WHEREAS, the Assignors hold the entire right, title, and interest in all trademarks, trademark applications, and trademark registrations listed on the attached Trademark Schedule (collectively, the “Marks”);

WHEREAS, the Assignors and Assignee have entered into a separate agreement pursuant to which the Assignors, along with others, agreed to sell to Assignee, and Assignee agreed to purchase from the Assignors, the Assignors’ entire right, title, and interest in all the Marks (the “Separate Agreement”); and

1. The Assignors hereby assign, transfer and set over to Assignee, its successors and assigns, and Assignee hereby accepts, the Assignors’ entire right, title and interest, whether statutory or at common law, in and to the Marks, together with the goodwill of the business identified through the use of and symbolized by the Marks, in the United States of America and throughout the world, including the entire right, title, and interest in and to all claims for damages by reason of past infringement of the Marks, together with the right to sue for, collect, and retain the proceeds relating to any such infringement, and in and to all legal equivalents of the Marks in foreign countries to the extent any such rights exist in foreign countries.
2. The Assignors hereby agree, without further consideration and without expense to Assignee, to sign all lawful papers and to perform all other lawful acts which Assignee may reasonably request to make this assignment of the Marks fully effective.
3. Except as provided for in Section 2 hereof, nothing in this Trademark Assignment shall alter any liability or obligation of the Assignors or Assignee arising under the Separate Agreement, which shall govern the representations, warranties and obligations of the parties with respect to the Marks.
