TRADEMARK ASSIGNMENT AGREEMENT

THIS TRADEMARK ASSIGNMENT AGREEMENT (this “Assignment”), dated as of May 16, 2016, is entered into by and between Michael T. Causley, a resident of Florida (“Assignor”), and M. T. Causley, LLC, a Florida limited company (“Assignee”).

RECITALS

WHEREAS, Assignor is the owner of all right, title and interest in, to and under the trademark identified on the attached **Exhibit A**, together with all common law rights and the goodwill of the business associated therewith (the “Mark”), and has agreed to transfer to Assignee all right, title and interest in, to and under the Mark; and

WHEREAS, Assignee is desirous of acquiring all of Assignor’s right, title and interest in, to and under the Mark, together with the goodwill of the business associated therewith.

NOW, THEREFORE, for good and valuable consideration received by Assignor from Assignee, the receipt and sufficiency of which is hereby acknowledged, the parties agree as follows:

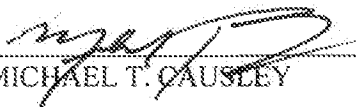

1. The above recitals are incorporated herein as if set forth in length below.
2. Assignor hereby irrevocably sells, transfers, assigns, conveys and delivers unto Assignee, its successors and assigns, without reservation of any right, title or interest, all right, title and interest in, to and under the Mark, any and all applications and registrations therefore, including, but not limited to, the applications and registrations identified on the attached **Exhibit A**, together with that part of the goodwill of the business associated with the use of and symbolized by the Mark, the same to be held and enjoyed by Assignee for its own use and enjoyment and the use and enjoyment of its successors, assigns and subsidiaries, as fully and entirely as the same would have been held and enjoyed by Assignor if this sale, transfer, assignment, conveyance and delivery had not been made, including, but not limited to, all common-law rights of Assignor in, to and under the Mark and Assignor’s right to sue for all claims, demands and causes of action, both at law and in equity for past, current or future claims, demands and causes of action, that Assignor may have on account of any infringement, claim of unfair competition, likelihood of confusion or dilution of the Mark or any other claim or cause of action related to any of the Mark prior to and following the effective date of this Assignment.
3. Assignor hereby authorizes the appropriate empowered officials at the United States Patent and Trademark Office and any foreign authority relating to any foreign Mark to transfer all registrations and pending applications for the Mark to Assignee as assignee of the entire right, title and interest therein or otherwise as Assignee may direct, in accordance with this Assignment.
4. Assignor further agrees, upon reasonable request and without further compensation and at his cost, that Assignor and his legal representatives and assigns will do all lawful acts, including, but not limited to, the execution of papers and the giving of testimony, that may be necessary or desirable for obtaining, sustaining, reissuing or enforcing said registrations in the United States and throughout the world for such Mark, and for perfecting, recording, or maintaining the title of Assignee, its successors and assigns, to such Mark and any registrations issued for such Mark. The assignment granted herein has been granted in accordance with the terms of that certain Securities Purchase Agreement, dated as of the date hereof, by and among Assignor and the other parties thereto, and is expressly subject to the terms thereof.

5. This Assignment may be executed in separate counterparts, each of which will be deemed an original, but all of which together will constitute one and the same instrument. Delivery of an executed signature page to this Assignment by facsimile or other electronic transmission (including documents in Adobe PDF format) will be effective as delivery of a manually executed counterpart to this Assignment.
