ASSIGNMENT OF TRADEMARKS

THIS ASSIGNMENT OF TRADEMARKS is made as of this 15th day of January, 2016, by Cleantech Group Inc., a Delaware corporation (the "Assignor"), to CTG:I LLC, a Delaware limited liability company (the "Assignee").

WHEREAS, Assignor, Assignee, and Enovation Partners LLC have entered into that certain Asset Purchase Agreement dated as of January 15, 2016 pursuant to the terms and conditions of which, (i) Assignor shall sell, transfer, assign and deliver to Assignee, and Assignee shall purchase and acquire from Assignor, all of Assignor's right, title and interest in and to all of the Purchased Assets (as defined therein); and

WHEREAS, Assignor is the owner of certain registered and unregistered unexpired domestic and foreign trademarks, trademark registrations, trademark applications, trade names, brand names, logos (whether or not registered), including artwork and typeface, certification marks and service marks, and all state trademark registrations and applications therefor, including any extension, modification or renewal of any such registrations or applications and all common law rights in such trademarks, and any right (whether obtained by license or otherwise) to use or exploit any of the foregoing, in each case including any goodwill associated therewith, including, but not limited to, the foregoing listed on Schedule A attached hereto and incorporated herein by this reference, together with any product trade dress (collectively, the "Marks"); and

WHEREAS, Assignor wishes to transfer and assign to Assignee, and Assignee desires to accept the transfer and assignment of, any and all rights that Assignor may have in and to the Marks, together with the goodwill of the business in connection with which the Marks are used,

NOW, THEREFORE, in consideration of the foregoing and of other good and valuable consideration, the receipt, adequacy and legal sufficiency of which are hereby acknowledged, Assignor does hereby transfer and assign to Assignee, and Assignee hereby accepts the transfer and assignment of, all of Assignor's worldwide right, title and interest in and to all of the Marks, together with the goodwill of the business in connection with which the Marks are used, all rights to sue for infringement of any Mark, whether arising prior to or subsequent to the date of this Assignment of Trademarks, and any and all renewals and extensions thereof that may hereafter be secured under the laws now or hereafter in effect in the United States, Canada and in any other jurisdiction, the same to be held and enjoyed by Assignee, its successors and assigns from and after the date hereof as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment of Trademarks had not been made.

Except to the extent that federal law preempts state law with respect to the matters covered hereby, this Assignment of Trademarks shall be governed by, and construed and enforced in accordance with, the substantive laws of the State of Delaware without giving effect to any choice or conflict of law provision or rule (whether of the State of Delaware or any other jurisdiction) that would cause the application of the laws of any jurisdiction other than the State of Delaware.
