RECITALS

WHEREAS, Assignor is the owner of the common law trademarks, registered trademarks, applications to register trademarks, and other registrations or applications related to trademarks listed on Schedule 1, attached hereto, and common law rights associated therewith (the "*Assigned Marks*"); and

WHEREAS, Assignee, the successor of Assignor's ongoing and existing business, or portion thereof, to which the trademarks pertain, is desirous of acquiring the full right, title and interest in, to and under the Assigned Marks and the goodwill accrued in connection and associated therewith.

NOW, THEREFORE, in consideration of the foregoing and the mutual promises, covenants and conditions contained herein, the sum of ten dollars (\$100.00) paid by Assignee to Assignor, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties hereto, intending to be legally bound, hereby agree as follows:

Section 1. Assignment. Assignor does hereby assign, transfer, convey and set over unto Assignee its full right, title and interest, including common law rights associated with the Assigned Marks, in the United States of America, and in all countries and jurisdictions of the world, in, to and under the Assigned Marks, together with the goodwill of the business symbolized by said Assigned Marks, and applications and registrations thereof, any renewal rights therein, that portion of the business which is ongoing and existing to which the trademarks pertain, and the exclusive right to enforce the Assigned Marks in the United States and throughout the world in the sole name of Assignee, its successors and assigns; the aforesaid transferred rights, title and interests to be held and enjoyed by Assignee, its successors, legal representatives and assigns as fully and entirely as the same would have been held and enjoyed by Assignor had this assignment not been made.

Section 2. Representation and Warranty by Assignor. Assignor hereby represents and warrants to Assignee that Assignor is the owner of the Assigned Marks and has the full right, title and interest to assign, transfer, convey, and set over the entire rights, title and interests assigned hereunder, and that Assignor has not executed and will not execute any agreement in conflict herewith.

Section 3. Covenant by Assignor. Assignor agrees that it will, upon Assignee's reasonable request, execute and deliver all such instruments and other documents or actions as may be necessary or desirable to perfect Assignee's title in, to and under the Assigned Marks.

Section 4. Counterparts. This Assignment Agreement may be executed in counterparts, each of which shall be deemed to be an original, but all of which together shall constitute a single agreement.

Section 5. Governing Law. This Agreement shall be governed by, and construed in accordance with, the laws of the State of Illinois and the applicable federal laws of the United States of America pursuant to Title 15 of the United States Code.

Section 6. Entire Agreement. This Agreement and all other agreements, exhibits, and schedules referred to in this Agreement constitute(s) the final, complete, and exclusive statement of the terms of the agreement between the Parties pertaining to the subject matter of this Agreement and supersedes all prior and contemporaneous understandings or agreements of the Parties. This Agreement may not be contradicted by evidence of any prior or contemporaneous statements or agreements.
