## ASSIGNMENT OF INTELLECTUAL PROPERTY

This ASSIGNMENT OF INTELLECTUAL PROPERTY (this "Assignment"), is effective as of August 28, 2015 between **Enaltus, LLC**, a Florida limited liability company, having an address of 1100 Satellite Blvd, Suwanee, GA 30024 ("Assignor") and **Elan Pharma International Ltd.**, a limited company organized under the laws of Ireland, having an address of Treasury Building, Lower Grand Canal Street, Dublin 2, Ireland ("Assignee"). Assignor and Assignee are referred to herein individually as a "Party" and collectively, as the "Parties." Capitalized terms used herein and not otherwise defined herein shall have the meanings ascribed to them in the Agreement (as hereinafter defined).

WHEREAS, the Parties entered an Asset Purchase Agreement dated August 28, 2015; whereby the Assignor is transferring the assets of the Consumer Scar Business (the "Business") to Assignee and Assignee is acquiring the assets of the Business (the "Agreement"); and

WHEREAS, Assignor desires to convey, transfer, assign and deliver to Assignee, and Assignee desires to accept from Assignor, all of Assignor's right, title and interest in and to Assignor's rights that are inherent in or relating to the Business; and

WHEREAS, Assignor desires to convey, transfer, assign and deliver to Assignee, and Assignee desires to accept from Assignor, all of the intellectual property defined herein in relation to the Business.

NOW, THEREFORE, for valuable consideration the receipt of which is hereby acknowledged Assignee and Assignor hereby agree as follows:

1. Know How. Assignor hereby irrevocably assigns, conveys, sells, grants and transfers and agrees to irrevocably assign, convey, sell, grant and transfer to Assignee all of its rights, title and interest of every kind and character, including moral rights, throughout the world, in and to formulae, processes, procedures, product formulations, product names, designs, research and development, trade secrets, secret processes, proprietary processes and technology and secret manufacturing processes used in the Business ("Know How"), including without limitation, all Know How that is material to the products of the Business, a list of which is attached hereto as **Exhibit A** and that is owned or used by Assignor and is capable of being assigned to Assignee.

2. Patents. Assignor hereby irrevocably assigns, conveys, sells, grants and transfers and agrees to irrevocably assign, convey, sell, grant and transfer to Assignee all of its rights, title and interest of every kind and character, throughout the world, in and to the patents that are used in the Business ("Patents"), including those Patents listed on Attachment 3.14-3 to the Disclosure Schedules to the Asset Purchase Agreement, attached hereto as **Exhibit B**, to the full extent of its ownership or interest therein; including, without limitation, all domestic and foreign patents, domestic and foreign patent applications and registrations therefor (and all patents that issue therefrom and all divisions, continuations, continuations-in-part, reexaminations, substitutions, reissues, extensions, and renewals of such applications, registrations and patents, and the right to apply for any of the foregoing); all goodwill associated therewith; all rights to causes of action and remedies related thereto (including, without limitation, the right to sue for

past, present or future infringement, misappropriation or violation of rights related to the foregoing); and any and all other rights and interests arising out of, in connection with or in relation to the Patents. Upon Assignee's request and at Assignee's sole cost and expense, Assignor will promptly take such actions, including, without limitation, the prompt execution and delivery of documents in recordable form, as may be requested by Assignee to vest, secure, perfect, protect or enforce the rights and interests of Assignee in and to the Patents.

3. Trademarks. Assignor hereby irrevocably assigns, conveys, sells, grants and transfers and agrees to irrevocably assign, convey, sell, grant and transfer to Assignee all of its rights, title and interest of every kind and character, throughout the world, in and to the trademarks, service marks, trade names, trade dress and all applications therefore that are used in the Business ("Trademarks"), including those Trademarks listed on Attachment 3.14-4 to the Disclosure Schedules to the Asset Purchase Agreement, attached hereto as **Exhibit C**, to the full extent of its ownership or interest therein; including, without limitation, all domestic and foreign trademarks, domestic and foreign trademark applications and registrations therefor; all goodwill associated therewith and symbolized by the Trademarks; all rights to causes of action and remedies related thereto (including, without limitation, the right to sue for past, present or future infringement, misappropriation or violation of rights related to the foregoing); and any and all other rights and interests arising out of, in connection with or in relation to the Trademarks. Upon Assignee's request and at Assignee's sole cost and expense, Assignor will promptly take such actions, including, without limitation, the prompt execution and delivery of documents in recordable form, as may be requested by Assignee to vest, secure, perfect, protect or enforce the rights and interests of Assignee in and to the Trademarks.

4. Copyrights. Assignor irrevocably assigns, conveys, sells, grants and transfers and agrees to irrevocably assign, convey, sell, grant and transfer to Assignee all of its rights, title and interest of every kind and character, throughout the world, in and to unregistered or registered copyrights and any registrations and copyright applications relating thereto that are used in the Business ("Copyrights"), including, but not limited to, those listed in Section 3.14-5 to the Disclosure Schedules to the Asset Purchase Agreement, attached hereto as **Exhibit D**, to the full extent of its ownership or interest therein; and any renewals and extensions thereof, and in and to all works based upon, derived from, or incorporating the Copyrights, and in and to all income, royalties, damages, claims and payments now or hereafter due or payable with respect thereto, and in and to all causes of action, either in law or in equity for past, present, or future infringement based on the Copyrights, and in and to all rights corresponding to the foregoing throughout the world. To the extent that Assignor owns any other registered or unregistered Copyrights, registrations or applications for Copyrights in any country or jurisdiction that are used in the Business, other than those listed in the attached **Exhibit D**, Assignor by this Assignment does hereby transfer all of Assignor's rights, title and interest thereto to Assignee. Upon Assignee's request and at Assignee's sole cost and expense, Assignor will promptly take such actions, including, without limitation, the prompt execution and delivery of documents in recordable form, as may be requested by Assignee to vest, secure, perfect, protect or enforce the rights and interests of Assignee in and to the Copyrights.

5. Domain Names. Assignor hereby irrevocably assigns, conveys, sells, grants and transfers and agrees to irrevocably assign, convey, sell, grant and transfer to Assignee all of its rights, title and interest of every kind and character, throughout the world, in and to the domain names used in the Business (the "**Domain Names**"), including those Domain Names listed in

Section 3.14-6 to the Disclosure Schedules to the Asset Purchase Agreement, attached hereto as **Exhibit E**, to the full extent of its ownership or interest therein; including, without limitation, all goodwill associated therewith; all rights to causes of action and remedies related thereto (including, without limitation, the right to sue for past, present or future infringement, misappropriation or violation of rights related to the foregoing); and any and all other rights and interests arising out of, in connection with or in relation to the Domain Names. Upon Assignee's request and at Assignee's sole cost and expense, Assignor will promptly take such actions, including, without limitation, the prompt execution and delivery of documents in recordable form, as may be requested by Assignee to vest, secure, perfect, protect or enforce the rights and interests of Assignee in and to the Domain Names.

6. Online Media Accounts. Assignor irrevocably assigns, conveys, sells, grants and transfers and agrees to irrevocably assign, convey, sell, grant and transfer to Assignee all of its rights, title and interest of every kind and character, throughout the world, in and to any and all user names, passwords, login, identities, hash tags, handles, other user or account credentials for all online media accounts, and email address schemes used in the Business ("**Online Media Accounts**"), including, but not limited to, those listed in Section 3.14-9 of the Disclosure Schedules to the Asset Purchase Agreement, attached hereto as **Exhibit F**, to the full extent of its ownership or interest therein; including, without limitation, all goodwill associated therewith; all rights to causes of action and remedies related thereto (including, without limitation, the right to sue for past, present or future infringement, misappropriation or violation of rights related to the foregoing); and any and all other rights and interests arising out of, in connection with or in relation to the Online Media Accounts. To the extent that Assignor owns any other Online Media Accounts in any country or jurisdiction used in the Business, other than those listed in the attached **Exhibit F**, Assignor by this Assignment does hereby transfer all of Assignor's rights, title and interest thereto to Assignee. Upon Assignee's request and at Assignee's sole cost and expense, Assignor will promptly take such actions, including, without limitation, the prompt execution and delivery of documents in recordable form, as may be requested by Assignee to vest, secure, perfect, protect or enforce the rights and interests of Assignee in and to the Online Media Accounts.

7. This Assignment inures to the benefit of and is binding upon Assignor and Assignees and their respective heirs, successors and assigns.

8. This Assignment is made subject to the provisions of the Asset Purchase Agreement. This Assignment shall not be deemed to defeat, limit, alter, impair, enhance or enlarge any right, obligation, liability, claim or remedy created by the Asset Purchase Agreement. In the event of any conflict or inconsistency between the terms and conditions set forth in this Assignment and the Asset Purchase Agreement, the terms and conditions set forth in the Asset Purchase Agreement shall control.

9. This Assignment may be executed in one or more counterparts, each of which will be deemed to be an original, but all of which together shall constitute one and the same instrument. A signature to this Assignment delivered by telecopy or other electronic means will be deemed valid

10. This Assignment shall be governed by and construed in accordance with the laws of the State of Delaware.
