TRADEMARK ASSIGNMENT

This TRADEMARK ASSIGNMENT ("Assignment") is entered into as of January 7, 2016, by I Deaf News, Inc., a Texas corporation (the "Seller"), and CSDVRS, LLC, a Delaware limited liability company ("Buyer").

WHEREAS, Seller owns all right, title and interest in and to the trademark registrations, trademark applications for registration and internet domain names identified and set forth on Schedule A attached hereto, and all goodwill associated therewith (collectively, the "Marks");

WHEREAS, Seller and Buyer are parties to the Asset Purchase Agreement dated January 7, 2016 (the "Purchase Agreement"), pursuant to which Seller has agreed to sell, transfer, assign, convey and deliver to Buyer, and Buyer has agreed to purchase, acquire and take assignment and delivery of, substantially all of Seller's assets with respect to the Business (as defined in the Purchase Agreement), including, without limitation, the Marks;

WHEREAS, Buyer is the successor to that portion of the assets of the business of Seller to which the Marks pertain and such business is ongoing; and

WHEREAS, pursuant to the Purchase Agreement, Seller wishes to assign to Buyer, and Buyer wishes to acquire from Seller, all worldwide right, title and interest in and to the Marks and all goodwill associated with the Marks.

NOW, THEREFORE, for good and valuable consideration, the receipt, adequacy and sufficiency of which are hereby acknowledged, Seller hereby agrees:

1. Seller hereby irrevocably sells, transfers, assigns and conveys to Buyer, free and clear of all Liens (as defined in the Purchase Agreement), all of Seller's right, title and interest in, to and under the Marks, together with the goodwill of the business associated therewith, including, without limitation, any renewals and extensions of the registrations and all corresponding rights that are or may be secured under the laws of the United States, now or hereafter arising or in effect, for Buyer's own use and enjoyment, and for the use and enjoyment of Buyer's successors, assigns and other legal representatives, as fully and entirely as the same would have been held and enjoyed by Seller if this Assignment had not been made, together with all rights to collect royalties, products and proceeds in connection with any of the foregoing and all rights to sue for past, present or future infringement, misappropriation, unfair competition, dilution or other violation of the foregoing, and all rights to recover damages or lost profits in connection therewith, and all rights corresponding thereto throughout the world.
2. Seller hereby requests the Commissioner of Patents and Trademarks in the United States Patent and Trademark Office to record Buyer as the assignee and owner of the Marks and to deliver to Buyer, and to Buyer's attorneys, agents, successors or assigns, all official documents and communications as may be warranted by this Assignment.

3. Seller shall provide Buyer, its successors and assigns, and their legal representatives such information, documents and assistance as Buyer or any such other person or entity may reasonably request (including, without limitation, execution and delivery of any affidavits, declarations, oaths or other documents as may reasonably be required) in connection with: (1) the preparation of any application for registration or any application for renewal of any Mark; (2) the prosecution or defense of any infringement or other proceedings that may arise in connection with any of the Marks including, but not limited to, testifying as to any facts relating to the Marks assigned herein and this Assignment; (3) obtaining any additional protection for the Marks that Buyer reasonably may deem appropriate that may be secured under the laws now or hereafter in effect in the United States, foreign countries and multinational authorities; and (4) effectuating and implementing this Assignment.
4. Seller hereby represents, warrants and covenants that it has all rights necessary to enter into this Assignment, and it has not executed and will not execute any agreement in conflict with this Assignment.
5. This Assignment shall be governed by and construed in accordance with the laws of the State of Delaware.
6. This Assignment may be signed in counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.
