IP SECURITY AGREEMENT
(TRADEMARKS)

THIS IP SECURITY AGREEMENT (this "IP Security Agreement") is dated as of the 2nd day of April, 2016, by J&J FLOORING GROUP, LLC, a Georgia limited liability company ("Grantor"); and BRANCH BANKING AND TRUST COMPANY ("BB&T"), acting as agent (in such capacity, together with its successors and assigns, the "Administrative Agent") for itself and for the other Secured Parties (as defined in the Credit Agreement referred to below).

Capitalized terms used and not otherwise defined herein shall have the meanings assigned to them in the Credit Agreement dated as of April 2, 2016 (as amended, restated, extended, supplemented or otherwise modified from time to time, the "Credit Agreement"), among Engineered Floors, LLC, Bentley Dye Services, Inc., Dream Weaver Carpet, LLC, Pentz Street Holdings, LLC and Grantor (collectively, the "Borrower Group"); Textile Flooring International LLC, as the initial Guarantor; the lenders from time to time party thereto (collectively, the "Lenders"); BB&T as Administrative Agent; and BB&T Capital Markets and Wells Fargo Bank, National Association as Joint Lead Arrangers. The Grantor and the Administrative Agent, among others, are also parties to a General Security Agreement dated as of April 2, 2016 (as amended, restated, extended, supplemented or otherwise modified from time to time, the "Security Agreement").

Subject to the terms of the Security Agreement, the Grantor hereby grants to the Administrative Agent for the benefit of the Secured Parties a continuing security interest in, lien on and right of set-off against, all of the Grantor's right, title and interest in and to the United States trademarks and trademark applications described on Schedule 1 attached hereto and made a part hereof, to secure the payment and performance of the Obligations (as defined in the Security Agreement).

This IP Security Agreement shall be construed in accordance with and governed by the laws of the State of Georgia, except as otherwise required by mandatory provisions of law and except to the extent that remedies provided by the laws of any jurisdiction other than Georgia are governed by the laws of such jurisdiction.

This IP Security Agreement may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed and delivered shall be deemed to be an original and all of which taken together shall constitute but one and the same instrument.

The provisions of this IP Security Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns, except that the Grantor may not assign or otherwise transfer any of its rights or obligations hereunder. In the event of any conflict between the terms of this IP Security Agreement and the terms of the Security Agreement, the terms of the Security Agreement shall control.

[Signature appears on following page]

IN WITNESS WHEREOF, the Grantor has caused this IP Security Agreement (Trademarks) to be duly executed by its duly authorized officer, all as of the date first above written.
