INTELLECTUAL PROPERTY ASSIGNMENT AGREEMENT

This INTELLECTUAL PROPERTY ASSIGNMENT AGREEMENT ("Agreement") is entered into as of July 11, 2015 (the "Effective Date"), by and among NOKIA NETWORKS US SON LLC ("Assignor") and NOKIA SOLUTIONS AND NETWORKS OY, a corporation organized under the laws of Finland, registered office address at Karaportti 3, 02610 Espoo, Finland ("the Assignee") (each a "Party" and together, the "Parties").

WHEREAS,

- A. As of July 10, 2015 (the "Closing Date") Nokia Networks US SON, LLC, a Washington limited liability company, was merged with and into Eden Rock Communications, LLC (formerly known as Eden Rock Wireless, LLC) ("Company"), with Company continuing as the surviving entity in the merger as a wholly owned subsidiary of Nokia Solutions and Networks US LLC under the name "Nokia Networks US SON LLC".
- B. Pursuant to a Research and Development Agreement between Assignor and Assignee effective as of July 11, 2015 (the "R&D Agreement") (a) Assignor performs ongoing development work for Assignee and assigns to Assignee the Results, Documentation and Deliverables from such development work, and (b) Assignor grants Assignee license rights to certain background intellectual property held by Assignor;
- C. The Parties wish to leave the R&D Agreement in place but provide that Assignor's background intellectual property will be transferred to Assignee;
- D. Assignor is willing to assign to Assignee all rights, title, and interest in and to all such background intellectual property, as well as any other intellectual property rights of Assignor as of the Closing Date.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Assignor and the Assignee agree as follows:

1. **Assignment.**
 - (a) The Assignor hereby sells, assigns, transfers, conveys, and delivers to the Assignee its entire right, title, and interest in and to the Assigned Intellectual Property, including without limitation the assets set forth on Schedule 1 (the "Assignment"). "Assigned Intellectual Property" means any and all intellectual property which, as of the Effective Date, Assignor owns (in whole or in part) or has the right to license, including without limitation any or all of the following throughout the world, whether registered or unregistered, as applicable: (i) all classes or types of patents and patent applications, including utility models, provisional applications, design patents, registered and unregistered industrial designs and all other similar protection of inventions as recognized by applicable law, for the aforementioned, in all countries of the world and all related continuations, continuing prosecution applications,

continuations-in-part, divisions, divisionals, extensions, substitutions, renewals, confirmations, reissues, re-registrations and all results of oppositions, reexaminations, supplemental examinations and other review procedures for any of the foregoing; (ii) ideas, information, inventions (whether or not patentable), documentation, invention disclosures, information maintained as trade secrets, know-how, concepts, processes, formulae, patterns, molds, tooling, engineering data, cost data, compilations of information, reports, data, databases and data collections, algorithms, methods of manufacture, methods of use, business methods, process flow sheets, customer lists, mailing lists, plans and reports, or other similar data and information; (iii) copyrights under any applicable copyright law, whether registered or unregistered; (iv) computer software programs and software systems in object code, source code or any language, including software compilations, software implementations of algorithms, software tool sets, compilers, and software models and methodologies, regardless of the stage of development, and all media on which any of the foregoing are recorded and all related documentation; (v) trademarks, service marks, logos, trade dress and trade names, and Web addresses and domain names, whether registered or unregistered, and all registrations and pending applications to register the foregoing worldwide, as well as all goodwill associated with the foregoing; and (vi) any similar corresponding or equivalent intellectual property rights to any one of the foregoing.

- (b) To the extent that, if any, that any of the Assigned Intellectual Property is not assignable or Assignor retains any right, title or interest therein or thereto, Assignor hereby grants and agrees to grant to Assignee a perpetual, irrevocable, fully paid-up, royalty-free, transferable, sublicensable (through multiple levels of sublicensees), exclusive, worldwide right and license to use, reproduce, distribute, display and perform (whether publicly or otherwise), prepare derivative works of, modify, make, sell, offer to sell, import and otherwise exploit such the relevant Assigned Intellectual Property and any rights therein or thereto, in any form or media now known or later developed. Assignor further waives any rights of authorship, attribution, paternity, integrity, disclosure, withdrawal or any other rights known as "moral rights" in the Assigned Intellectual Property which Assignor may have under any applicable law under any legal theory.
- (c) The entire interest assigned herein is to be held and enjoyed by the Assignee and by its successors, assigns, and legal representatives as fully and entirely as the same would have been held by the Assignor had this Assignment not been made.
- (d) In furtherance of this Assignment, the Assignor hereby acknowledges that, from this date forward, the Assignee has succeeded to all right, title, and standing of the Assignor to (a) receive all rights and benefits pertaining to the Assigned Intellectual Property, (b) institute and prosecute all suits and proceedings and take all actions that the Assignee, in its sole discretion, may deem necessary or proper to collect, assert, or enforce any claim, right, or title of any kind in and to any and all of the Assigned Intellectual Property, including the right to recover for damages, royalties or settlements for past, present and/or future infringements, and all rights to seek and obtain injunctive or other equitable relief, and (c)

defend and compromise any and all such actions, suits, or proceedings relating to such Assigned Intellectual Property and do all other such acts and things in relation thereto as the Assignee, in its sole discretion, deems advisable.

2. **Delivery.** On the Effective Date, or such later date as mutually agreed between the Parties, Assignor shall deliver to Assignee all documents and technical information relating to the Assigned Intellectual Property.

3. **Payment.** The Parties agree, as of the Effective Date, that the purchase price payable by Assignee to Assignor in consideration for the Assignment shall be _____ (the "Purchase Price"). Assignee shall pay the Purchase Price to Assignor within ninety (90) days of receipt of Assignor's invoice for same.

4. **Further Assurances.** Each Party hereby agrees that it will, at any time and from time to time after the date hereof, and without further consideration, take all such further actions, and execute and deliver all such further instruments or documents (including, without limitation, any documents required to register or otherwise perfect the Assignment), as may be reasonably requested by the other Party to effectuate the purposes of this Agreement and/or give effect to the rights of the Parties hereunder. Assignee shall be responsible for all registration-related costs and expenses.

5. **Representations and Warranties.** Assignor represents and warrants to Assignee that, to the best of Assignor's knowledge, as of the Effective Date:

- (a) Assignor is the owner of all rights, title and interest in and has the unrestricted right to freely dispose of the Assigned Intellectual Property; and
- (b) All application and renewal fees, costs, charges, taxes and other steps required for the maintenance or protection of any patents included in the Assigned Intellectual Property incurred prior to the Effective Date have been duly and timely paid.

6. **Governing Law.** This Agreement, its subject matter, and all other agreements regarding its performance, shall be governed by and construed in accordance with the substantive laws of Finland, with the exclusion of the Vienna Convention on the International Sale of Goods and without regard to the conflict of law rules of Finland.

7. **Dispute Resolution.** If any difference, dispute or claim arises out of or in connection with this Agreement (the "Dispute"), the Parties shall attempt to settle such Dispute amicably. If the Parties shall have, acting in good faith, failed to resolve the Dispute within twenty (20) business days after one Party has notified the other Party in writing, the Dispute shall be finally settled by arbitration in accordance with the Rules of the Arbitration Institute of the Finland Chamber of Commerce. The place of arbitration shall be Helsinki, Finland. The language of the arbitration shall be English. The arbitrator shall be appointed by the Arbitration Institute of the Finland Chamber of Commerce and the rules of

the said institute are to be followed in the arbitration. The award shall be final and binding and enforceable in any court of competent jurisdiction.

8. General Provisions.

- (a) If any provision of this Agreement is declared or found to be illegal, unenforceable, or void, the Parties shall negotiate in good faith to agree upon a substitute provision that is legal and enforceable and is as nearly as possible consistent with the intentions underlying the original provision. If the remainder of this Agreement is not materially affected by such declaration or finding and is capable of substantial performance, then the remainder shall be enforced to the extent permitted by law.
- (b) This Assignment will inure to the benefit of, and be binding upon, the parties hereto together with their respective legal representatives, successors, and assigns.
- (c) The Parties may execute this Agreement in counterparts, each of which constitutes an original as against the Party that signed it, and which together constitute one agreement. This Agreement is effective upon delivery of one executed counterpart from each Party to the other Party. The signatures of both Parties need not appear on the same counterpart. The delivery of signed counterparts by facsimile or email transmission which includes a copy of the sending Party's signature(s) is as effective as signing and delivering the counterpart in person.

IN WITNESS WHEREOF this Agreement has been duly signed and executed by the Parties as of the date written above.
