankruptcy of the holder shall be entitled to the same dividends and other advantages to which he would be entitled if he were the registered holder of the share, except that he shall not, before being registered as a member of in respect of the share be entitled in respect of it to exercise any right conferred by membership in

relation to meetings of the Company. Provided always that the Directors may at any time give notice requiring any such person to elect either to be registered himself or to transfer the share, and if the notice is not complied with within ninety days the Directors may thereafter withhold payment of all dividends or other moneys payable in respect of the share until the requirements of the notice have been complied with

FORFEITURE OF SHARES

- 28 If a member fails to pay any call or instalment of a call on the day appointed for payment thereof, the Directors may, at any time thereafter during such time as any part of such call or instalment remains unpaid serve a notice on him requiring payment of so much of the call or installment as is unpaid, together with any interest which may have accrued
- 29 The notice shall name a further day (not earlier than the expiration of fourteen days from the date of the notice) on or before which the payment required by the notice is to be made, and shall state that in the event of non-payment at or before the time appointed the shares in respect of which the call was made will be liable to be forfeited
- 30 If the requirements of any such notice as aforesaid are not complied with, any share in respect of which the notice has been given, may at any time thereafter before the payment required by the notice has been made, be forfeited by a resolution of the Directors to that effect
- 31 A forfeited share may be sold or otherwise disposed of on such terms and in such manner as the Directors think fit, and at any time before a sale or disposition the forfeiture may be cancelled on such terms as the Directors think fit
- 32 A person whose shares have been forfeited shall cease to be a member in respect of the forfeited shares, but shall, notwithstanding, remain liable to pay the Company all moneys which at the date of forfeiture were payable by him to the Company in respect of the shares, but his liability shall cease if and when the Company receives payment in full of the nominal amount of the shares
- 33 A voluntary declaration in writing that the declarant is a Director or the Secretary of the Company and that a share in the Company has been duly forfeited on a date stated in the declaration shall be conclusive evidence of the facts therein stated as against all persons claiming to be entitled to the share. The Company may receive the consideration, if any, given for the share in favour of the person to whom the share is sold or disposed of and he shall thereupon be registered as the holder of the share, and shall not be bound to see to the application of the purchase money, if any, nor shall his title to the share be affected by any irregularity or invalidity in the proceedings in reference to the forfeiture, sale or disposal of the shares
- 34 The provisions of these Articles as to forfeiture shall apply in the case of non-payment of any sum which by the terms of issue of a share, becomes payable at a fixed time, whether on account of the amount of the share, or by way of premium, as if the same had been payable by virtue of a call duly made and notified

CONVERSION OF SHARES INTO STOCK

- 35 The Company may by special resolution convert any paid-up shares into stock, and reconvert any stock into paid-up shares of any denomination
- 36 The holders of stock may transfer the same, or any part thereof in the same manner, and subject to the same Articles as and subject to which the shares from which the stock arose might prior to conversion have been transferred, or as near thereto as circumstances admit; but the Directors may from time to time fix the minimum amount of stock transferable and restrict or forbid the transfer of fractions of

that minimum but the minimum shall not exceed the nominal amount of the shares from which the stock arose

37 The holders of stock shall, according to the amount of the stock held by them, have the same rights, privileges and advantages as regards dividends, voting at meetings of the Company and other matters as if they held the shares from which the stock arose, but no such privilege or advantage (except participation in the dividends and profits of the Company) shall be conferred by any such aliquot part of stock as would not, if existing shares, have conferred that privilege or advantage

38 Such of the Articles of the Company as are applicable to paid-up shares shall apply to stock, and the words "share" and "shareholders" therein shall include "stock" and "stockholder"

ALTERATION OF CAPITAL

39 The Company may from time to time by special resolution increase the share capital by such sum, to be divided into shares ("the New Shares") of such amount, as the resolution shall prescribe

40 Subject to any direction to the contrary that may be given by the Company in general meeting, all New Shares shall, before issue, be offered to such persons as at the date of the offer are entitled to receive notices from the Company of general meetings in proportion, as nearly as the circumstances admit, to the amount of the existing shares to which they are entitled. The offer shall be made by notice specifying the number of New Shares offered, and limiting a time within which the offer if not accepted, will be deemed to be declined, and after the expiration of that time, or on the receipt of an intimation from the person to whom the offer is made that he declines to accept the New Shares offered, the Directors may dispose of those New Shares in such manner as they think most beneficial to the Company. The Directors may likewise so dispose of any New Shares which (by reason of the ratio which the New Shares bear to shares held by persons entitled to an offer of New Shares) cannot, in the opinion of the Directors, be conveniently offered under this article

41 The new shares shall be subject to the same provisions with reference to the payment of calls, lien, transfer, transmission, forfeiture and otherwise as the shares in the original share capital

42 The Company may by ordinary resolution:

42.1 consolidate and divide all or any of its share capital into shares of larger amount than its existing shares

42.2 sub-divide its existing shares, or any of them, into shares of smaller amount than is fixed by the Memorandum of Association, subject nevertheless to the provisions of section 12 of the Law;

42.3 cancel any shares which, at the date of the passing of the resolution, have not been taken or agreed to be taken by any person

43 The Company may by special resolution reduce its share capital and any capital redemption reserve fund or share premium account in any manner and with, and subject to, any incident authorised and consent required by the Law

STATUTORY MEETINGS

44 The Company, if registered as an Ordinary Company under the Law shall hold a general meeting once in every calendar year at such time and place as may be resolved by the Company in general meeting, or in default, at such time and place as the Directors may determine or in default at such time in the

third month following that in which the anniversary of the Company's incorporation occurs, and at such place as the Directors shall appoint. In default of a general meeting being so held, a general meeting shall be held in the month next following and may be convened by any two members in the same manner as nearly as possible as that in which meetings are to be convened by the Directors. The above-mentioned general meetings shall be called ordinary general meetings; all other general meetings shall be called extraordinary general meetings

GENERAL MEETINGS

- 45 The Directors, may whenever they think fit, convene an extraordinary general meeting. If at any time there are not in the Islands sufficient Directors capable of acting to form a quorum, any Director or any two members of the Company may convene an extraordinary general meeting in the same manner as nearly as possible as that in which meetings may be convened by the Directors. The Directors shall, upon the requisition in writing of one or more members holding in the aggregate not less than one tenth of such paid-up capital of the Company as at the date of the requisition carries the right of voting at general meetings, convene an extraordinary general meeting. Any such requisition shall express the object of the meeting proposed to be called, and shall be left at the registered office of the Company. If the Directors do not proceed to convene a general meeting within twenty-one days from the date of such requisition being left as aforesaid, the requisitionists or any or either of them or any other member or members holding in the aggregate not less than one-tenth of such paid-up capital of the Company as at the date of the requisition carries the right of voting at general meetings, may convene an extraordinary general meeting to be held at the registered office of the Company or at some convenient place within the Turks and Caicos Islands at such time, subject to the Company's Articles as to notice, as the persons convening the meeting fix
- 46 Subject to the provisions of Section 58 of the Law relating to special resolutions, fourteen days' notice at the least (exclusive of the day for which the notice is given) specifying the place, the day and the hour of meeting and, in case of special business, the general nature of that business shall be given in manner hereinafter provided, or in such other manner (if any) as may be prescribed by the Company in general meetings, to such persons as are, under the Articles of the Company, entitled to receive such notices from the Company; but with the consent of all the members entitled to receive notice of some particular meeting, that meeting may be convened by such shorter notice and in such manner as those members may think fit
- 47 The accidental omission to give notice of a meeting to, or the non-receipt of a notice of a meeting by any member entitled to receive notice shall not invalidate the proceedings at any meeting

PROCEEDINGS AT GENERAL MEETINGS

- 48 All business shall be deemed special that is transacted at an extraordinary general meeting, and all that is transacted at an ordinary general meeting, with the exception of sanctioning a dividend, the consideration of the accounts, balance sheets, and the ordinary report of the Directors and auditors, the election of Directors and other officers in place of those retiring and the fixing of the remuneration of the auditors
- 49 No business shall be transacted at any general meeting unless a quorum of members is present at the time when the meeting proceeds to business; save as herein otherwise provided, two members present in person or by proxy shall be a quorum; provided that where only one member is present in person and that member holds a proxy or proxies for another or others such member cannot be a quorum
- 50 If within half an hour from the time appointed for the meeting, a quorum is not present, the meeting, if convened upon the requisition of members, shall be dissolved; in any other case it shall stand

adjourned to the same day in the next week, at the same time and place, and if at the adjourned meeting a quorum is not present within half an hour from the time appointed for the meeting the members present shall be a quorum

51 The Chairman, if any, of the Board of Directors shall preside as Chairman at every general meeting of the Company. If there is no such Chairman, or if at any meeting he is not present within fifteen minutes after the time appointed for holding the meeting or is unwilling to act as Chairman the members present shall choose one of their number to be Chairman

52 The Chairman may with the consent of any meeting at which a quorum is present (and shall if so directed by the meeting) adjourn the meeting from time to time and from place to place, but no business shall be transacted at any adjourned meeting other than the business left unfinished at the meeting from which the adjournment took place. When a meeting is adjourned for ten days or more, notice of the adjourned meeting shall be given as in the case of an original meeting. Save as aforesaid it shall not be necessary to give any notice of an adjournment or of the business to be transacted at an adjourned meeting

53 At any general meeting a resolution put to the vote of the meeting shall be decided on a show of hands, unless a poll is (before or on the declaration of the result of the show of hands) demanded by at least three members present in person or by proxy entitled to vote or by one member or two members so present and entitled, if that member or those two members together hold not less than fifteen per cent of the paid-up capital of the Company, and unless a poll is so demanded, a declaration by the Chairman of the meeting that a resolution has, on a show of hands, been carried, or carried unanimously, or by a particular majority, or lost, and an entry to that effect in the book of the proceedings of the Company, shall be conclusive evidence of the fact, without proof of the number or proportion of the votes recorded in favour of or against, that resolution

54 If a poll is duly demanded it shall be taken in such manner as the Chairman of the meeting directs, and the result of the poll shall be deemed to be the resolution of the meeting at which the poll was demanded. A poll demanded on the election of a chairman or on a question of adjournment shall be taken forthwith. A poll demanded on any other question shall be taken at such time as the Chairman of the meeting directs and any business other than that upon which a poll has been demanded may be proceeded with pending the taking of the poll. The demand for a poll may be withdrawn
