**TRADEMARK TRANSFER AGREEMENT**

This TRADEMARK TRANSFER AGREEMENT (this “**Agreement**”) is effective as of June 1, 2016 (the “**Effective Date**”) by and among The Dow Chemical Company, a Delaware corporation with its principal place of business at 2030 Dow Center Midland, MI 48674 (“**TDCC**”), and Transilwrap Company, Inc., an Illinois corporation with its principal place of business at 9201 Belmont Ave, Franklin Park, IL 60131 (“**ASSIGNEE**”).

**BACKGROUND**

WHEREAS, TDCC and ASSIGNEE entered into a Sale and Purchase Agreement dated as of March 18, 2016 (“**Purchase Agreement**”), whereby TDCC agreed to sell, assign, transfer and convey certain assets, including Trademarks (as defined below), to ASSIGNEE; and

WHEREAS, TDCC is selling, assigning, transferring and conveying certain assets to ASSIGNEE including, without limitation, all of TDCC’s right, title and interest in the trademarks, service marks and service names listed on the attached Schedule A (herein defined as “**TRADEMARKS**”) and ASSIGNEE is purchasing such assets.

**TERMS**

NOW THEREFORE, in consideration of the above premises and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and with the intent to be legally bound, the parties hereto hereby agree as follows:

Effective as of the Effective Date, and on the terms and subject to conditions of the Purchase Agreement, TDCC hereby irrevocably sells, assigns, transfers and conveys to ASSIGNEE all of its right, title and interest in and to all TRADEMARKS together with the goodwill of the business which they represent symbolized by the TRADEMARKS, including all associated trademark rights and service mark rights held by TDCC, together with all registrations and applications for registration of the TRADEMARKS, all claims, demands and rights to recovery that TDCC has or may have for past or future infringements, dilution or other violations of such TRADEMARKS, if any, and all rights to compromise, sue for, and collect on such claims, demands and rights to recovery, and all royalties, fees, income and other payments and proceeds accrued on or after the Effective Date arising from the TRADEMARKS, and to apply in any or all countries of the world for registration of the TRADEMARKS. TDCC represents and warrants that it has the full power and authority to enter into this Assignment in connection with the transfer to ASSIGNEE of any TRADEMARKS.

TDCC, on behalf of itself, its successors, assigns and legal representatives, hereby authorizes the U.S. Patent and Trademark Office and any official of any country or countries foreign to the United States whose duty it is to receive or register trademarks or applications therefor, to record ASSIGNEE, its successor or assign as the owner of the TRADEMARKS, and to issue all registrations for the foregoing, to be in the name of ASSIGNEE, for the sole use of ASSIGNEE, its successors, legal representatives, and assigns, in accordance with the terms of this Assignment. TDCC (on behalf of itself, its successors, assigns and legal representatives) and ASSIGNEE shall each promptly take, and shall cause their respective Affiliates (as defined in the Purchase Agreement) to take, any and all additional actions as may be necessary or

appropriate to effect the assignment transactions contemplated, including but not limited to execution and delivery of individual assignment documentation for filing with the authorities of each individual country. The responsibility to file assignments with the national trademark offices of each country shall be on the ASSIGNEE and the ASSIGNEE shall bear the cost of filing such assignments.

IN WITNESS THEREOF, the parties hereto have caused this Assignment to be executed as of the Effective Date.
