WHEREAS, Magnum Hunter Resources LP, a Delaware limited partnership (“Grantor”), owns and uses in its business, and will in the future adopt and so use, various intangible assets, including the Trademark Collateral (as defined below); and

WHEREAS, pursuant to that certain Credit Agreement, dated as of May 6, 2016 (as amended, restated, amended and restated, supplemented, or otherwise modified from time to time, the “Credit Agreement”), by and among Magnum Hunter Resources Corporation, a Delaware corporation (the “Borrower”), the Lenders party hereto (the “Lenders”) and Cantor Fitzgerald Securities (“Cantor Fitzgerald”), as the Administrative Agent and the Collateral Agent for the Lenders, the Lenders agreed to make Loans to and make other extensions of credit on behalf of the Borrower (capitalized terms used but not defined herein have the respective meanings assigned to them in the Credit Agreement); and

WHEREAS, pursuant to the terms of that certain Security and Pledge Agreement, dated as of even date with the Credit Agreement (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “Security Agreement”), by and among the Borrower, the Grantors from time to time party thereto and Cantor Fitzgerald, as collateral agent for each of the Secured Parties (as defined in the Security Agreement) (in such capacity, the “Collateral Agent”), Grantor agreed to grant in favor of the Collateral Agent a perfected security interest in, and the Collateral Agent has agreed to become a secured creditor with respect to, the Trademark Collateral;

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, subject to the terms and conditions of the Security Agreement, as collateral security for the prompt payment in full when due (whether at stated maturity, by acceleration or otherwise) and performance of the Secured Obligations (as defined in the Security Agreement), Grantor hereby grants to the Collateral Agent a security interest in all of Grantor’s right, title and interest in and to the following, in each case whether now or hereafter existing or in which Grantor now has or hereafter acquires an interest and wherever the same may be located (the “Trademark Collateral”):

- (i) all trade names, trademarks and service marks, logos, trademark and service mark registrations, and applications for trademark and service mark registrations, including but not limited to those registrations and applications listed on Schedule A;
- (ii) all renewals of trademark and service mark registrations;
- (iii) all rights (A) to all income, royalties, damages and other payments (including in respect of all past, present and future infringements) with respect to any of the foregoing, (B) to sue for all past, present and future infringements thereof, and (C) otherwise accruing under or pertaining to any of the foregoing, together, in each case, with the product lines and goodwill of the business connected with the use of, and symbolized by, each such trade name, trademark and service mark;
- (iv) all licenses or user or other agreements granted to Grantor with respect to any of the foregoing, in each case whether now or hereafter owned or used; and
- (v) all causes of action, claims and warranties now or hereafter owned or acquired by Grantor in respect of any of the items listed above.

Notwithstanding anything herein to the contrary, in no event shall the Trademark Collateral include, and Grantor shall not be deemed to have granted a security interest in, any of Grantor's rights or interests in any license, contract or agreement to which Grantor is a party or any of its rights or interests thereunder to the extent, but only to the extent, that such a grant would, under the terms of such license, contract or agreement or otherwise, result in a breach of the terms of, or constitute a default under any license, contract or agreement to which Grantor is a party; provided, that immediately upon the ineffectiveness, lapse or termination of any such provision, the Trademark Collateral shall include, and Grantor shall be deemed to have granted a security interest in, all such rights and interests as if such provision had never been in effect.

Grantor further acknowledges that the rights and remedies of the Collateral Agent with respect to the security interest in the Trademark Collateral granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.
