**MASTER ASSIGNMENT AND ASSUMPTION
AGREEMENT AND BILL OF SALE**

THIS IS A MASTER ASSIGNMENT AND ASSUMPTION AGREEMENT AND BILL OF SALE dated as of January 1, 1998 (the "Effective Date"), by and between CARNAUDMETALBOX S.A., a corporation duly organized and existing under the laws of France ("CMB FR" or "Assignor"), and CROWN CORK & SEAL TECHNOLOGIES CORPORATION, a corporation duly organized and existing under the laws of Delaware, United States ("Crown Alsip" or "Assignee").

BACKGROUND

WHEREAS, Assignor and Assignee are direct or indirect wholly-owned subsidiaries of Crown Cork & Seal Company, Inc. ("Crown"); and

WHEREAS, in order to effect a more efficient structure of their rights concerning intellectual property assets, Assignor desires to transfer to Crown Alsip all of its interests in the Marks (as defined below) and

WHEREAS, in consideration of the foregoing transfer, Crown Alsip will pay Assignor a purchase price for the Marks of FF (French Francs) 28,250,000 and will assume all liabilities of Assignor connected with the Marks;

NOW, THEREFORE, in consideration of the premises and the covenants and agreements contained herein, and intending to be legally bound hereby, the parties hereto agree as follows:

I. TRANSFER OF ASSETS

(a) Subject to the terms and conditions contained herein, as of the Effective Date, Assignor hereby transfers and assigns to Crown Alsip, its successors and assigns forever, all right, title and interest in and to the Marks, including without limitation, all rights of action arising therefrom worldwide, except in France; all claims for damages by reason of past infringement and the right to sue and collect damages for such infringement to be held and enjoyed by Crown Alsip for its own use and benefit and for its successors and assigns as the same would have been held by Assignor had this assignment not been made; all licenses, sublicenses and other agreements pertaining to the Marks and all proceeds received and to be received by Assignor in respect of such licenses, sublicenses and other agreements from and after the Effective Date. Assignor recognizes and agrees that it retains no further rights in the Marks and may not use the Marks except as expressly permitted by Crown Alsip. For purposes of this Agreement, the "Marks" shall mean the marks CARNAUDMETALBOX and the CARNAUDMETALBOX logo Shown in Exhibit 1, all registrations and application to register those marks worldwide (including but not limited to those listed in Schedule A), except in France.

(b) Further Assurances. At the request and expense of Crown Alsip at any time on or after the date hereof, Assignor will execute and deliver such further instruments of conveyance and transfer and take such other actions as Crown Alsip reasonably may request to convey and transfer effectively to it, its successors and assigns, any of the Marks granted and transferred, or intended so to be, hereby, provided that any such transfer or conveyance, or action to effect any such transfer or conveyance, unless otherwise agreed, shall be without warranty of any kind by Assignor. Assignor hereby irrevocably constitutes and appoints Crown Alsip and its officers, successors and assigns, as its attorneys-in-fact for such purposes, with full power of substitution, together with full power and authority, in the name of Assignor, to execute, acknowledge and deliver any such deed or other document of conveyance, and to do, enforce, collect, receive and receipt for any and all of the foregoing, including without limitation to give and receive any notice, consent, waiver, demand or approval, to grant or exercise any election or option, to endorse any draft or other instrument, to make claims and to institute, defend and maintain administrative and judicial proceedings, at law and in equity, and to negotiate, compromise, release, settle or submit to arbitration any such claim.

(c) Consent of Third Parties. Nothing in this instrument shall be construed as an attempt by Assignor to transfer or assign to any party pursuant to this instrument any contract, agreement, license, sublicense, claim or asset which is by its terms or by law nonassignable without the consent of any other party or parties, unless such consent or approval shall have been given, or as to which all the remedies for the enforcement thereof available to Assignor would not by law pass to such other party as an incident of the assignments provided for by this instrument (a "Non-Assignable Contract"). To the extent that any such consent or approval in respect of, or a novation of, a Non-Assignable Contract shall not have been obtained, the parties shall use reasonable efforts and shall cooperate in any reasonable arrangement to assure Assignee the benefits of such Non-Assignable Contract to the extent permitted by law. To the extent lawful, practicable and reasonable in the circumstances, including the obtaining of any such necessary consent or approval after the date hereof, Assignor shall take all reasonable actions to assure that Assignor's rights under the Non-Assignable Contracts shall be preserved for the benefit of Assignee. Assignee shall indemnify and hold harmless Assignor for performing such obligations and reimburse Assignor for its expenses related thereto.

II. PAYMENTS: In exchange for the Marks, Crown Alsip agrees to pay the Assignor, promptly after the execution of this Agreement, FF 28,250,000. This amount shall be paid in either French Francs or U.S. Dollars using the exchange rate as of January 15, 1999.

III. ASSUMPTION OF LIABILITIES

(a) Crown Alsip hereby assumes and agrees to pay, perform and discharge, when due, all of the debts, liabilities and obligations of Assignor pertaining to, arising out of or connected with the Marks, whether accrued, absolute, contingent or otherwise, which may exist at the date hereof or which may hereafter accrue, arise or be assessed, if such subsequent debts, liabilities or obligations shall be based upon or arise out of any event, circumstance, act, omission, covenant, undertaking or other thing existing or occurring on, before or after the Effective Date

TMM

hereof, whether or not such debts, liabilities and obligations are reflected or reserved against at the Effective Date in Assignor's balance sheets, books of account or records.

Crown Alsip hereby agrees to indemnify, defend and save and hold Assignor harmless from and against any and all liability, claims, damages, costs and expenses of whatever character, that may be claimed or asserted against Assignor, its successors or assigns, relating to or arising out of any of the foregoing.

IV. ASSUMPTION OF LICENSES, SUBLICENSES, CONTRACTS AND AGREEMENTS

(a) Crown Alsip hereby assumes and agrees to perform all of the obligations and duties of Assignors under the licenses, sublicenses and other agreements assigned to Crown Alsip pursuant to Section I.(a) hereof as part of the Marks and agrees to be bound by the respective terms of such licenses, sublicenses and other agreements.

(b) Licensees who are Crown Affiliates shall be third party beneficiaries of the obligations of Crown Alsip contained in this Section IV.

V. GOVERNING LAW

This instrument shall be governed by the laws of Illinois, USA without giving effect to the principles of conflicts of laws applicable therein.
