TRADEMARK ASSIGNMENT AGREEMENT

THIS TRADEMARK ASSIGNMENT AGREEMENT (this "Agreement"), dated as of April 1, 2016, by and among American Fruits and Flavors, a California corporation (f/k/a California Flavor Labs, Inc. and d/b/a American Fruit Processors) (the "Company"), Fred G. Farago ("Farago") (the Company and Farago, each an "Assignor" and, collectively, the "Assignors"), and American Fruits and Flavors, LLC, a Delaware limited liability company ("Buyer Affiliate"), with reference to that certain Asset Purchase Agreement, dated February 22, 2016 (the "Purchase Agreement"), by and among the Company, Monster Beverage Corporation, a Delaware corporation ("Buyer") and certain other parties thereto.

WHEREAS, the Company agreed to sell to Buyer or one or more of its affiliates, or cause to be sold to Buyer or one or more of its affiliates, among other things, all trademarks that are Company Intellectual Property, as defined in the Purchase Agreement, including those trademarks identified in Schedule A attached herein (the "Assigned Trademarks"); and

WHEREAS, the parties accordingly wish to execute this recordable instrument, assigning all of each Assignor's right, title and interest in and to the Assigned Trademarks to Buyer Affiliate.

NOW, THEREFORE, for valuable consideration set forth in the Purchase Agreement, the receipt and sufficiency of which are hereby acknowledged, the Assignors and Buyer Affiliate agree as follows:

1. Each Assignor hereby sells, assigns and transfers to Buyer Affiliate, and its lawful successors and assigns, the Assignor's entire right, title, and interest throughout the world in and to the Assigned Trademarks, including, without limitation, any and all registrations, applications, and/or common law rights for the Assigned Trademarks, together with all of the goodwill of each Assignor and the Company's business symbolized by or associated with the Assigned Trademarks, and any and all income, royalties, damages, and payments now or hereafter due and/or payable with respect thereto, with the right to bring actions and recover damages for any past, present, or future infringement or other violation thereof.
2. Each Assignor hereby authorizes and requests the Commissioner of Patents and Trademarks of the United States and any other applicable governmental entity or registrar (including any applicable foreign or international office or registrar), to record Buyer Affiliate as the owner of the Assigned Trademarks, and to issue any and all Assigned Trademarks to Buyer Affiliate, its successors and assigns, in accordance with the terms of this Agreement, as assignee of each Assignor's entire right, title and interest in, to, and under the same. Buyer Affiliate shall have the right to record this Trademark Assignment with all applicable government authorities and registrars so as to perfect its ownership of the Assigned Trademarks.
3. Each Assignor will, at the reasonable request and sole expense of Buyer Affiliate, do all things reasonably necessary, proper, or advisable, including without limitation the execution, acknowledgment, and recordation of specific assignments, oaths, declarations, and other documents on a jurisdiction-by-jurisdiction basis, to assist Buyer Affiliate in

obtaining, perfecting, sustaining, or enforcing the Assigned Trademarks. If Buyer Affiliate is unable for any reason, after reasonable effort, to secure an Assignor's signature on any document in connection with the actions specified above, each Assignor hereby irrevocably designates and appoints Buyer Affiliate and its duly authorized officers and agents as its agent and attorney in fact, which appointment is coupled with an interest, to act for and on its behalf to execute, verify and file any such documents and to do all other lawfully permitted acts to further the purposes of this paragraph with the same legal force and effect as if executed by the Assignor.

4. Each party agrees that governing law, venue and all legal proceedings concerning the construction, validity, enforcement and interpretation of this Agreement (whether brought against a party to this Agreement or its respective affiliates, directors, officers, stockholders, employees or agents) will be determined in accordance with and subject to Section 10.7 of the Purchase Agreement. This Agreement is executed and delivered in connection with the Purchase Agreement, and is subject to every agreement, representation, warranty, indemnity, covenant and provision contained in the Purchase Agreement. In the event of any ambiguity, conflict or inconsistency between the terms of this Agreement and the terms of the Purchase Agreement, the terms of the Purchase Agreement, as applicable, will govern and control. This Agreement may not be supplemented, altered, or modified in any manner except by a writing signed by all parties hereto. The failure of any party to enforce any terms or provisions of this Agreement shall not waive any of its rights under such terms or provisions. This Agreement shall bind and inure to the benefit of the respective parties and their respective assigns, transferees and successors.
5. This Agreement may be executed in counterparts, each of which, including those received via facsimile transmission or email (including in PDF format), shall be deemed an original, and all of which shall constitute one and the same Agreement.
