## TRADEMARK ASSIGNMENT

THIS TRADEMARK ASSIGNMENT ("Assignment") is made and entered into by and between EPS SETTLEMENTS GROUP, INC., a California corporation having a place of business at 5613 DTC Parkway, Suite 700, Greenwood Village, Colorado ("Assignor") and PROVIDIO MEDISOLUTIONS, LLC, a Delaware limited liability company having a place of business at 5613 DTC Parkway, Suite 700, Greenwood Village, Colorado ("Assignee"). Each Assignor and Assignee is referred to from time to time herein as a "Party" and collectively as the "Parties."

WHEREAS, Assignor is the owner of U.S. trademark registration for **MEDISOLUTIONS (U.S. Reg. No. 3,802,401)** for "structured settlement services, namely, designing and brokering settlements of legal claims that are in compliance with Medicare requirements" in International Class 36 (the "Mark");

WHEREAS, Assignor has agreed to assign to Assignee all of Assignor's right, title and interest in and to the Mark, together with the goodwill appurtenant thereto;

NOW, THEREFORE, for good and valuable consideration, receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

1. Assignor's Ownership of Mark.
  - a. Assignor represents and warrants to Assignee that Assignor is the sole owner of all rights in, title to, and interest in the Mark.
  - b. Assignor further represents and warrants to Assignee that the Marks are unencumbered by any lien or pledge or other claim which can affect rights in, title to, and interest in the Mark.
2. Assignment. Assignor does hereby assign unto Assignee all right, title and interest in and to the Mark, together with all the goodwill appurtenant thereto, and the above-identified registration thereof.
3. Waiver. By this Assignment, Assignor unconditionally renounces and waives any and all rights it may have in and to the Mark in favor of Assignee and/or its licensees, successors, or assignees.
4. Further Actions by Assignor. Assignor further agrees that, on request and without further consideration, Assignor will communicate to Assignee, or its representatives, all facts known to it respecting the Mark and its trademark registration, testify in any legal proceedings, sign all lawful papers, assist in all trademark registrations and renewals, make all rightful oaths, and generally do everything possible to aid Assignee, its successors, assigns and nominees, to obtain and enforce proper trademark protection for the Mark in the United States and all foreign countries.
5. Modification. No modification or amendment may be made to this Assignment except in writing, signed by all Parties, and expressly purporting, to extend, amend, modify or terminate this Assignment.

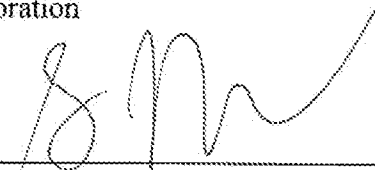

6. Entire Agreement. This Assignment is the entire agreement of the Parties with respect to the subject matter and replaces any and all prior agreements, whether written or oral, involving the Mark and registration therein.
7. Severability: Interpretation. In the event that it is determined by a court of competent jurisdiction that any provision of this Assignment (or part thereof) is invalid, illegal, or otherwise unenforceable, such provision will be enforced to the extent consistent with the intention of the Parties, with the remainder of the Assignment remaining in full force and effect. The headings in this Assignment are for convenience only and shall not be considered in the interpretation of this Assignment.
