INTELLECTUAL PROPERTY ASSIGNMENT

WHEREAS, WiMo Labs LLC, a Delaware limited liability company having a place of business at 939 West Lake Street, Chicago, IL 60607 (the "Assignor") owns rights in certain Intellectual Property (as such term is defined herein);

WHEREAS, Scott Wilson Design, Ltd. d/b/a Minimal, Inc., an Illinois corporation with offices located at 939 West Lake Street, Chicago, IL 60607 ("Assignee") is a design services company that has contributed to the design and development of the Intellectual Property and certain products derived therefrom;

WHEREAS, Assignor and Assignee intend that Assignee own the entire right, title and interest in and to the Intellectual Property, including all rights associated therewith;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby mutually acknowledged, Assignor confirms its assignment, transfer, grant and conveyance to, and agrees to and hereby does assign, sell, transfer, grant, and convey to Assignee, its successors and assigns:

(a) all of Assignor's worldwide rights, title and interest and benefit in and to the Intellectual Property, including, without limitation, all of its worldwide rights, title, interest and benefit in and to its patent rights therein under the patent laws of the United States and all foreign countries for the full term or terms thereof (and including all patent rights accruing by reason of patent treaties and conventions) including, but not limited to, any and all reissues, reexamination certificates, divisionals, and continuations (including continuations-in-part), extensions and renewals thereof now or hereafter provided by law, and all rights to make applications for and receive patents issuing therefrom;

(b) all copyright rights therein under the copyright laws of the United States and all foreign countries for the full term or terms thereof (and including all copyright rights accruing by reason of copyright treaties and conventions) including, but not limited to, any and all renewals, extensions, and revisions thereof now or hereafter provided by law, and all rights to make applications for and receive copyright registrations therefor, and Assignor waives any and all moral rights that it may have therein;

(c) all of its worldwide right, title, interest, and benefit in and to the trademark, service mark, trade dress (collectively, "Marks") and other rights therein under the trademark laws of the United States and all foreign countries for the full term or terms thereof, and any and all renewal terms therefor, and including, without limitation, the goodwill of the business in connection with each Mark.

For purposes of this Assignment, the term "Intellectual Property" shall mean:

(A) U.S. Design Patent number D727,194 and European Design Registration number 2,505,107 (the "Patents");

(B) all copyrightable works, all copyrights, and all applications, registrations, and renewals in connection therewith relating to the Products (as defined below), all copies

thereof, and all documentation and other materials relating thereto and all moral rights relating thereto;

(C) any and all inventions, Improvements (as defined below), software, firmware, engineering drawings, test specifications, technical manuals, technical data, confidential information, materials, trade secrets, technology, formulas, processes, and ideas in any form in which the foregoing may exist, that is owned or controlled by Assignor relating to the Products, including but not limited to the designs and technology depicted in Exhibit A hereto (the "Technology");

(D) any know-how owned or controlled by Assignor as it relates to the Products;

(E) any data obtained by Assignor regarding any product studies, test results and independent focus group studies for all applications and uses of the Products;

(F) any and all modifications, corrections and/or improvements to the Technology (the "Improvements"); and

(G) the "LYNK" trademark and all goodwill associated with the use thereof by Assignor or under Assignor's control, as well as all rights in or resulting from those U.S. trademark applications with serial numbers 85/954,109 and 86/171,281, including all rights associated with any registrations that may issue from those applications (the "Trademarks").

For purposes of this Assignment, the term, "Products" shall mean all existing products and services made, used, licensed, leased, offered for sale or sold by Assignor that are covered by or that use, incorporate or contain processes or methods that are described in, relate to, or are covered by one or more of the Patents and/or that are or have been sold by Assignor under the LYNK mark.

Assignor authorizes and requests any official throughout the world whose duty it is to register and record ownership in intellectual property rights, including without limitation the U.S. Patent and Trademark Office and all other such offices throughout the world, to record Assignee as the Assignee and owner of any and all of Assignor's rights accordance with this Assignment.

Assignor hereby covenants that no assignment, sale, agreement or encumbrance has been made or entered into which would conflict with this assignment and sale.

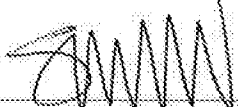

Assignor further covenants that Assignee will, upon its request, be provided with all pertinent facts and documents relating to said applications, and said Intellectual Property as may be known and accessible to Assignor and/or its employees and will promptly execute and deliver, or cause to be executed and delivered, to Assignee or its legal representative any and all papers, instruments or affidavits required to apply for, obtain, maintain, defend and enforce said Intellectual Property which may be necessary or desirable to carry out the purposes hereof.

Governing Law. This Assignment shall be governed by and construed and enforced in accordance with the laws of the State of Illinois, without regard to the choice of laws rules of such State.

Counterparts. This Assignment may be executed, via facsimile, PDF or otherwise, in one or more counterparts that in the aggregate shall comprise one Assignment.

In Witness Whereof, the Assignor and Assignee have caused to be executed this instrument effective as of this 25th day of April, 2016.
