TRADEMARK ASSIGNMENT

This Assignment is effective as of the 13th day of April, 2016 by and between Cord Automobile Companies LLC, a Texas limited liability company having a principal place of business at 5124 Polk Street, Houston, Texas 77023 ("Assignee"), and Auburn-Cord-Duesenberg Co., an Oklahoma corporation having a principal place of business at 122 South Elm Place, Broken Arrow, OK 74012 ("Assignor").

Recitals:

Assignor has adopted and used, and Assignor now owns and uses the mark "CORD" and design" (the "Mark") for goods described as "original and replacement engine parts for antique automobiles, namely, oil pans, oil pumps, electric starters, radiators, radiator fans, mufflers, flywheels, crank-shafts, crank-shaft bearing caps, bushings, roller bearings, connecting rods, gears, pinions, valves, springs, cylinder heads, intake manifolds and exhaust manifolds," in International Class 007; "antique automobiles and original and replacement structural parts thereof," in International Class 012; and "clothing, namely t-shirts, shirts, hats and caps," in International Class 025 (the "Goods").

Assignor has registered the Mark with the United States Patent and Trademark Office:

Mark

Registration No.

Registration Date

4,755,542

June 16, 2015

(CORD and design)

Assignee wishes to acquire Assignor's rights to the Mark and the goodwill of Assignor's business symbolized by and associated with the Mark as used for and in connection with the Goods.

Now, therefore, for good and valuable consideration, receipt and sufficiency of which is hereby acknowledged, the Assignor does hereby sell, assign and transfer to the Assignee all right, title and interest in and to the Mark, together with the good will of the business symbolized by the Mark as used for and in connection with the Goods.

The undersigned, being hereby warned that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of this assignment, declares: that he is authorized to execute this instrument individually and on behalf of the business identified above; that he believes himself and/or said business to be the owner of the Mark; that the facts set forth in this assignment are true; and that all statements made of his own knowledge are true and all statements made on information and belief are believed to be true.
