3. Purchase by the Corporation.

Class B Preferred Shares

3.1 Redemption of Class B Preferred Shares. Subject to the provisions of the Act, the Corporation may, upon giving notice or upon notice being waived as hereinafter provided, redeem the whole or any part of the Class B Preferred Shares on payment of the Class B Redemption Amount or Class B Adjusted Redemption Amount, as the case may be, for each such share to be redeemed, together with an amount equal to all dividends declared on each such share to be redeemed but unpaid (the Class B Redemption Amount or Class B Adjusted Redemption Amount, as the case may be, plus such declared and unpaid dividends are hereinafter called the "Class B Redemption Price"). In case a part only of the then outstanding Class B Preferred Shares is at any time to be redeemed, the shares so to be redeemed shall be selected in such manner as the Directors in their discretion shall decide and the Directors may make such adjustments as may be necessary to avoid the redemption of fractional parts of shares. The Corporation shall, at least ten (10) days before the date specified for redemption, send to each person who at the date of sending is a registered holder of Class B Preferred Shares to be redeemed a notice in writing of the intention of the Corporation to redeem such Class B Preferred Shares or, alternatively, notice may be waived or the time for sending of the notice may be waived at any time with the consent in writing of holders of such Class B Preferred Shares. Notice may be mailed in a prepaid envelope addressed to each such shareholder at its address as it appears on the records of the Corporation or its transfer agent or, alternatively, such notice may be delivered personally to such shareholder; provided, however, that accidental failure to give any such notice to one or more of such shareholders shall not affect the validity of the redemption. Such notice shall set out the Class B Redemption Price and the date of redemption. If notice of any such redemption be given by the Corporation or waived in the manner aforesaid and an amount sufficient to redeem the shares has been paid to the holder of Class B Preferred Shares to be redeemed or deposited with any trust company or chartered bank in Canada as specified in the notice on or before the date fixed for redemption, the holders thereof shall thereafter have no rights against the Corporation in respect thereof except, upon the surrender of certificates for such shares, to receive payment therefor.

3.2 Retraction of Class B Preferred Shares. The holders of Class B Preferred Shares shall be entitled to require the Corporation to purchase at any time and from time to time all or any of the Class B Preferred Shares registered in the name of such holder on the books of the Corporation by tendering to the Corporation at its head office a share certificate representing the Class B Preferred Shares that the registered holder desires to have the Corporation purchase together with a request in writing specifying: (i) that the registered holder desires to have some or all of the Class B Preferred Shares represented by such certificate purchased by the Corporation; and, (ii) the Business Day (in this paragraph referred to as the "purchase date") on which the holder desires to have the Corporation purchase such Class B Preferred Shares. Requests in writing shall specify a purchase date which shall be not less than ten (10) days after the day on which the request in writing is given to the Corporation, unless the Corporation consents in writing to an earlier purchase date. Such registered holder may, with the consent of the Corporation, revoke such request prior to the purchase date. Upon receipt of a share certificate representing the Class B Preferred Shares that the registered holder desires to have the Corporation purchase together with such a request, the Corporation shall on the purchase date, to the extent permitted by applicable law, purchase such Class B Preferred Shares by paying to such registered holder an amount equal to the aggregate Class B Redemption Price. The said Class B Preferred Shares shall be purchased on the purchase date and from and after the purchase date such shares shall cease to be entitled to dividends and the holders thereof shall not be entitled to exercise any of

the rights of holders of Class B Preferred Shares in respect thereof unless payment of the aggregate Class B Redemption Price is not made on the purchase date, in which event the rights of the holders of the said shares shall remain unaffected until payment of the aggregate Class B Redemption Price is made.

3.3 If at any time the Canada Revenue Agency or any other taxing authority asserts that any property or an aliquot portion thereof for which any such Class B Preferred Share was issued or any share of the Corporation which was changed into any such Class B Preferred Share had a fair market value at the time of such issuance or change of other than the Class B Redemption Amount, then the Board of Directors of the Corporation shall confer and may by resolution determine an adjusted Class B Redemption Amount for the Class B Preferred Shares. Upon such determination being confirmed by resolution of a majority of the holders of Class B Preferred Shares, the Class B Redemption Amount shall automatically be adjusted *nunc pro tunc* to be such adjusted Class B Redemption Amount (the "Class B Adjusted Redemption Amount") so determined and confirmed. If any Class B Preferred Share is redeemed under Section 3.1 or 3.2 prior to any such adjustment as described above resulting in the Class B Adjusted Redemption Amount of such Class B Preferred Share being in excess of the Class B Redemption Amount, the amount of such excess, together with interest thereon calculated from the date of redemption of such Class B Preferred Shares at a rate per annum which is equal to the prime rate from time to time charged by the Corporation's bank, in respect of each Class B Preferred Share so redeemed shall be a debt of the Corporation payable on demand to the former holder of each Class B Preferred Share so redeemed. If any Class B Preferred Share is redeemed under Section 3.1 or 3.2 prior to any such adjustment as described above resulting in the Class B Adjusted Redemption Amount of such Class B Preferred Share being less than the Class B Redemption Amount, the amount of such difference together with interest thereon calculated from the date of redemption at a rate per annum which is equal to the prime rate from time to time charged by the Corporation's bank, in respect of each Class B Preferred Share so redeemed shall be a debt of the former holder of each such share so redeemed payable on demand to the Corporation.

Class C Preferred Shares

3.4 Redemption of Class C Preferred Shares. Subject to the provisions of the Act, the Corporation may, upon giving notice or upon notice being waived as hereinafter provided, redeem the whole or any part of the Class C Preferred Shares on payment of the Class C Redemption Amount or Class C Adjusted Redemption Amount, as the case may be, for each such share to be redeemed, together with an amount equal to all dividends declared on each such share to be redeemed but unpaid (the Class C Redemption Amount or Class C Adjusted Redemption Amount, as the case may be, plus such declared and unpaid dividends are hereinafter called the "Class C Redemption Price"). In case a part only of the then outstanding Class C Preferred Shares is at any time to be redeemed, the shares so to be redeemed shall be selected by in such manner as the Directors in their discretion shall decide and the Directors may make such adjustments as may be necessary to avoid the redemption of fractional parts of shares. The Corporation shall, at least ten (10) days before the date specified for redemption, send to each person who at the date of sending is a registered holder of Class C Preferred Shares to be redeemed a notice in writing of the intention of the Corporation to redeem such Class C Preferred Shares, as the case may be or, alternatively, notice may be waived or the time for sending of the notice may be waived at any time with the consent in writing of holders of such

Class C Preferred Shares, as the case may be. Notice may be mailed in a prepaid envelope addressed to each such shareholder at its address as it appears on the records of the Corporation or its transfer agent or, alternatively, such notice may be delivered personally to such shareholder; provided, however, that accidental failure to give any such notice to one or more of such shareholders shall not affect the validity of the redemption. Such notice shall set out the Class C Redemption Price and the date of redemption. If notice of any such redemption be given by the Corporation or waived in the manner aforesaid and an amount sufficient to redeem the shares has been paid to the holder Class C Preferred Shares, as the case may be, to be redeemed or deposited with any trust company or chartered bank in Canada as specified in the notice on or before the date fixed for redemption, the holders thereof shall thereafter have no rights against the Corporation in respect thereof except, upon the surrender of certificates for such shares, to receive payment therefor.

3.5 Retraction of Class C Preferred Shares. The holders of Class C Preferred Shares shall be entitled to require the Corporation to purchase at any time and from time to time all or any of the Class C Preferred Shares registered in the name of such holder on the books of the Corporation by tendering to the Corporation at its head office a share certificate representing the Class C Preferred Shares that the registered holder desires to have some or all of the Corporation purchase together with a request in writing specifying: (i) that the registered holder desires to have the Class C Preferred Shares, as the case may be, represented by such certificate redeemed by the Corporation; and, (ii) the Business Day (in this paragraph referred to as the "purchase date") on which the holder desires to have the Corporation purchase such Class C Preferred Shares, as the case may be. Requests in writing shall specify a purchase date which shall be not less than ten (10) days after the day on which the request in writing is given to the Corporation, unless the Corporation consents in writing to an earlier purchase date. Such registered holder may, with the consent of the Corporation, revoke such request prior to the purchase date. Upon receipt of a share certificate representing the Class C Preferred Shares, as the case may be, that the registered holder desires to have the Corporation purchase together with such a request, the Corporation shall on the purchase date, to the extent permitted by applicable law, purchase such Class C Preferred Shares, as the case may be, by paying to such registered holder an amount equal to the aggregate Class C Redemption Price. The said Class C Preferred Shares, as the case may be, shall be purchased on the purchase date and from and after the purchase date such shares shall cease to be entitled to dividends and the holders thereof shall not be entitled to exercise any of the rights of holders of Class C Preferred Shares, as the case may be, in respect thereof unless payment of the aggregate Class C Redemption Price is not made on the purchase date, in which event the rights of the holders of the said shares shall remain unaffected until payment of the aggregate Class C Redemption Price is made.

3.6 If at any time the Canada Revenue Agency or any other taxing authority asserts that any property or an aliquot portion thereof for which any such Class C Preferred Share was issued or any share of the Corporation which was changed into any such Class C Preferred Share had a fair market value at the time of such issuance or change of other than the Class C Redemption Amount, then the Board of Directors of the Corporation shall confer and may by resolution determine an adjusted Class C Redemption Amount for the Class C Preferred Shares. Upon such determination being confirmed by resolution of a majority of the holders of Class C Preferred Shares, the Class C Redemption Amount shall automatically be adjusted *nunc pro tunc* to be such adjusted Class C Redemption Amount (the "Class C Adjusted Redemption Amount") so

determined and confirmed. If any Class C Preferred Share is redeemed under Section 3.4 or 3.5 prior to any such adjustment as described above resulting in the Class C Adjusted Redemption Amount of such Class C Preferred Share being in excess of the Class C Redemption Amount, the amount of such excess, together with interest thereon calculated from the date of redemption of such Class C Preferred Shares at a rate per annum which is equal to the prime rate from time to time charged by the Corporation's bank, in respect of each Class C Preferred Share so redeemed shall be a debt of the Corporation payable on demand to the former holder of each Class C Preferred Share so redeemed. If any Class C Preferred Share is redeemed under Section 3.4 or 3.5 prior to any such adjustment as described above resulting in the Class C Adjusted Redemption Amount of such Class C Preferred Share being less than the Class C Redemption Amount, the amount of such difference together with interest thereon calculated from the date of redemption at a rate per annum which is equal to the prime rate from time to time charged by the Corporation's bank, in respect of each Class C Preferred Share so redeemed shall be a debt of the former holder of each such Class C Preferred Share so redeemed payable on demand to the Corporation.

Subject to the provisions of the Act, the Corporation may, upon giving notice or upon notice being waived as hereinafter provided, redeem the whole or any part of the Class D Preferred Shares on payment of the Class D Redemption Amount or Class D Adjusted Redemption Amount, as the case may be, for each such share to be redeemed, together with an amount equal to all dividends declared on each such share to be redeemed but unpaid (the Class D Redemption Amount or Class D Adjusted Redemption Amount, as the case may be, plus such declared and unpaid dividends are hereinafter called the "Class D Redemption Price"). In case a part only of the then outstanding Class D Preferred Shares is at any time to be redeemed, the shares so to be redeemed shall be selected in such manner as the Directors in their discretion shall decide and the Directors may make such adjustments as may be necessary to avoid the redemption of fractional parts of shares. The Corporation shall, at least ten (10) days before the date specified for redemption, send to each person who at the date of sending is a registered holder of Class D Preferred Shares to be redeemed a notice in writing of the intention of the Corporation to redeem such Class D Preferred Shares or, alternatively, notice may be waived or the time for sending of the notice may be waived at any time with the consent in writing of holders of such Class D Preferred Shares. Notice may be mailed in a prepaid envelope addressed to each such shareholder at its address as it appears on the records of the Corporation or its transfer agent or, alternatively, such notice may be delivered personally to such shareholder; provided, however, that accidental failure to give any such notice to one or more of such shareholders shall not affect the validity of the redemption. Such notice shall set out the Class D Redemption Price and the date of redemption. If notice of any such redemption be given by the Corporation or waived in the manner aforesaid and an amount sufficient to redeem the shares has been paid to the holder of Class D Preferred Shares to be redeemed or deposited with any trust company or chartered bank in Canada as specified in the notice on or before the date fixed for redemption, the holders thereof shall thereafter have no rights against the Corporation in respect thereof except, upon the surrender of certificates for such shares, to receive payment therefor.

The holders of Class D Preferred Shares shall be entitled to require the Corporation to purchase at any time and from time to time all or any of the Class D Preferred Shares registered in the name of such holder on the books of the Corporation by tendering to the Corporation at its head office a share certificate representing the Class D Preferred Shares that the registered holder desires to have the Corporation purchase together with a request in writing specifying: (i) that the registered holder desires to have some or all of the Class D Preferred Shares represented by such certificate purchased by the Corporation; and, (ii) the Business Day (in this paragraph referred to as the "purchase date") on which the holder desires to have the Corporation purchase such Class D Preferred Shares. Requests in writing shall specify a purchase date which shall be not less than ten (10) days after the day on which the request in writing is given to the Corporation, unless the Corporation consents in writing to an earlier purchase date. Such registered holder may, with the consent of the Corporation, revoke such request prior to the purchase date. Upon receipt of a share certificate representing the Class D Preferred Shares that the registered holder desires to have the Corporation purchase together with such a request, the Corporation shall on the purchase date, to the extent permitted by applicable law, purchase such Class D Preferred Shares by paying to such registered holder an amount equal to the aggregate Class D Redemption Price. The said Class D Preferred Shares shall be purchased on the purchase date and from and after the purchase date such shares shall cease to be entitled to dividends and the holders thereof shall not be entitled to exercise any of the rights of holders of Class D Preferred Shares in respect thereof unless payment of the aggregate Class D Redemption Price is not made on the purchase date, in which event the rights of the holders of the said shares shall remain unaffected until payment of the aggregate Class D Redemption Price is made.

3.9 If at any time the Canada Revenue Agency or any other taxing authority asserts that any property or an aliquot portion thereof for which any such Class D Preferred Share was issued or any share of the Corporation which was changed into any such Class D Preferred Share had a fair market value at the time of such issuance or change of other than the Class D Redemption Amount, then the Board of Directors of the Corporation shall confer and may by resolution determine an adjusted Class D Redemption Amount for the Class D Preferred Shares. Upon such determination being confirmed by resolution of a majority of the holders of Class D Preferred Shares, the Class D Redemption Amount shall automatically be adjusted *nunc pro tunc* to be such adjusted Class D Redemption Amount (the "Class D Adjusted Redemption Amount") so determined and confirmed. If any Class D Preferred Share is redeemed under Section 3.7 or 3.8 prior to any such adjustment as described above resulting in the Class D Adjusted Redemption Amount of such Class D Preferred Share being in excess of the Class D Redemption Amount, the amount of such excess, together with interest thereon calculated from the date of redemption of such Class D Preferred Shares at a rate per annum which is equal to the prime rate from time to time charged by the Corporation's bank, in respect of each Class D Preferred Share so redeemed shall be a debt of the Corporation payable on demand to the former holder of each Class D Preferred Share so redeemed. If any Class D Preferred Share is redeemed under Section 3.7 or 3.8 prior to any such adjustment as described above resulting in the Class D Adjusted Redemption Amount of such Class D Preferred Share being less than the Class D Redemption Amount, the amount of such difference together with interest thereon calculated from the date of redemption at a rate per annum which is equal to the prime rate from time to time charged by the Corporation's bank, in respect of each Class D Preferred Share so redeemed
