TRADEMARK ASSIGNMENT

This TRADEMARK ASSIGNMENT (this "Assignment"), dated as of March, 31, 2016 is made by Town Pump, Inc. ("Assignor"), to and for the benefit of High Country Intel LLC ("Assignee").

RECITALS:

A. Assignor owns certain registered and unregistered trademarks and service marks, including without limitation those listed on Exhibit A attached to this Assignment (collectively, the "Trademarks").

B. Assignor desires to assign to Assignee the Trademarks in consideration for its ownership interest in Assignee.

NOW, THEREFORE, in consideration of the foregoing, and other good and valuable consideration, the receipt and sufficiency of which are acknowledged, Assignor hereby assigns to Assignee all of Assignor's right, title and interest in, to and under the Trademarks, throughout the world, together with the goodwill of the businesses associated with and symbolized by the Trademarks and all rights and powers arising or accrued therefrom, including, without limitation, the right to sue and recover damages and other remedies for future and past infringements of the Trademarks and to fully and entirely stand in the place of Assignor in all matters related thereto; and

Assignor authorizes the U.S. Commissioner of Patents and Trademarks, the State of Montana, and any other governmental officials to record and register this Assignment at the request of Assignee. Assignor shall take such further actions after the date of this Assignment, including the execution of any documents or instruments that Assignee may reasonably request, to facilitate the full and proper assignment to Assignee, its successors and assigns, of the Trademarks. Assignor irrevocably designates and appoints Assignee as Assignor's attorney-in-fact with authority to take such actions and to execute and deliver such documents or instruments on Assignor's behalf and to make appropriate dispositions thereof as are necessary to transfer title to and vest ownership of the Trademarks in Assignee.
