B. The Assignors desire to provide a document reflecting the assignment of all of its right, title, and interest in and to the Transferred IP to Sazerac Brands for purposes of recording such assignment at the various intellectual property registries.

AGREEMENT

In consideration of the foregoing and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

1. Each Assignor does hereby sell, assign, transfer, convey and deliver (or cause to be sold, assigned, transferred, conveyed and delivered) to Sazerac Brands, and Sazerac Brands hereby accepts the Transferred IP held by such Assignor and all goodwill associated therewith, together with that portion of the ongoing and existing Business in connection with which the Assignors or its Subsidiaries have a bona fide intent to use the Transferred IP, free and clear of any and all Encumbrances, the same to be held by Sazerac Brands for Sazerac Brands' own use and

2. Nothing in this Assignment shall change, amend, limit, extend or alter (nor shall it be deemed or construed as changing, amending, extending or altering) the terms or conditions of the Purchase Agreement or any liability or obligation of the Assignors or Sazerac Company arising under the Purchase Agreement, which shall govern the representations, warranties and obligations of the parties with respect to the Transferred IP.
