**NOTICE OF GRANT OF SECURITY INTEREST IN TRADEMARKS:
SUPPLEMENTAL FILING**

THIS NOTICE OF GRANT OF SECURITY INTEREST IN TRADEMARKS: SUPPLEMENTAL FILING (this "Agreement"), dated as of June 24, 2016, is made by US Foods, Inc. (the "Grantor") in favor of Citicorp North America, Inc., as administrative agent (the "Administrative Agent") and collateral agent (the "Collateral Agent") for the several banks and other financial institutions (the "Lenders") that are parties to the Amended and Restated ABL Credit Agreement, dated as of October 20, 2015 (as amended, amended and restated, waived, supplemented or otherwise modified from time to time, together with any agreement extending the maturity of, or restructuring, refunding, refinancing or increasing the Indebtedness under such agreement or successor agreements, the "Credit Agreement"), among the Grantor, the Administrative Agent and Collateral Agent, and the other parties thereto.

WHEREAS, pursuant to the Credit Agreement, the Lenders have severally agreed to make extensions of credit to the Borrower upon the terms and conditions set forth therein;

WHEREAS, in connection with the Credit Agreement, the Grantor and certain Subsidiaries of the Grantor executed and delivered a Guarantee and Collateral Agreement, dated as of July 3, 2007 (as amended, restated, supplemented, waived or otherwise modified from time to time, the "Guarantee and Collateral Agreement"), in favor of the Collateral Agent;

WHEREAS, pursuant to the Guarantee and Collateral Agreement, the Grantor granted to the Collateral Agent a security interest in its Intellectual Property, including any Intellectual Property acquired by the Grantor after the date thereof, including Trademarks; and

WHEREAS, the Grantor has duly authorized the execution, delivery and performance of this Agreement;

NOW THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, the Grantor agrees, for the benefit of the Collateral Agent, as follows:

SECTION 1. Definitions. Unless otherwise defined herein or the context otherwise requires, terms used in this Agreement, including its preamble and recitals, have the meanings provided or provided by reference in the Credit Agreement and the Guarantee and Collateral Agreement.

SECTION 2. Confirmation of Security Interest. The Grantor hereby confirms that pursuant to the Guarantee and Collateral Agreement, subject to existing licenses to use the Trademarks granted by the Grantor in the ordinary course of its business, it granted to the Collateral Agent, for the ratable benefit of the Secured Parties, a security interest in all of the Trademarks of the Grantor (including, without limitation, those items listed on Schedule A hereto) and to the extent not otherwise included, all Proceeds and products of any and all of the Trademarks, as collateral security for the prompt and complete payment and performance when due (whether at the stated maturity, by acceleration or otherwise) of the Obligations of the Grantor, except that no security interest is or will be

granted pursuant thereto in any right, title or interest of the Grantor under or in any Trademark Licenses with Persons other than the Borrower, a Subsidiary of the Borrower or an Affiliate thereof, for so long as, and to the extent that, the granting of such a security interest pursuant thereto would result in a breach, default or termination of such Trademark Licenses.

SECTION 3. Purpose. This Agreement has been executed and delivered by the Grantor for the purpose of recording the security interest granted pursuant to the Guarantee and Collateral Agreement with the United States Patent and Trademark Office. This Agreement is expressly subject to the terms and conditions of the Guarantee and Collateral Agreement. The Guarantee and Collateral Agreement (and all rights and remedies of the Lenders thereunder) shall remain in full force and effect in accordance with its terms.

SECTION 4. Acknowledgment. The Grantor does hereby further acknowledge and affirm that the rights and remedies of the Lenders with respect to the security interest in the Trademarks are fully set forth in the Credit Agreement and the Guarantee and Collateral Agreement, the terms and provisions of which (including the remedies provided for therein) are incorporated by reference herein as if fully set forth herein.

SECTION 5. Counterparts. This Agreement may be executed in counterparts, each of which will be deemed an original, but all of which together constitute one and the same original.
