TRADEMARK ASSIGNMENT

THIS TRADEMARK ASSIGNMENT (this "Assignment") is made effective as of June 30, 2016 by and between AppFirst, Inc., a Delaware corporation with its principal place of business at 8009 34th Ave S, Suite 175, Bloomington, MN 55425 ("Assignor"), and ScienceLogic, Inc., a Delaware corporation with its principal place of business at 10700 Parkridge Blvd., Suite 200, Reston, VA 20191 ("Assignee") (each of the Assignor and the Assignee, being a "Party" and collectively the "Parties"), with reference to that certain Asset Purchase Agreement, dated as of the date hereof, by and among Assignor, Assignee, Javelin Venture Partners II, L.P. and Safeguard Delaware, Inc. (the "Agreement").

WHEREAS, Assignor owns the trademarks (the "Marks") and trademark applications and registrations (collectively "Registrations") identified in Schedule A attached hereto;

WHEREAS, Assignee is the acquirer of the business of Assignor to which the Marks pertain;

WHEREAS, Assignor desires to assign to Assignee all the right, title and interest of Assignor in and to the Marks, together with the goodwill of the business symbolized thereby, and the Registrations, and Assignee desires to accept such assignment;

WHEREAS, the Parties accordingly wish to execute this recordable instrument, assigning all of Assignor's right, title and interest in and to the Marks, including the goodwill, and the Registrations to Assignee.

NOW, THEREFORE, for valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor and Assignee agree as follows:

1. Assignor hereby sells, assigns, transfers and sets over to Assignee its entire right, title and interest throughout the world in and to the Marks, together with the goodwill of the business symbolized by the Marks, and the Registrations, including, without limitation, any registrations that issue from pending applications and any renewals and extensions thereof, and all other corresponding rights that are or may be secured under the laws of the United States or any foreign country, now or hereafter in effect, for Assignee's own use and enjoyment, and for the use and enjoyment of Assignee's successors, assigns or other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment had not been made, as well as all rights to any actions, causes of action and rights to recover damages and payments for past, present or future infringements or misappropriations thereof.

2. Assignor hereby authorizes and requests the U.S. Patent and Trademark Office, and the corresponding entities or agencies in any applicable foreign countries, to record Assignee as the assignee and owner of the Marks and the Registrations, and to issue all corresponding registrations to the Assignee, its successors, legal representatives and assigns, in accordance with the terms of this instrument.

3. Assignor shall without further consideration (but at no out-of-pocket expense) perform such other lawful acts and execute such additional lawful documents as Assignee may reasonably request from time to time to fully effect this Assignment and to permit

TRADEMARK

REEL : 005826 FRAME : 0052

Assignee to be duly recorded as the registered owner of the Marks and all other rights conveyed hereby.

4. This Assignment may not be amended except by a writing signed by both Parties. This Assignment shall be binding upon and inure to the benefit of the Parties and their respective successors, legal representatives and permitted assigns. This Assignment shall be governed by and construed in accordance with the laws of the State of Delaware, without giving effect to any principles of conflicts of law. If any provision of this Assignment is held to be illegal, invalid or unenforceable under present or future law effective during the term hereof, such provision shall be fully severable and this Assignment shall be construed and enforced as if such illegal, invalid or unenforceable provision never comprised a part hereof. Furthermore, the Parties shall negotiate in good faith to include herein, in lieu of such illegal, invalid or unenforceable provision, a provision as similar in its terms to such illegal, invalid or unenforceable provision as may be possible and be legal, valid and enforceable.

5. Assignee and Assignor agree that this Assignment is subject to the terms and conditions of the Agreement, that this Assignment shall not be deemed to limit, enlarge or extinguish any obligation of Assignor or Assignee under the Agreement, all of which obligations shall survive the delivery of this Assignment in accordance with the terms of the Agreement, and that to the extent there is any conflict between this Assignment and the terms and conditions of the Agreement, the Agreement shall control.

6. This Assignment may be executed in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.
