Re: Notice of Amendment of Schedule I to Trademark Security Agreement

Ladies and Gentleman:

We refer to that certain Trademark Security Agreement dated as of November 6, 2015 (as at any time amended, restated, supplemented or otherwise modified, the "Trademark Agreement"), made by the Grantors signatory thereto (the "Grantors") in favor of Ally Bank, as agent (in such capacity, together with its successors and permitted assigns, the "Agent") for the Secured Parties (as defined in the Credit Agreement (as defined in the Trademark Agreement)), recorded in the records of the United States Patent and Trademark Office ("USPTO") on November 20, 2015, at Reel 5674, Frame 0513, pursuant to which the Grantors granted to Agent, for the benefit of the Secured Parties, a security interest in all of the Grantors' trademarks and trademark applications, including, without limitation, trademarks and trademark applications acquired after the date of the Trademark Agreement.

You have notified us that the Grantors have acquired rights in the trademarks and trademark applications listed on Schedule I-1 hereto (collectively, the "Additional Trademark Collateral").

By its signature below, the Company acknowledges and agrees that (a) the Additional Trademark Collateral is part of the "Trademark Collateral" (as defined in the Trademark Agreement) subject to the security interest granted by the Grantors in the Trademark Agreement, (b) Agent will amend Schedule I to the Trademark Agreement by adding the Additional Trademark Collateral to such Schedule, and (c) Agent may file a copy of this letter agreement with the USPTO to evidence its security interest in the Additional Trademark Collateral at any time on or after the date hereof without further notice to the Company.

Very truly yours,

ALLY BANK, as Agent
