PATENT, TRADEMARK AND DOMAIN NAME ASSIGNMENT AGREEMENT

This Patent, Trademark and Domain Name Assignment Agreement (this “**Assignment**”) is entered into and made effective as of April 5, 2016 by and between Stride Tool Inc. (“**Assignor**”) and ST Acquisition, LLC (“**Assignee**”), pursuant to that certain Asset Purchase Agreement (the “**Purchase Agreement**”) dated effective as of April 5, 2016, by and among Assignor, Stride Ltd., Lori Northrup Trust, Lori Northrup and Assignee, pursuant to which Assignor agreed to assign certain of its assets, liabilities and obligations to Assignee.

1. Definitions. Capitalized terms not otherwise defined herein shall have the respective meanings set forth in the Purchase Agreement. The following terms have the respective meanings specified below (such meanings to be equally applicable to the singular and plural forms of the terms defined):

(a) “Company Websites” means the websites located at all Domain Names, together with all related URLs owned and/or controlled by Assignor, including but not limited to the underlying code or programming infrastructure, artwork, sound, graphic files, music files, user interface, logos, data, software, tools, text and other materials.

(b) “Domain Names” means the domain names listed on the attached Exhibit A.

(c) “Patents” means the patents and patent applications listed on the attached Exhibit A.

(d) “Trademarks” means any trademark registrations and applications, service mark registrations and applications, logo, logotype, design, image, graphic, artwork, word, trade dress, identifier of any of the foregoing and any other indicia of source or origin of an entity or product listed on the attached Exhibit A.

2. Assignment. For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby irrevocably conveys, transfers and assigns to Assignee, and Assignee hereby accepts, all of Assignor’s right, title and interest in and to the following (the “**Assigned IP**”):

(a) the Patents, including, but not limited to, all issuances, continuations, continuations-in-part, divisions, reissues, reexaminations, extensions, renewals, or foreign equivalents thereof, and including the subject matter of all claims which may be obtained therefrom, for Assignee’s own use and enjoyment, and for the use and enjoyment of its successors, assigns or other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment had not been made;

(b) the Trademarks and all issuances, extensions, and renewals thereof, together with any and all goodwill of the business associated with the use of, and symbolized by, the Trademarks;

(c) the registrations of the Domain Names, and any related intellectual property rights in or to the Domain Names, whether such rights are registered or not, and all

rights of priority therein, and the right to recover for damages and profits and all other remedies for past infringements thereof, and any and all goodwill associated with the Domain Names;

(d) any website related to the Business, and any related intellectual property rights in or to the Company Websites, whether such rights are registered or not, and all rights of priority therein, and the right to recover for damages and profits and all other remedies for infringements thereof, and any and all goodwill associated with the Company Websites

(e) all rights of any kind whatsoever of Assignor accruing under any of the foregoing provided by applicable law of any jurisdiction, by international treaties and conventions and otherwise throughout the world;

(f) any and all royalties, fees, income, payments and other proceeds now or hereafter due or payable with respect to any and all of the foregoing; and

(g) any and all claims and causes of action, with respect to any of the foregoing, whether accruing before, on and/or after the date hereof, including all rights to and claims for damages, restitution and injunctive and other legal and equitable relief for past, present and future infringement, dilution, misappropriation, violation, misuse, breach or default, with the right but no obligation to sue for such legal and equitable relief and to collect, or otherwise recover, any such damages.

3. Recordation and Further Actions. Assignor hereby authorizes the Commissioner for Patents and the Commissioner for Trademarks in the United States Patent and Trademark Office and the officials of corresponding entities or agencies in any applicable jurisdictions to record and register this Assignment upon request by Assignee. Following the date hereof, upon Assignee's reasonable request, and at Assignee's sole cost and expense, Assignor shall take such steps and actions, and provide such cooperation and assistance to Assignee and its successors, assigns and legal representatives, including the execution and delivery of any affidavits, declarations, oaths, exhibits, assignments, powers of attorney, or other documents, as may be necessary to effect, evidence or perfect the assignment of the Assigned IP to Assignee, or any assignee or successor thereto.

4. Domain Registrar Procedures. Assignor will take the steps required by the current procedures promulgated by the registrars listed on attached Exhibit A, or any other registrar(s) that might be or become responsible for the transfer of the registrations of the Domain Names, to transfer the registrations of the Domain Names to Assignee, by completing the required forms and any other required actions to effect the transfer of the registrations of the Domain Names to Assignee. Upon and at any time after the Closing, Assignor will, without further consideration, provide such other information and execute such documents as may be necessary or appropriate to accomplish the transfer of the registrations of the Domain Names upon Buyer's reasonable request.

5. No Amendment; Conflicts. This Assignment is entered into and delivered pursuant to the Purchase Agreement and is subject to and governed by the Purchase Agreement, including without limitation the limitations on liability contained therein. This Assignment shall not alter, modify or amend the terms of the Purchase Agreement or any of the Assigned

Contracts included in the Assumed Liabilities in any respect, nor shall it subject Assignor or Assignee to any greater liabilities, obligations or duties in connection therewith than would have been enforceable against Assignor. To the extent there is a conflict between the terms and provisions of this Assignment and the Purchase Agreement, the terms and provisions of the Purchase Agreement will govern.

6. Governing Law. This Assignment shall be governed by and construed in all respects in accordance with the laws of the State of Delaware, without regard to the conflicts of laws interpreted in accordance with the laws principles of such state.

7. Further Assurances. Assignor agrees that upon request of Assignee, at any time and from time to time, Assignor will do, execute, acknowledge and deliver, or will cause to be done, executed, acknowledged and delivered, all such further acts, deeds, assignments, transfers, conveyances and assurances as may be reasonably required to evidence further the assignment, transfer, conveyance and delivery of the Purchased Assets to Assignee, or to aid or assist Assignee in reducing to its possession, title to and possession of the Purchased Assets assigned, transferred, conveyed and delivered to Assignee hereby.

8. Counterparts. This Assignment may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed to be one and the same agreement. A signed copy of this Assignment delivered by facsimile, e-mail or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this Assignment.

9. Successors and Assigns. This Assignment shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors and assigns.
