## TRADEMARK SECURITY AGREEMENT

THIS TRADEMARK SECURITY AGREEMENT, dated as of April 29, 2016, is made by Omni Acquisition Inc., a Georgia corporation (the “Grantor”), in favor of Cortland Capital Market Services LLC (“Cortland”), as agent (in such capacity, together with its successors and permitted assigns, the “Agent”) for the Secured Parties (as defined in the Note Agreement referred to below).

### WITNESSETH:

WHEREAS, pursuant to the Second Lien Note Purchase Agreement, dated as of April 29, 2016 (as the same may be amended, restated, supplemented and/or otherwise modified from time to time (the “Note Agreement”), by and among the Initial Issuer, the Issuer, Holdings, the other Credit Parties, the Purchasers from time to time party thereto and Cortland, as Agent for the Purchasers, the Purchasers have severally agreed to purchase the Notes issued by the Issuer upon the terms and subject to the conditions set forth therein;

WHEREAS, Grantor has agreed, pursuant to a Second Lien Guaranty and Security Agreement of April 29, 2016 in favor of Agent (as such agreement may be amended, restated, amended and restated, supplemented and/or otherwise modified from time to time, the “Guaranty and Security Agreement”), to guarantee the Obligations (as defined in the Note Agreement) of the Issuer; and

WHEREAS, Grantor is party to the Guaranty and Security Agreement pursuant to which Grantor is required to execute and deliver this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and to induce the Purchasers and Agent to enter into the Note Agreement and to induce the Purchasers to purchase the Notes of the Issuer thereunder, Grantor hereby agrees with Agent for the benefit of the Secured Parties as follows:

Section 1.     Defined Terms. Capitalized terms used herein without definition are used as defined in the Guaranty and Security Agreement.

Section 2.     Grant of Security Interest in Trademark Collateral. Grantor, as collateral security for the prompt and complete payment and performance when due (whether at stated maturity, by acceleration or otherwise) of the Secured Obligations of Grantor, hereby grants to Agent for the benefit of the Secured Parties a Lien on and security interest in, all of its right, title and interest in, to and under the following Collateral of Grantor (the “Trademark Collateral”):

(a)     all of its Trademarks, including, without limitation, those referred to on Schedule 1 hereto; provided, that no Lien and security interest is granted on any “intent to use” Trademark applications for which a “statement of use” or “amendment to allege use” has not been filed (but only until such statement or amendment is filed);

(b)     all renewals and extensions of the foregoing;

(c) all goodwill of the business connected with the use of, and symbolized by, each such Trademark; and

(d) all income, royalties, proceeds and Liabilities at any time due or payable or asserted under and with respect to any of the foregoing, including, without limitation, all rights to sue and recover at law or in equity for any past, present and future infringement, misappropriation, dilution, violation or other impairment thereof.

Section 3. Guaranty and Security Agreement. The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to Agent pursuant to the Guaranty and Security Agreement and Grantor hereby acknowledges and agrees that the rights and remedies of Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Guaranty and Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

Section 4. Grantor Remains Liable. Grantor hereby agrees that, subject to the terms and conditions of the Note Agreement and the Guaranty and Security Agreement, anything herein to the contrary notwithstanding, Grantor shall assume full and complete responsibility for the prosecution, defense, enforcement or any other necessary or desirable actions in connection with their Trademarks subject to a security interest hereunder.

Section 5. Counterparts. This Trademark Security Agreement may be executed in any number of counterparts and by different parties in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Signature pages may be detached from multiple separate counterparts and attached to a single counterpart. Delivery of an executed signature page of this Trademark Security Agreement by facsimile transmission or by Electronic Transmission shall be as effective as delivery of a manually executed counterpart hereof.

Section 6. Governing Law. This Trademark Security Agreement and the rights and obligations of the parties hereto shall be governed by, and construed and interpreted in accordance with, the law of the State of New York.

[SIGNATURE PAGES FOLLOW]

IN WITNESS WHEREOF, Grantor has caused this Trademark Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.

Very truly yours,

OMNI ACQUISITION INC.,  
as Grantor

By:   
Name: Andrew Bronstein  
Title: Treasurer
