## TRADEMARK SECURITY AGREEMENT

This TRADEMARK SECURITY AGREEMENT (as amended, amended and restated, supplemented or otherwise modified from time to time, this “Trademark Security Agreement”) dated June 1, 2016, is made by the Persons listed on the signature pages hereof (collectively, the “Grantors”) in favor of Wells Fargo Bank, National Association, as collateral agent (in such capacity, including any successors thereto, the “Agent”) for the Secured Parties (as defined in the Credit Agreement referred to below).

Reference is made to (i) the Second Amended and Restated Credit Agreement, dated as of June 1, 2016, (as amended, restated, amended and restated, supplemented and/or otherwise modified from time to time, the “Credit Agreement”), by and among Lucky Brand Dungarees, LLC, a Delaware limited liability company (the “Borrower”), LBD INTERMEDIATE HOLDINGS, LLC, a Delaware limited liability company (“Holdings”), the Lenders and Issuers party thereto from time to time, Wells Fargo Bank, National Association, as Agent, (ii) each Secured Hedge Agreement, and (iii) each agreement relating to Cash Management Services. The Lenders have agreed to extend credit to the Borrower subject to the terms and conditions set forth in the Credit Agreement, the Issuers have agreed to issue Letters of Credit for the account of the Borrower or a Restricted Subsidiary on the terms and conditions set forth in the Credit Agreement, the Hedge Banks have agreed to enter into and/or maintain one or more Secured Hedge Agreements and the Cash Management Banks have agreed to enter into and/or maintain Cash Management Services, on the terms and conditions set forth in the Credit Agreement, in such Secured Hedge Agreements or agreements relating to Cash Management Services, as applicable.

Whereas, as a condition precedent to the Lenders extension of such credit, the obligation of the Hedge Banks to enter into and/or maintain such Secured Hedge Agreements and the obligation of the Cash Management Banks to enter into and/or maintain such Cash Management Services, each Grantor has executed and delivered that certain Amended and Restated Security Agreement dated March 4, 2015, made by the Grantors to the Agent (as amended, amended and restated, supplemented or otherwise modified from time to time, the “Security Agreement”).

Whereas, under the terms of the Security Agreement, the Grantors have granted to the Agent, for the benefit of the Secured Parties, a security interest in, among other property, certain intellectual property of the Grantors, and have agreed as a condition thereof to execute this Trademark Security Agreement for recording with the United States Patent and Trademark Office.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor agrees as follows:

SECTION 1. Terms. Terms defined in the Credit Agreement and Security Agreement and not otherwise defined herein are used herein as defined in the Credit Agreement and Security Agreement.

SECTION 2. Grant of Security. Each Grantor hereby grants to the Agent, its successors and assigns, for the benefit of the Secured Parties, a security interest in all of such Grantor’s right, title and interest in, to or under all of the following (collectively, the “Trademarks”), (a) all trademarks, service marks, trade names, corporate names, company names, business names, fictitious business names, trade styles, trade dress, logos, other source or business identifiers, designs and general intangibles of like nature, the goodwill of the business symbolized thereby or associated therewith, all registrations and recordings thereof, and all registration and recording applications filed in connection therewith, including registrations and registration applications in the United States Patent and Trademark Office or any similar offices in any State of the United States or any other country or any political subdivision thereof, and all extensions or renewals thereof, including those Trademarks set forth on Schedule A attached hereto, (b)

all rights and privileges arising under applicable Law with respect to any of the foregoing, (c) all extensions and/or renewals thereof and amendments thereto, (d) all income, fees, royalties, damages and payments now and hereafter due and/or payable with respect to any of the foregoing, including damages, claims and payments for past, present or future infringements, dilutions or other violations of any of the foregoing, (e) all rights corresponding thereto throughout the world and (f) all claims for, and rights to sue for, past, present and future infringements or dilutions thereof or other injuries thereto.

Notwithstanding the foregoing, in no event shall any security interest be granted in any "intent-to-use" application for registration of a Trademark filed pursuant to Section 1(b) of the Lanham Act, 15 U.S.C. § 1051, prior to the filing of a "Statement of Use" pursuant to Section 1(d) of the Lanham Act or an "Amendment to Allege Use" pursuant to Section 1(c) of the Lanham Act with respect thereto, to the extent that, and during the period, if any, in which, the grant of a security interest therein would impair the validity or enforceability of any registration that issues from such intent-to-use application under applicable federal law (it being understood that after such period such intent-to-use application shall be automatically subject to the security interest granted herein).

SECTION 3. Security for Obligations. The grant of a security interest in the Trademarks by each Grantor under this Trademark Security Agreement is made to secure the payment or performance, as the case may be, in full of the Secured Obligations.

SECTION 4. Recordation. Each Grantor authorizes and requests that the Commissioner for Trademarks record this Trademark Security Agreement.

SECTION 5. Execution in Counterparts. This Trademark Security Agreement may be executed in any number of counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Delivery of an executed signature page to this Trademark Security Agreement by facsimile or electronic (including .pdf file) transmission shall be as effective as delivery of a manually signed counterpart of this Trademark Security Agreement.

SECTION 6. Security Agreement. This Trademark Security Agreement has been entered into in conjunction with the provisions of the Security Agreement. Each Grantor does hereby acknowledge and confirm that the grant of the security interest hereunder to, and the rights and remedies of, the Agent with respect to the Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated herein by reference as if fully set forth herein. In the event that any provision of this Trademark Security Agreement is deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall control.

SECTION 7. Governing Law. THIS TRADEMARK SECURITY AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK WITHOUT GIVING EFFECT TO THE CONFLICTS OF LAWS PRINCIPLES THEREOF (OTHER THAN ANY MANDATORY PROVISIONS OF LAW RELATING TO THE LAW GOVERNING PERFECTION AND THE EFFECT OF PERFECTION OF THE SECURITY INTEREST), BUT INCLUDING SECTION 5-1401 OF THE NEW YORK GENERAL OBLIGATIONS LAW.

[Remainder of this page intentionally left blank]

IN WITNESS WHEREOF, the undersigned have executed this Trademark Security Agreement as of the date first above written.
