The IP Collateral is a component of the Collateral described in the Loan Agreement.

4. Representations and Warranties. Debtor represents and warrants to Secured Party that:

(a) Patents. Debtor represents and warrants to Secured Party that a true and correct list of all of the existing Patent Collateral consisting of U.S. patents and patent applications or registrations owned by Debtor, in whole or in part, is set forth in Schedule A.

(b) Trademarks. A true and correct list of all of the existing Trademark Collateral consisting of U.S. trademarks, trademark registrations or applications owned by Debtor, in whole or in part, is set forth in Schedule B.

(c) Copyright Registrations. A true and correct list of all of Debtor's United States registered copyrights and copyright registrations is set forth in Schedule C.

(d) Applications for Copyright Registration. A true and correct list of all of Debtor's United States applications for copyright registrations is set forth in Schedule C.

5. Further Acts. On a continuing basis, Debtor shall make, execute, acknowledge and deliver, and file and record in the proper filing and recording places, all such instruments and documents, and take all such action as may be necessary or advisable or may be requested by Secured Party to carry out the intent and purposes of this Agreement, or for assuring, confirming or protecting the grant or perfection of the security interest granted or purported to be granted hereby, to ensure Debtor's compliance with this Agreement or to enable Secured Party to exercise and enforce its rights and remedies hereunder with respect to the IP Collateral, including

any documents for filing with the PTO, the Copyright Office or any applicable state office. Secured Party may record this Agreement, an abstract thereof, or any other document describing Secured Party's interest in the IP Collateral with the PTO and/or the Copyright Office, at the expense of Debtor. In addition, Debtor authorizes Secured Party to file financing statements describing the IP Collateral in any UCC filing office deemed appropriate by Secured Party. If the Debtor shall at any time hold or acquire a commercial tort claim arising with respect to the IP Collateral, the Debtor shall immediately notify Secured Party in a writing signed by the Debtor of the brief details thereof and grant to the Secured Party in such writing a security interest therein and in the proceeds thereof, all upon the terms of this Agreement, with such writing to be in form and substance satisfactory to the Secured Party.

6. Authorization to Supplement. If Debtor shall obtain rights to any new patentable inventions or become entitled to the benefit of any patent application or patent for any reissue, division, or continuation of any patent, or to any new trademarks, the provisions of this Agreement shall automatically apply thereto. Debtor shall give prompt notice in writing to Secured Party with respect to any such new patent rights, any new trademarks or renewal or extension of any trademark registration, and shall further give Secured Party prompt notice of any additional United States copyright registrations or applications therefor after the date hereof. Without limiting Debtor's obligations under this paragraph 6, Debtor authorizes Secured Party unilaterally to modify this Agreement by amending Schedules A, B or C, as the case may be, to include any such new patent, trademark rights or any future United States registered copyrights or applications therefor of Debtor. Notwithstanding the foregoing, no failure to so modify this Agreement or amend any of the Schedules hereto shall in any way affect, invalidate or detract from Secured Party's continuing security interest in all IP Collateral, whether or not listed on Schedule A, B or C.

7. Binding Effect. This Agreement shall be binding upon, inure to the benefit of and be enforceable by Debtor, Secured Party and their respective successors and assigns. Debtor may not assign, transfer, hypothecate or otherwise convey its rights, benefits, obligations or duties hereunder except as specifically permitted by the Loan Agreement.

8. Governing Law. This Agreement shall be governed by, and construed in accordance with, the law of the State of Maine, except as required by mandatory provisions of law or to the extent the validity, perfection or priority of the security interests hereunder, or the remedies hereunder, in respect of any IP Collateral are governed by the law of a jurisdiction other than Maine.

9. Entire Agreement; Amendment. This Agreement and the Loan Agreement, together with the Schedules hereto and thereto, contains the entire agreement of the parties with respect to the subject matter hereof and supersedes all prior drafts and communications relating to such subject matter. Neither this Agreement nor any provision hereof may be modified, amended or waived except by the written agreement of the parties, as provided in the Loan Agreement. Notwithstanding the foregoing, Secured Party unilaterally may re-execute this Agreement or modify, amend or supplement the Schedules hereto as provided in paragraph 6

hereof. To the extent that any provision of this Agreement conflicts with any provision of the Loan Agreement, the provision giving Secured Party greater rights or remedies shall govern, it being understood that the purpose of this Agreement is to add to, and not detract from, the rights granted to Secured Party under the Loan Agreement.

10. Counterparts. This Agreement may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute but one and the same agreement.

11. Termination. Upon payment and performance in full of all Obligations, the security interests created by this Agreement shall terminate and Secured Party (at Debtor's expense) shall promptly execute and deliver to Debtor such documents and instruments reasonably requested by Debtor as shall be necessary to evidence termination of all such security interests given by Debtor to Secured Party hereunder, including cancellation of this Agreement by written notice from Secured Party to the PTO and/or the Copyright Office.

12. No Inconsistent Requirements. Debtor acknowledges that this Agreement and the other documents, agreements and instruments entered into or executed in connection herewith may contain covenants and other terms and provisions variously stated regarding the same or similar matters, and Debtor agrees that all such covenants, terms and provisions are cumulative and all shall be performed and satisfied in accordance with their respective terms.

13. Severability. If one or more provisions contained in this Agreement shall be invalid, illegal or unenforceable in any respect in any jurisdiction or with respect to any party, such invalidity, illegality or unenforceability in such jurisdiction or with respect to such party shall, to the fullest extent permitted by applicable law, not invalidate or render illegal or unenforceable any such provision in any other jurisdiction or with respect to any other party, or any other provisions of this Agreement.

14. Notices. All notices and other communications hereunder shall be in writing and shall be mailed, sent or delivered in accordance with the Loan Agreement.
