TRADEMARK SECURITY AGREEMENT

WHEREAS, Fox Thermal Instruments, Inc., a California corporation (herein referred to as "Grantor"), owns the Trademarks listed on Schedule 1 annexed hereto and is a party to the Trademark Licenses listed on Schedule 1 annexed hereto;

WHEREAS, reference is made to that certain Amended and Restated Credit Agreement dated as of April 21, 2015 (as amended, restated, supplemented or modified from time to time, the "Credit Agreement") among Onicon Incorporated, a Florida corporation, the financial institutions from time to time party thereto (together with their respective successors and assigns, "Lenders") and Babson Capital Finance LLC, as administrative agent for the Lenders (the "Administrative Agent"); and

WHEREAS, pursuant to the terms of the Amended and Restated Guaranty and Security Agreement dated as of April 21, 2015 (as amended, restated, supplemented or modified from time to time, the "Collateral Agreement") among the Grantor, the other grantors party thereto and Babson Capital Finance LLC, as agent for the Lenders (in such capacity, together with its successors in such capacity pursuant to the terms of such Collateral Agreement, "Grantee"), Grantor has granted to Grantee for the ratable benefit of the Lenders a security interest in substantially all the assets of Grantor, including all right, title and interest of Grantor in, to and under the Trademark Collateral (as defined below), whether now owned or existing or hereafter acquired or arising, to secure the Secured Obligations (as defined in the Collateral Agreement) of Grantor.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantor does hereby grant to Grantee, to secure the Secured Obligations, a continuing security interest in all of Grantor's right, title and interest in, to and under the following (all of the following items or types of property being herein collectively referred to as the "Trademark Collateral"), whether presently existing or hereafter arising or acquired:

(i) each Trademark (as defined in the Collateral Agreement) owned by Grantor, including, without limitation, each Trademark and Trademark application referred to in Schedule 1 hereto, but excluding any intent-to-use United States trademark applications or servicemark applications for which an amendment to alleged use or statement of use has not been filed under 15 U.S.C. §1051(c) or 15 U.S.C. §1051(d), respectively, or, if filed, has not been deemed in conformance with 15 U.S.C. §1051(a) or examined and accepted by the United States Patent and Trademark Office;

(ii) each Trademark License (as defined in the Collateral Agreement) to which Grantor is a party, including, without limitation, each Trademark License identified in Schedule 1 hereto; and

(iii) all proceeds of and revenues from the foregoing, including, without limitation, all proceeds of and revenues from any claim by Grantor against third parties for past, present or future infringement of any Trademark, including, without limitation, any Trademark referred to in Schedule 1 hereto, and all rights and benefits of Grantor under any Trademark License, including, without limitation, any Trademark License identified in Schedule 1 hereto.

Grantor hereby irrevocably constitutes and appoints Grantee and any officer or agent thereof, with full power of substitution, as its true and lawful attorney-in-fact with full power and authority in the name of Grantor or in its name, from time to time, in Grantee's discretion, so long as any Event of Default (as defined in the Credit Agreement) shall have occurred and be continuing, to take with respect to the Trademark Collateral any and all appropriate action which Grantor might take with respect to the Trademark Collateral and to execute any and all documents and instruments which may be necessary or desirable to carry out the terms and accomplish the purposes of the Collateral Agreement (subject to the terms and provisions thereof).

Except to the extent not prohibited in the Collateral Agreement or the Credit Agreement, Grantor agrees not to sell, license, exchange, assign or otherwise transfer or dispose of, grant any rights with respect to or mortgage or otherwise encumber any of the foregoing Trademark Collateral.

The foregoing security interest is granted in conjunction with the security interests granted to Grantee pursuant to the Collateral Agreement. Grantor does hereby further acknowledge and affirm that the rights and remedies of Grantee with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Collateral Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

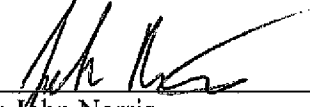

This Trademark Security Agreement shall be governed by the laws of the State of New York.

[Remainder of Page Intentionally Blank]

IN WITNESS WHEREOF, Grantor has caused this Trademark Security Agreement to be duly executed by its officer thereunto duly authorized as of the 10th day of June, 2016.
