TRADEMARK

REEL: 005828 FRAME: 0057

Bankruptcy Court for the District of Delaware (the “**Local Rules**”), (i) authorizing the sale of all or substantially all of the assets of the business of Seller and certain assets of SFXE IP LLC (the “**Flavorus Assets**”) outside the ordinary course of business (the “**Sale**”) to the applicable Successful Bidder or Backup Bidder free and clear of liens, claims, encumbrances, and interests, with such liens, claims, encumbrances, and interests to attach to the proceeds of the Sale; (ii) approving the Final Purchase Agreement attached hereto as **Exhibit A** between Seller and Vivendi Ticketing U.S. LLC, a Delaware limited liability company (the “**Purchaser**”), and, solely for purposes of Sections 2.1(l), 2.1(t), 6.3(b), 6.3(c), 6.4(d), 6.6, 8.3, 11.2 and Article 12 therein, Debtor SFX Entertainment, Inc.; (iii) authorizing the assumption and assignment of the Assumed Contracts listed on **Exhibit B** hereto to the Purchaser and the rejection of the Rejected Contracts listed on **Exhibit C** hereto; and (iv) granting related relief; and the Court having entered an order approving the bid procedures (the “**Flavorus Bid Procedures**”) and granting related relief on April 5, 2016 [Docket No. 352] (the “**Flavorus Bid Procedures Order**”); an Auction having been conducted pursuant to the terms of the Flavorus Bid Procedures Order on June 2-3, 2016; and the Debtors, after consultation with the DIP Lenders, the Consenting Noteholders and the Committee, as contemplated by the Flavorus Bid Procedures Order, having identified the Successful Bidder at the conclusion of the Auction; and the Court having conducted a hearing on the Motion on June 8, 2016 (the “**Sale Hearing**”), at which time all interested parties were offered an opportunity to be heard with respect to the Motion; and adequate and sufficient notice of the Motion, the Sale Hearing, and the Sale and all transactions contemplated thereunder and in this Sale Order having been provided to all persons required to be served in accordance with the Bankruptcy Code, the Bankruptcy Rules, and the Local Rules; and jurisdiction existing for the Court to consider the Motion; and upon the statements in support

of the Motion presented at the hearing before the Court; and after due deliberation thereon it appearing that the relief requested in the Motion is in the best interests of the Debtors, their estates, creditors, and other parties in interest; and it further appearing that the legal and factual bases set forth in the Motion and at the Sale Hearing establish just cause for the relief granted herein; and the Court having (a) reviewed and considered the Motion, all relief related thereto, the objections thereto and statements of counsel and the evidence presented in support of the relief requested by the Debtors in the Motion at the Sale Hearing and (b) found that the Purchaser has submitted the highest or otherwise best bid for the Flavorus Assets; and good and sufficient cause appearing therefor;

THE COURT MAKES THE FOLLOWING FINDINGS³:

A. Jurisdiction and Venue. This Court has jurisdiction to consider the Motion under 28 U.S.C. §§ 157 and 1334. This is a core proceeding under 28 U.S.C. § 157(b). Venue of these Chapter 11 Cases and this Motion in this District is proper under 28 U.S.C. §§ 1408 and 1409.

B. Statutory Predicates. The statutory predicates for the relief sought in the Motion are Bankruptcy Code sections 105(a), 363 and 365, Bankruptcy Rules 2002, 6004, 6006 and 9014, and Local Rule 6004-1.

C. Final Order. This Sale Order constitutes a final order within the meaning of 28 U.S.C. § 158(a). Notwithstanding Bankruptcy Rules 6004(h) and 6006(d), and to any extent necessary under Bankruptcy Rule 9014 and Rule 54(b) of the Federal Rules of Civil Procedure, as made applicable by Bankruptcy Rule 7054, this Court expressly finds that

³ Findings of fact shall be construed as conclusions of law and conclusions of law shall be construed as findings of fact when appropriate. *See* Bankruptcy Rule 7052.

there is no just reason for delay in the implementation of this Sale Order, and expressly directs entry of judgment as set forth herein.

D. Notice. Actual written notice of the contemplated Sale (including the proposed assumption and assignment of the Assumed Contracts to the Purchaser and any Cure Amounts related thereto or rejection of the Rejected Contracts) was provided to the following parties (the “**Notice Parties**”): (i) the Office of the United States Trustee; (ii) counsel to the DIP Lenders and counsel to the Ad Hoc Group; (iii) counsel to the Committee; (iv) all taxing authorities in the states where the Seller is located, including the Internal Revenue Service, and all other federal, state and local taxing and regulatory authorities known to the Debtors to assert jurisdiction over the Seller or which are reasonably expected by the Seller to have claims, contingent or otherwise, in connection with the ownership of the Flavorus Assets, or to have any known interest in the relief requested; (v) all parties that have requested or that are required to receive special notice pursuant to Bankruptcy Rule 2002; (vi) all persons known or reasonably believed by the Seller to have asserted any lien, claim, encumbrance, right of first refusal, or other interest in or upon any of the Flavorus Assets; (vii) all persons known or reasonably believed to have expressed an interest in acquiring the Flavorus Assets within the last four (4) months; (viii) the United States Attorney’s office; (ix) Attorneys General in the states where the Seller is located; (x) any applicable state and local environmental agencies; (xi) all parties to any litigation involving the Seller; and (xii) all counterparties to any executory contract or unexpired lease of the Seller. Notice was also published in the New York Times (National Edition) on April 12, 2016.

E. Notice of the Motion and the time for filing objections to the Motion was reasonably calculated to provide all interested parties with timely and proper notice of the Sale.

F. As evidenced by the affidavits of service previously filed with the Court, proper, timely, adequate, and sufficient notice of the Motion, Final Purchase Agreement, Sale Hearing, Sale and transactions contemplated thereby, has been provided in accordance with the Flavorus Bid Procedures Order, Bankruptcy Code sections 105(a), 363 and 365 and Bankruptcy Rules 2002, 6004, 6006, 9007 and 9008. The Debtors have complied with all obligations to provide notice of the Auction and Sale Hearing as required by the Flavorus Bid Procedures Order. The notices described above were good, sufficient, and appropriate under the circumstances, and no other or further notice of the Motion, Final Purchase Agreement, Sale, assumption of the Assumed Contracts or rejection of the Rejected Contracts is or shall be required. The disclosures made by the Debtors concerning the Motion, the Final Purchase Agreement, Sale, assumption and assignment and rejection were good, complete, and adequate.

G. The Debtors have provided notices of the potential assumption and assignment of the Assumed Contracts to the applicable non-Debtor counterparties. Such notice also identified all defaults, amounts due and actual pecuniary loss to the non-Debtor counterparties resulting from such defaults or nonpayment including, but not limited to, all claims, demands, charges, rights to refunds and monetary and non-monetary obligations that the non-Debtor counterparties can assert under the Assumed Contracts whether legal or equitable, secured or unsecured, matured or unmatured, contingent or non-contingent, liquidated or unliquidated, senior or subordinate, relating to money now owing or owing in the future, arising under or out of, in connection with, or in any way relating to the Assumed Contracts (the foregoing amounts, collectively referred to as the “**Cure Amounts**”). The service and provision of the notices was good, sufficient and appropriate under the circumstances and no further notice need be given in respect of assumption and assignment of the Assumed Contracts or the proposed Cure Amount for the respective Assumed Contract.

Non-Debtor counterparties to the Assumed Contracts have had an adequate opportunity to object to assumption and assignment of the applicable Assumed Contract and the Cure Amount (including objections related to the adequate assurance of future performance and objections based on whether applicable law excuses the non-Debtor counterparty from accepting performance by, or rendering performance to, the Purchaser, for purposes of section 365(c)(1) of the Bankruptcy Code). The deadline to file an objection has expired and to the extent any such party timely filed an objection, all such objections have been resolved, withdrawn, overruled, or continued to a later hearing by agreement of the parties. To the extent that any such party did not timely file an objection, such party shall be deemed to have consented to (i) the assumption and assignment of the Assumed Contract and (ii) the corresponding proposed Cure Amount, if any.

H. The Debtors have provided notice of the potential rejection of the Rejected Contracts to the applicable non-Debtor counterparties. Such notice was good, sufficient and appropriate under the circumstances and no further notice need be given in respect of the rejection of the Rejected Contracts. Non-Debtor counterparties to the Rejected Contracts have had an adequate opportunity to object to rejection of the applicable Rejected Contract. The deadline to file an objection has expired and to the extent any such party timely filed an objection, all such objections have been resolved, withdrawn, overruled, or continued to a later hearing by agreement of the parties. To the extent that any such party did not timely file an objection, such party shall be deemed to have consented to the rejection of the Rejected Contract.

I. Corporate Authority. (i) The Seller has the corporate power and authority to execute the Final Purchase Agreement and all other documents contemplated thereby and the Sale of the Flavorus Assets has been duly and validly authorized, (ii) the Seller has all of

the corporate power and authority necessary to consummate the transactions contemplated by the Final Purchase Agreement, (iii) the Seller has taken all corporate action necessary to authorize and approve the Final Purchase Agreement and the consummation of the transactions contemplated thereby, and (iv) no consents or approvals, other than those expressly provided for in the Final Purchase Agreement, are required for the Seller to consummate such transactions.

J. The Final Purchase Agreement was not entered into for the purpose of hindering, delaying or defrauding creditors under the Bankruptcy Code or under the laws of the United States, any state, territory, possession or the District of Columbia. Neither the Debtors nor the Purchaser is entering into the transactions contemplated by the Final Purchase Agreement fraudulently for the purpose of statutory and common law fraudulent conveyance and fraudulent transfer claims.

K. Except for the Flavorus Assets identified in Sections 2.1(b) and (l) of the Final Purchase Agreement, Seller is the sole and lawful owner of the Flavorus Assets. With respect to the Flavorus Assets identified in Section 2.1(b) of the Final Purchase Agreement, specifically, the Flavorus Trademark, Debtor SFXE IP LLC is the lawful owner. With respect to the Flavorus Assets identified in Section 2.1(l) of the Final Purchase Agreement, Seller and Parent are the lawful owners of such Flavorus Assets, as applicable. Subject to Bankruptcy Code sections 363(f) and 365(a), the transfer of each of the Flavorus Assets to the Purchaser in accordance with the Final Purchase Agreement will be, as of the Closing Date, a legal, valid, and effective transfer of the Flavorus Assets, which transfer vests or will vest the Purchaser with all right, title, and interest of the Debtors to the Flavorus Assets free and clear of all liens, claims, encumbrances, and interests, except for the Assumed Liabilities, with such liens, claims, encumbrances, and interests to attach to the proceeds of the Sale.

L. Sale in Best Interests of the Debtors' Estates. Good and sufficient reasons for approval of the Sale, the Final Purchase Agreement and the transactions to be consummated in connection therewith have been articulated, and the relief requested in the Motion is in the best interests of the Debtors, their estates, their creditors and other parties in interest. The Debtors have demonstrated both (a) good, sufficient and sound business purposes and justifications and (b) compelling circumstances for the Sale other than in the ordinary course of business, pursuant to Bankruptcy Code section 363(b), outside of a plan of reorganization, in that, among other things, the immediate consummation of the Sale to the Purchaser, is necessary and appropriate to maximize the value of the Debtors' estates and the Sale will provide the means for the Debtors to maximize creditor recoveries.

M. Time is of the essence in consummating the Sale. Given all of the circumstances of these Chapter 11 Cases and the adequacy and fair value of the Purchase Price, the proposed Sale constitutes a reasonable and sound exercise of the Debtors' business judgment and should be approved.

N. The consummation of the Sale and the assumption and assignment of the Assumed Contracts are legal, valid and properly authorized under all applicable provisions of the Bankruptcy Code, including, without limitation, Bankruptcy Code sections 105(a), 363(b), 363(f), 363(m) and 365, and all of the applicable requirements of such sections have been complied with in respect of the transaction.

O. Good Faith of Purchaser and Seller. The Final Purchase Agreement was negotiated, proposed and entered into by the Debtors and the Purchaser without collusion, in good faith and from arm's-length bargaining positions and is substantively and procedurally fair to all parties. The Purchaser is not an "insider" of any of the Debtors, as that term is defined in Bankruptcy Code section 101(31). Neither any of the Debtors, nor the Purchaser has

engaged in any conduct that would cause or permit the Final Purchase Agreement to be avoided under Bankruptcy Code section 363(n). Specifically, the Purchaser has not acted in a collusive manner with any person and the Purchase Price was not controlled by any agreement among bidders. The Purchaser is purchasing the Flavorus Assets, in accordance with the Final Purchase Agreement, in good faith and is a good faith buyer within the meaning of section 363(m) of the Bankruptcy Code, and is therefore entitled to all of the protections afforded by such provision, and otherwise has proceeded in good faith in all respects in connection with the Debtors' Chapter 11 Cases. As demonstrated by (i) any testimony and other evidence proffered or adduced at the Sale Hearing and (ii) the representations of counsel made on the record at the Sale Hearing, substantial marketing efforts and a competitive sale process were conducted in accordance with the Flavorus Bid Procedures Order and, among other things: (a) the Debtors and the Purchaser complied with the provisions in the Flavorus Bid Procedures Order; (b) the Purchaser in no way induced or caused the chapter 11 filing by the Debtors; (c) all payments to be made by the Purchaser in connection with the Sale have been disclosed; and (d) no common identity of directors and officers exists between the Purchaser and the Debtors.

P. Highest or Otherwise Best Offer. The Debtors conducted the Auction in accordance with, and have otherwise complied in all material respects with, the Flavorus Bid Procedures Order. The Auction established in the Flavorus Bid Procedures Order afforded a full, fair and reasonable opportunity for any person or entity to make a higher or otherwise better offer to purchase the Flavorus Assets. The Auction was duly noticed and conducted in a non-collusive, fair and good faith manner and a reasonable opportunity was given to any interested party to make a higher or otherwise better offer for the Flavorus Assets. The Final Purchase Agreement constitutes the highest or otherwise best offer for the Flavorus Assets and

will provide a greater recovery for the Debtors' estates than would be provided by any other available alternative. The Debtors' determination that the Final Purchase Agreement constitutes the highest or otherwise best offer for the Flavorus Assets is a valid and sound exercise of their fiduciary duty and constitutes a valid and sound exercise of the Debtors' business judgment.

Q. Consideration. The consideration provided by the Purchaser pursuant to the Final Purchase Agreement (a) is fair and reasonable, (b) is the highest or otherwise best offer for the Flavorus Assets, and (c) constitutes reasonably equivalent value and fair consideration (as those terms are defined in each of the Uniform Fraudulent Transfer Act, Uniform Fraudulent Conveyance Act, and section 548 of the Bankruptcy Code) under the laws of the United States, any state, territory, possession or the District of Columbia. No other person or entity or group of entities has offered to purchase the Flavorus Assets for greater economic value to the Debtors' estates than the Purchaser. Approval of the Motion, the Final Purchase Agreement and the consummation of the transactions contemplated thereby is in the best interests of the Debtors, their estates, their creditors and other parties in interest.

R. No Successor. The transactions contemplated under the Final Purchase Agreement do not amount to a consolidation, merger, or de facto merger of the Purchaser and the Debtors and/or the Debtors' estates; there is not substantial continuity between the Purchaser and the Debtors; there is no continuity of enterprise between the Debtors and the Purchaser; the Purchaser is not a mere continuation of the Debtors or their estates; and the Purchaser is not a successor or assignee of the Debtors or their estates for any purpose, including, but not limited to, under any federal, state or local statute or common law. Except for the Assumed Liabilities, the (i) transfer of the Flavorus Assets to the Purchaser and (ii) assumption and assignment to the Purchaser of the Assumed Contracts, do not and will not

subject the Purchaser to any liability whatsoever with respect to the operation of the Debtors' business before the Closing Date or by reason of such transfer under the laws of the United States, any state, territory, or possession thereof, or the District of Columbia, based, in whole or in part, directly or indirectly, on any theory of law or equity, including, without limitation, any theory of equitable law, including, without limitation, any theory of antitrust or successor or transferee liability.

S. Free and Clear. The conditions of Bankruptcy Code section 363(f) have been satisfied in full; therefore, the Debtors may sell the Flavorus Assets free and clear of any liens, claims, encumbrances, and interests in the property, other than the Assumed Liabilities, with such liens, claims, encumbrances, and interests attaching to the proceeds of the Sale.

T. The Purchaser would not have entered into the Final Purchase Agreement and would not consummate the transactions contemplated thereby if the Sale to the Purchaser and the assumption of any Assumed Liabilities by Purchaser were not free and clear of all liens, claims, encumbrances, and interests other than the Assumed Liabilities. The Debtors may sell the Flavorus Assets free and clear of any liens, claims, encumbrances, and interests of any kind or nature whatsoever because in each case, one or more of the standards set forth in section 363(f)(1)-(5) of the Bankruptcy Code has been satisfied. Each entity with a lien, claim, encumbrance or other interest in the Flavorus Assets to be transferred on the Closing Date: (i) has, subject to the terms and conditions of this Sale Order, consented to the Sale or is deemed to have consented to the Sale; (ii) could be compelled in a legal or equitable proceeding to accept money in satisfaction of such interest; or (iii) otherwise falls within the provisions of section 363(f) of the Bankruptcy Code. Those holders of a lien, claim, encumbrance, or interest who did not object to the Motion are deemed, subject to the terms of this Sale Order, to have consented pursuant to Bankruptcy Code section 363(f)(2). All

holders of liens, claims, encumbrances, or interests are adequately protected by having their liens, claims, encumbrances, or interests attach to the proceeds (including, without limitation, cash proceeds) attributable to the property against or in which such liens, claims, encumbrances, or interests are asserted, subject to the terms of such liens, claims, encumbrances, or interests with the same validity, force and effect, and in the same order of priority, which such liens, claims, encumbrances, or interests now have against the Flavorus Assets or their proceeds, if any, subject to any rights, claims and defenses the Debtors or their estates, as applicable, may possess with respect thereto.

U. Cure/Adequate Assurance. The assumption and assignment of the Assumed Contracts pursuant to the terms of this Sale Order is integral to the Final Purchase Agreement, is in the best interests of the Debtors and their estates, creditors and all other parties in interest, and represents the Debtors' reasonable exercise of sound and prudent business judgment. Payment of the Cure Amounts shall, to the extent necessary, (i) cure or provide adequate assurance of cure, within the meaning of 11 U.S.C. §§ 365(b)(1)(A) and 365(f)(2)(A), and (ii) provide compensation or adequate assurance of compensation to any party for any actual pecuniary loss to such party resulting from a default or other nonpayment prior to the Closing Date with respect to the Assumed Contracts, within the meaning of 11 U.S.C. § 365(b)(1)(B) and 365(f)(2)(A). The Purchaser's financial wherewithal to consummate the transactions contemplated by the Final Purchase Agreement and the evidence presented at the Sale Hearing demonstrating the Purchaser's ability to perform the obligations under the Assumed Contracts after the Closing Date shall constitute adequate assurance of future performance within the meaning of 11 U.S.C. §§ 365(b)(1)(C), 365(b)(3) (to the extent applicable) and 365(f)(2)(B).

V. Any objections to the assumption and assignment of any of the Assumed Contracts by the Purchaser, in accordance with the Final Purchase Agreement, are hereby overruled. To the extent that any counterparty failed to timely object to the proposed Cure Amounts, such counterparty is deemed to have consented to such Cure Amounts and the assumption and assignment of its respective Assumed Contract(s) to the Purchaser in accordance with the Final Purchase Agreement.

W. Any objections to the rejection of any of the Rejected Contracts are hereby overruled. To the extent that any counterparty failed to timely object, such counterparty is deemed to have consented to the rejection of the Rejected Contracts.

X. Personally Identifiable Information. The Transaction may include the transfer of Personally Identifiable Information, as defined in Bankruptcy Code section 101(41A). No consumer privacy ombudsman is needed under sections 332 and 363(b)(1) of the Bankruptcy Code because the Purchaser has agreed to adhere to any applicable privacy policies.

NOW, THEREFORE, IT IS ORDERED THAT:

1. The Motion is GRANTED and the relief requested therein APPROVED, as set forth herein.

2. Any objections to the entry of this Sale Order or the relief granted herein and requested in the Motion that have not been withdrawn, waived, or settled as announced to the Court at the Sale Hearing (the full record of which is incorporated herein by reference), by stipulation filed with the Court, or by representation by the Debtors in a separate pleading, and all reservations of rights included therein, if any, hereby are denied and overruled on the merits with prejudice.

3. The Final Purchase Agreement, all other ancillary documents, and all of the terms and conditions thereof, are hereby approved in all respects. Pursuant to Bankruptcy

Code sections 363(b) and 363(f), the Debtors are hereby authorized to (a) execute the Final Purchase Agreement, along with any additional instruments or documents that may be reasonably necessary or appropriate to implement the Final Purchase Agreement, provided that such additional documents do not materially change its terms adversely to the Debtors' estates; (b) consummate the Sale in accordance with the terms and conditions of the Final Purchase Agreement and the instruments to the Final Purchase Agreement contemplated thereby; and (c) execute and deliver, perform under, consummate, implement, and close fully the transactions contemplated by the Final Purchase Agreement, including the assumption and assignment to the Purchaser (in accordance with the Final Purchase Agreement) of the Assumed Contracts, together with all additional instruments and documents that may be reasonably necessary or desirable to implement the Final Purchase Agreement and the Sale.

4. This Sale Order shall be binding in all respects upon the Debtors, their estates, all creditors of and holders of equity interests in the Debtors, any holders of liens, claims, encumbrances, or other interests in, against or on all or any portion of the Flavorus Assets (whether known or unknown), the Purchaser, and all successors and assigns of the Purchaser and any trustees, if any, subsequently appointed in the Debtors' Chapter 11 Cases or upon a conversion to chapter 7 under the Bankruptcy Code of the Debtors' cases. This Sale Order and the Final Purchase Agreement shall inure to the benefit of the Debtors, their estates and creditors, the Purchaser and the respective successors and assigns of each of the foregoing.

5. Pursuant to Bankruptcy Code sections 105(a), 363(b) and 363(f), the Debtors are authorized to transfer the Flavorus Assets to the Purchaser in accordance with the Final Purchase Agreement and such transfer shall constitute a legal, valid, binding and effective

transfer of the Flavorus Assets and shall vest the Purchaser with title in and to the Flavorus Assets, and, other than the Assumed Liabilities, Purchaser shall take title to and possession of the Flavorus Assets free and clear of all liens, claims, encumbrances, and other interests of any kind or nature whatsoever, including, but not limited to, successor or successor-in-interest liability and Claims in respect of the Excluded Liabilities, with all such liens, claims, encumbrances, and interests to attach to the proceeds (including, without limitation, cash proceeds) attributable to the property against or in which such liens, claims, encumbrances or interests are asserted, subject to the terms of such liens, claims, encumbrances or interests with the same validity, force and effect, and in the same order of priority, which such liens, claims, encumbrances or interests now have against the Flavorus Assets or their proceeds, if any, subject to any rights, claims and defenses the Debtors or their estates, as applicable, may possess with respect thereto.

6. In the event that the Purchaser provides the Debtors with notice, pursuant to Section 6.3(b) of the Final Purchase Agreement, concerning the Purchaser's intent to dispose of any books and records acquired by the Purchaser under the Final Purchase Agreement (the "**Record Disposal**"), the Debtors shall provide notice of the Record Disposal to Lowenstein Sandler LLP, 65 Livingston Avenue, Roseland, New Jersey 07068, Attn: Michael S. Etkin (metkin@lowenstein.com) and S. Jason Teele (steele@lowenstein.com), counsel for the lead plaintiff and putative class (the "**Securities Plaintiffs**") in the case styled as *Guevoura Fund Ltd., et al. v. Sillerman, et al.*, Case No. 15-cv-07192 (S.D.N.Y.) (the "**Guevoura Action**") within five (5) business days of the Debtors' receipt of the Purchaser's Record Disposal notice. Counsel for the Securities Plaintiffs shall promptly reimburse Debtors' reasonable costs incurred in connection with retrieval and preservation of books and records unless, within 15 days of service of a Record Disposal notice to counsel for the Securities Plaintiffs, the Debtors

have been notified in writing by the Securities Plaintiffs that the Securities Plaintiffs have elected not to have the books and records that are the subject of the Record Disposal notice retrieved and preserved; provided, that the Debtors may, but shall have no obligation to, retrieve and preserve books and records that counsel for the Securities Plaintiffs elects not to have retrieved and preserved. The requirement to provide any notice to counsel for the Securities Plaintiffs in the Guevoura Action shall terminate after the Guevoura Action is resolved on a final basis by either a final and non-appealable order or otherwise dismissed with prejudice.

7. On the Closing Date, all persons and entities that are in possession of some or all of the Flavorus Assets are directed to surrender possession of such Flavorus Assets to the Purchaser in accordance with the Final Purchase Agreement. Additionally, on the Closing Date, each of the Debtors' creditors is authorized and directed to execute such documents and take all other actions as may be reasonably necessary to release its liens, claims, encumbrances, or other interests in the Flavorus Assets, if any, as such liens, claims, encumbrances, and interests may have been recorded or may otherwise exist.

8. The provisions of this Sale Order authorizing the sale and assignment of the Flavorus Assets free and clear of liens, claims, encumbrances and other interests shall be self-executing and, notwithstanding the failure of the Debtors, the Purchaser or any other party to execute, file, or obtain releases, termination statements, assignments, consents or other instruments to effectuate, implement or consummate the provisions hereof, shall be effective to release, terminate and discharge the foregoing in all respects. Notwithstanding the foregoing, if the Purchaser, in its sole discretion, determines to terminate such matters of record, and if any person or entity which has filed statements or other documents or agreements evidencing liens or encumbrances on, claims against, or interests in, all or any portion of the Flavorus Assets (other than statements or documents with respect to the Assumed Liabilities) shall not

have delivered to the Debtors, prior to the Closing Date, in proper form for filing and executed by the appropriate parties, termination statements, instruments of satisfaction, releases of liens and easements, and any other documents necessary for the purpose of documenting the release of all liens, encumbrances, claims, or other interests which the person or entity has or may assert with respect to all or any portion of the Flavorus Assets, the Debtors are hereby authorized, and the Purchaser is hereby authorized, to execute and file such statements, instruments, releases and other documents on behalf of such person or entity with respect to the Flavorus Assets.

9. On the Closing Date, this Sale Order shall be construed and shall constitute for any and all purposes a full and complete general assignment, conveyance and transfer to the Purchaser of the Debtors' interests in the Flavorus Assets. This Sale Order is and shall be effective as a determination that, on the Closing Date, all liens, claims, encumbrances, or other interests of any kind or nature whatsoever existing as to the Flavorus Assets prior to the Closing Date, other than the Assumed Liabilities, shall have been unconditionally released, discharged and terminated, with all such liens, claims, encumbrances and interests attaching to the proceeds received by the Debtors, in accordance with paragraph 5 above, and that the conveyances described herein have been effected. A certified copy of this Sale Order may be filed with the appropriate clerk and/or recorded with the recorder to act to cancel any liens and other encumbrances of record except those assumed as Assumed Liabilities.

10. Except for the Assumed Liabilities, the Purchaser shall not have any liability or other obligation of the Debtors arising under or related to any of the Flavorus Assets including, but not limited to, any liability for any liens, claims, encumbrances or interests whether known or unknown as of the Closing, now existing or hereafter arising, whether

fixed or contingent, with respect to the Debtors or any obligations of the Debtors, including, but not limited to, liabilities on account of any taxes arising, accruing, or payable under, out of, in connection with or in any way relating to the operation of the Debtors' business prior to the Closing Date.

11. Except with respect to the Assumed Liabilities, or as otherwise expressly provided for in this Sale Order or the Final Purchase Agreement, all persons and entities, including, but not limited to, all debt holders, equity security holders, governmental, tax and regulatory authorities, lenders, trade creditors, litigation claimants and other creditors holding liens, claims, encumbrances or other interests of any kind or nature whatsoever against or in all or any portion of the Flavorus Assets (whether legal or equitable, secured or unsecured, matured or unmatured, contingent or non-contingent, liquidated or unliquidated, senior or subordinate), arising under or out of, in connection with, or in any way relating to the Debtors, the Flavorus Assets, the operation of the Flavorus business prior to the Closing Date or the transfer of the Flavorus Assets to the Purchaser in accordance with the Final Purchase Agreement, hereby are forever barred, estopped and permanently enjoined from asserting against the Purchaser, its successors or assigns, its property or the Flavorus Assets, such persons' or entities' liens, claims, encumbrances or interests in and to the Flavorus Assets, including, without limitation, the following actions: (a) commencing or continuing in any manner any action or other proceeding against the Purchaser, its successors, assets or properties; (b) enforcing, attaching, collecting, or recovering in any manner any judgment, award, decree, or order against the Purchaser, its successors, or their assets or properties; (c) creating, perfecting, or enforcing any lien, claim, encumbrance or interest against the Purchaser, its successors, their assets, or their properties; (d) asserting any setoff, right of subrogation, or recoupment of any kind against any obligation due the Purchaser or its

successors; (e) commencing or continuing any action, in any manner or place, that does not comply or is inconsistent with the provisions of this Sale Order or other orders of the Court, or the agreements or actions contemplated or taken in respect thereof; or (f) revoking, terminating or failing or refusing to transfer or renew any license, permit or authorization to operate any of the Flavorus Assets or conduct any business operated with the Flavorus Assets.

12. To the greatest extent available under applicable law, the Purchaser shall be authorized, as of the Closing Date, to operate under any license, permit, registration, and governmental authorization or approval of the Debtors with respect to the Flavorus Assets, and all such licenses, permits, registrations, and governmental authorizations and approvals are deemed to have been transferred to the Purchaser as of the Closing Date. The transfer of any PII to the Purchaser is approved. The Purchaser shall abide by the Seller's privacy policy existing as of the Petition Date with respect to any PII transferred to the Purchaser, except to the extent that any individual, following the Closing, consents to a different policy in accordance with applicable non-bankruptcy law.

13. All persons and entities are hereby forever prohibited and enjoined from taking any action that would adversely affect or interfere with the ability of the Debtors to sell and transfer the Flavorus Assets to the Purchaser in accordance with the terms of the Final Purchase Agreement and this Sale Order.

14. The Purchaser has given substantial consideration under the Final Purchase Agreement for the benefit of the Debtors, their estates, and creditors. The consideration given by the Purchaser shall constitute valid and valuable consideration for the releases of any potential liens, claims, encumbrances or interests, pursuant to this Sale Order, which releases shall be deemed to have been given in favor of the Purchaser by all holders of liens or encumbrances against or interests in, or claims against any of the Debtors or any of the

Flavorus Assets, other than with respect to the Assumed Liabilities. The consideration provided by the Purchaser for the Flavorus Assets under the Final Purchase Agreement is fair and reasonable and may not be avoided under section 363(n) of the Bankruptcy Code.

15. Notwithstanding the foregoing, nothing herein shall prevent (a) the Debtors from pursuing an action against the Purchaser arising under the Final Purchase Agreement or the related documents, or (b) any administrative agencies, governmental, tax and regulatory authorities, secretaries of state, or federal, state and local officials from properly exercising their police and regulatory powers.

16. The Debtors are hereby authorized, in accordance with sections 105(a) and 365 of the Bankruptcy Code, to (a) assume and assign to the Purchaser, in accordance with the Final Purchase Agreement, effective upon the Closing Date, the Assumed Contracts free and clear of all liens, claims, encumbrances and other interests of any kind or nature whatsoever (other than the Assumed Liabilities) and to reject the Rejected Contracts, effective upon the Closing Date, and (b) execute and deliver to the Purchaser such documents or other instruments as the Purchaser deems may be necessary to assign and transfer the Assumed Contracts and the Assumed Liabilities to the Purchaser in accordance with the Final Purchase Agreement. This Sale Order constitutes authorization for Parent and SFX-React Operating LLC to comply with the requirements set forth in Section 6.6(d) of the Final Purchase Agreement, with respect to the Mamby Client Agreement; including that the Mamby Client Agreement shall terminate on July 30, 2016, unless otherwise agreed by SFX-React Operating LLC.

17. With respect to the Assumed Contracts: (a) each Assumed Contract is an executory contract or unexpired lease under Bankruptcy Code section 365; (b) the Debtors may assume each of the Assumed Contracts in accordance with Bankruptcy Code section 365; (c) the Debtors may assign each Assumed Contract in accordance with Bankruptcy Code sections

363 and 365, and any provisions in any Assumed Contract that prohibit or condition the assignment of such Assumed Contract or allow the counterparty to such Assumed Contract to terminate, recapture, impose any penalty, condition renewal or extension, or modify any term or condition upon the assignment of such Assumed Contract, constitute unenforceable anti-assignment provisions, which are void and of no force and effect; (d) all other requirements and conditions under Bankruptcy Code sections 363 and 365 for the assumption by the Debtors and assignment to the Purchaser of each Assumed Contract, in accordance with the Final Purchase Agreement, have been satisfied; (e) the Assumed Contracts shall be transferred and assigned to, and following the Closing Date remain in full force and effect for the benefit of, the Purchaser in accordance with the Final Purchase Agreement, notwithstanding any provision in any such Assumed Contract (including those of the type described in Bankruptcy Code sections 365(b)(2) and (f)) that prohibits, restricts, or conditions such assignment or transfer and, pursuant to Bankruptcy Code section 365(k), the Debtors shall be relieved from any further liability with respect to the Assumed Contracts after such assignment to the Purchaser in accordance with the Final Purchase Agreement; and (f) upon the Closing Date, in accordance with Bankruptcy Code sections 363 and 365, the Purchaser shall be fully and irrevocably vested in all right, title and interest of each Assumed Contract.

18. All defaults or other obligations of the Debtors under the Assumed Contracts arising or accruing prior to the Closing (without giving effect to any acceleration clauses or any default provisions of the kind specified in Bankruptcy Code section 365(b)(2)) shall be cured on the Closing Date or as soon thereafter as practicable by payment of the Cure Amounts. To the extent that any counterparty to an Assumed Contract did not object to its Cure Amount by the objection deadline, such counterparty is deemed to have consented to such

Cure Amount and the assumption and assignment of its respective Assumed Contract(s) to the Purchaser in accordance with the Final Purchase Agreement.

19. Unless otherwise represented by the Debtors in a separate pleading, in open court at the Sale Hearing, or pursuant to a contract or lease amendment entered into by the Debtors, the Purchaser and the appropriate contract or lessor counterparty (any such amendment being deemed approved by this Sale Order), the respective Cure Amounts reflect the sole amounts necessary under Bankruptcy Code section 365(b) to cure all monetary defaults or other nonpayment under the Assumed Contracts, if any, and no other amounts are or shall be due in connection with the assumption by the Debtors and the assignment to the Purchaser of the Assumed Contracts in accordance with the Final Purchase Agreement. The Cure Amounts are subject to adjustment only as follows: (i) the Cure Amount for a specific Assumed Contract (x) shall be reduced by any amount of the Cure Amount that the Debtors pay the counterparty prior to the Closing Date, and (y) is subject to further adjustment in accordance with the terms of the Final Purchase Agreement with respect to funds received by the Debtors attributable to such Assumed Contract prior to the Closing Date.

20. Upon the Debtors' assignment of the Assumed Contracts to the Purchaser, under the provisions of this Sale Order and any additional orders of this Court, and payment of any Cure Amounts pursuant to Paragraph 18 hereof, no default shall exist under any Assumed Contract, and no counterparty to any Assumed Contract shall be permitted (a) to declare a default by the Purchaser under such Assumed Contract or (b) otherwise take action against the Purchaser as a result of Debtors' financial condition, bankruptcy or failure to perform any of their obligations under the relevant Assumed Contract. Each non-Debtor counterparty to an Assumed Contract, unless otherwise ordered by the Court, hereby is also forever barred, estopped, and permanently enjoined from (i) asserting against the Debtors or the Purchaser or

the property of any of them, any default or claim arising out of any indemnity obligation or warranties for acts or occurrences arising prior to or existing as of the Closing, including those constituting Excluded Liabilities, or against the Purchaser, any counterclaim, defense, setoff, recoupment or any other Claim asserted or able to be asserted against the Debtors; and (ii) imposing or charging against the Purchaser any rent accelerations, assignment fees, increases or any other fees as a result of the Debtors' assumption and assignment to the Purchaser of any Assumed Contract in accordance with the Final Purchase Agreement. The validity of such assumption and assignment of each Assumed Contract shall not be affected by any dispute between the Debtors and any non-Debtor counterparty to an Assumed Contract relating to such contract's respective Cure Amounts.

21. Except as provided in the Final Purchase Agreement or this Sale Order, after the Closing, the Debtors and their estates shall have no further liabilities or obligations with respect to any Assumed Liabilities and all holders of such liens, claims, encumbrances, and interests are forever barred and estopped from asserting such claims against the Debtors, their successors or assigns, their property or their assets or estates.

22. The failure of the Debtors or the Purchaser to enforce at any time one or more terms or conditions of any Assumed Contract shall not be a waiver of such terms or conditions or of the Debtors' and the Purchaser's rights to enforce every term and condition of the Assumed Contracts.

23. The transactions contemplated by the Final Purchase Agreement are undertaken by the Purchaser without collusion and in good faith, as that term is used in Bankruptcy Code section 363(m) and, accordingly, the reversal or modification on appeal of the authorization provided herein to consummate the Sale shall not affect the validity of the Sale (including the assumption and assignment of the Assumed Contracts) with the Purchaser unless such

authorization is duly stayed pending such appeal. The Purchaser is a good faith purchaser of the Flavorus Assets, and is entitled to all of the benefits and protections afforded by Bankruptcy Code section 363(m).

24. The failure to include any particular provisions of the Final Purchase Agreement in this Sale Order shall not diminish or impair the effectiveness of such provisions, it being the intent of the Court that the Final Purchase Agreement be authorized and approved in its entirety; *provided, however*, that this Sale Order shall govern if there is any inconsistency between the Final Purchase Agreement (including all ancillary documents executed in connection therewith) and this Sale Order. Likewise, all of the provisions of this Sale Order are nonseverable and mutually dependent. To the extent that this Sale Order is inconsistent with any prior order or pleading with respect to the Motion in these Chapter 11 Cases, the terms of this Sale Order shall control.

25. The Final Purchase Agreement and any related agreements, documents or other instruments may be modified, amended or supplemented by the parties thereto, in a writing signed by such parties, and in accordance with the terms thereof, without further order of the Court, provided that any such modification, amendment or supplement does not have a material adverse effect on the Debtors' estates.

26. This Court retains jurisdiction, pursuant to its statutory powers under 28 U.S.C. § 157(b)(2), to, among other things, interpret, implement, and enforce the terms and provisions of this Sale Order and the Final Purchase Agreement, all amendments thereto, any waivers and consents thereunder, and each of the agreements executed in connection therewith to which any Debtor is a party or which has been assigned by the Debtors to the Purchaser in accordance with the Final Purchase Agreement, and to adjudicate, if necessary, any and all disputes concerning or relating in any way to the Sale, including, but not limited to, retaining

jurisdiction to (a) interpret, implement and enforce the provisions of this Sale Order and the Final Purchase Agreement; (b) protect the Purchaser against any liens, claims, encumbrances or other interests in the Debtors or the Flavorus Assets of any kind or nature whatsoever, arising or existing prior to the Closing Date and attaching to the proceeds of the Sale, and (c) enter any orders under sections 363 and 365 of the Bankruptcy Code with respect to the Assumed Contracts.

27. Any amounts payable by any Debtor under the agreements or any of the documents delivered by any Debtor in connection with the Final Purchase Agreement shall be paid in the manner provided in the Final Purchase Agreement and the Flavorus Bid Procedures Order, without further order of this Court, shall be allowed administrative claims in an amount equal to such payments in accordance with Bankruptcy Code sections 503(b) and 507(a)(2), shall have the other protections provided in the Flavorus Bid Procedures Order, and shall not be discharged, modified, or otherwise affected by any reorganization plan for the Debtors, except by an express agreement with the Purchaser, its successors, or assigns.

28. Nothing contained in any chapter 11 plan confirmed in the Debtors' cases or any order confirming any such plan or in any other order in these Chapter 11 Cases (including any order entered after any conversion of any of these Chapter 11 Cases to a case under chapter 7 of the Bankruptcy Code) or any related proceeding subsequent to entry of this Sale Order shall alter, conflict with, or derogate from, the provisions of the Final Purchase Agreement or this Sale Order unless otherwise agreed to by the Debtors, the Purchaser and the DIP Lenders.

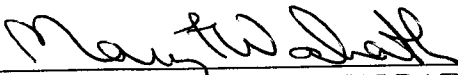

29. Notwithstanding the provisions of Bankruptcy Rules 6004(h) and 6006(d), and pursuant to Bankruptcy Rules 7062 and 9014, this Sale Order shall not be stayed for fourteen days after the entry hereof, but shall be effective and enforceable immediately upon issuance hereof. Time is of the essence in closing the transactions referenced herein, and the Debtors

and the Purchaser intend to close the Sale as soon as practicable. Any party objecting to this Sale Order must exercise due diligence in filing an appeal and pursuing a stay, or risk its appeal being foreclosed as moot.

30. All time periods set forth in this Sale Order shall be calculated in accordance with Bankruptcy Rule 9006(a).

31. From time to time, as and when requested by any party, each party shall execute and deliver, or cause to be executed and delivered, all such documents and instruments and shall take, or cause to be taken, all such further or other actions as such other party may reasonably deem necessary or desirable to consummate the transactions contemplated by the Final Purchase Agreement including such actions as may be necessary to vest, perfect or confirm, or record or otherwise, in the Purchaser, its right, title and interest in and to the Flavorus Assets.

2.4 Excluded Liabilities. Notwithstanding anything in this Purchase Agreement to the contrary, other than the Assumed Liabilities, Purchaser shall not assume, be deemed to have assumed, or otherwise be responsible or liable for any Liabilities of Seller (or any predecessor or Affiliate of Seller) of any nature whatsoever, including the following (the “**Excluded Liabilities**”):

(k) any Liability with respect to any Excluded Assets.

2.5 Assignment and Assumption of Contracts and Other Flavorus Assets.

(a) Assignment and Assumption at Closing.

(i) Schedule 2.5(a) sets forth a list of all executory Contracts and unexpired leases to which Seller is party, which relate primarily to the Flavorus Business and which are to be included in the Flavorus Assets (the "Assumed Contracts"). From and after the date hereof and no later than two days prior to the Sale Hearing, Seller shall make such additions and deletions to Schedule 2.5(a) as Purchaser shall request in writing; provided, however, that (A) Seller shall not be required to add to Schedule 2.5(a) any Contract or lease (x) to which Seller is not a party or (y) which does not primarily relate to the Flavorus Business, and (B) no such addition or deletion shall reduce or increase the amount of the Cash Purchase Price (except as may be required pursuant to Section 3.5). Any such deleted Contract or unexpired lease shall be deemed

to no longer be an Assumed Contract. Any such added Contract or unexpired lease shall be deemed an Assumed Contract. All Contracts of Seller that are not listed on Schedule 2.5(a) shall not be considered an Assumed Contract and shall not be part of the Flavorus Assets.

(ii) Seller shall take all commercially reasonable actions required to assume and assign the Assumed Contracts to Purchaser (other than payment of the Cure Amounts, which shall be the sole responsibility of Purchaser), including taking all commercially reasonable actions required to obtain a Bankruptcy Court order containing a finding that the proposed assumption and assignment of the Assumed Contracts to Purchaser satisfies all applicable requirements of Section 365 of the Bankruptcy Code. Purchaser shall, at or prior to Closing, reasonably cooperate with Seller in meeting all requirements under Section 365 of the Bankruptcy Code necessary to assign to Purchaser the Assumed Contracts (including by providing "adequate assurance of future performance" (within the meaning of Section 365 of the Bankruptcy Code)).

(iii) At Closing, (A) Seller shall, pursuant to the Sale Order and the Assignment and Assumption Agreement, assume and assign to Purchaser each of the Assumed Contracts that are capable of being assumed and assigned and (B) Purchaser shall assume, perform and discharge the Assumed Liabilities (if any) under the Assumed Contracts (including Cure Amounts) if and when due pursuant to the terms of the applicable Assumed Contract, pursuant to the Assignment and Assumption Agreement(s). The Parties hereto acknowledge and agree that Seller shall not have any Liability with respect to the Cure Amounts or the payment thereof.

(b) Non-Assignment of Assets. Notwithstanding anything contained in this Purchase Agreement to the contrary, this Purchase Agreement shall not constitute an agreement to assign or transfer any Flavorus Asset if, notwithstanding the provisions of Sections 363 and 365 of the Bankruptcy Code, an attempt at assignment or transfer thereof, (i) is prohibited by applicable Law or (ii) without the consent, waiver, approval or authorization required or necessary for such assignment or transfer (including any consent, waiver, approval or authorization required or necessary from any Governmental Authority), would constitute a breach thereof. If, notwithstanding the provisions of Sections 363 and 365 of the Bankruptcy Code and the commercially reasonable efforts of Seller, such prohibition under applicable Law is applicable but not waived with respect to a Flavorus Asset, or such consent, waiver, approval or authorization is required but not obtained with respect to a Flavorus Asset, then (in any such case) neither Seller nor Purchaser shall be in breach of this Purchase Agreement nor shall the Purchase Price be adjusted nor shall the Closing be delayed or this Purchase Agreement terminated as a result thereof; provided, however, if the Closing occurs, then, with respect to any material Flavorus Asset for which waiver, consent, approval or authorization to assignment or transfer thereof is required but not obtained, from and after the Closing, Seller shall reasonably cooperate with Purchaser in any reasonable arrangement Purchaser may request to (A) provide Purchaser with all of the benefits of, or under, the applicable Flavorus Asset (including holding such Flavorus Asset in trust for Purchaser pending receipt of the required waiver, consent, approval or authorization) and (B) at the sole cost and expense of Purchaser (including reasonable attorneys' fees), which costs and expenses shall be paid by Purchaser to Seller within 15 Business Days of Purchaser's receipt of the invoice(s) therefor, enforce for the account of

Purchaser any rights of Seller under such Flavorus Asset (including the right to elect to terminate any Assumed Contract in accordance with the terms thereof solely upon the instructions of Purchaser); provided, further, that to the extent that any such arrangement has been made to provide Purchaser with the benefits of, or under, the applicable Flavorus Asset, (A) Seller shall not be required to provide such arrangement for longer than the earlier to occur of (i) the date that is one year after the Closing Date and (ii) the effective date of any plan of reorganization or liquidation or dismissal or conversion of the Bankruptcy Cases (the “**Arrangement Period**”), (B) during the Arrangement Period, Purchaser shall be responsible for, and shall promptly pay, (x) all costs and expenses of Seller to establish, implement, monitor, maintain, execute on, or carry into effect any such arrangement, and (y) all payment and other obligations under such Flavorus Asset (all of which shall constitute, and shall be deemed to be, Assumed Liabilities hereunder) to the same extent as if such Flavorus Asset had been assigned or transferred at Closing, and (C) after the end of the Arrangement Period, Seller shall be entitled to retain such Flavorus Asset without any adjustment to the Purchase Price. The obligation of Seller to cooperate with Purchaser set forth in this Section 2.5(b) shall not require Seller to incur any expenses or Liabilities or to provide any financial accommodation or to remain secondarily or contingently liable for any Liabilities with respect to any applicable Flavorus Asset. Any assignment to Purchaser of any Flavorus Asset that shall, notwithstanding the provisions of Sections 363 and 365 of the Bankruptcy Code, require the waiver of any prohibition under applicable Law or the consent, waiver, approval or authorization of any Person for such assignment as aforesaid shall be made subject to such waiver of prohibition or such consent, waiver, approval or authorization being obtained. The provisions of this Section 2.5(b) are without waiver of, and subject in all respects to, the res judicata effect of the Sale Order with respect to the assignment or transfer of any Flavorus Asset.

ARTICLE 3 **CONSIDERATION**

3.1 Deposit. Prior to the execution and delivery by the Parties of this Purchase Agreement, Purchaser has deposited with Seller or one of its representatives, a \$400,000 deposit (the “**Deposit**”) by wire transfer of immediately available funds, to be applied as provided in the immediately following sentence. The Deposit will be held in escrow by Seller or one of its representatives in accordance with the GFD Escrow Agreement and paid only in accordance with the terms and provisions of this Purchase Agreement, the GFD Escrow Agreement and the Bid Procedures Order.

3.2 Purchase Price. In consideration of the sale of the Flavorus Assets to Purchaser, and upon the terms and subject to the conditions set forth herein, the purchase price (the “**Purchase Price**”) for the Flavorus Assets shall equal:

- (a) an amount equal to the Cash Purchase Price, which shall be paid as set forth in Section 10.3(a) and subject to adjustment pursuant to Section 3.5, plus
- (b) assumption of the Assumed Liabilities.

3.3 Allocation of Purchase Price.

(a) As promptly as practicable (and in any event within 120 days) after the Closing Date, Purchaser shall prepare and deliver to Seller a statement (the “**Allocation Statement**”) allocating, for Tax purposes, the Purchase Price and any other items that are treated as additional purchase price for Tax purposes (including the Assumed Liabilities) among the Flavorus Assets. The Allocation Statement shall be prepared in accordance with Section 1060 of the Code and the Treasury Regulations promulgated thereunder (and any similar provision of state, local, or foreign Laws, as applicable). Seller shall have 30 days following receipt of Purchaser’s proposed Allocation Statement to review and comment on such proposed allocation and Purchaser shall consider such comments in good faith. Thereafter, Purchaser shall provide Seller with Purchaser’s final allocation schedule (the “**Final Allocation**”). Within 30 days of any adjustment to the Purchase Price under any provision of this Purchase Agreement, Purchaser shall adjust the Final Allocation in a manner consistent with Code Section 1060 and the Treasury Regulations promulgated thereunder (as adjusted, the “**Adjusted Allocation**”) and deliver a copy of the Adjusted Allocation to Seller.

(b) The Parties to this Purchase Agreement hereby agree to (i) be bound by the Final Allocation or the Adjusted Allocation, as applicable, (ii) act in accordance with the foregoing in connection with the preparation, filing and audit of any Tax Return (including in the filing of IRS Form 8594 and any other corresponding Tax forms), and (iii) take no position inconsistent with the foregoing for any Tax purpose (including in any audit, judicial or administrative proceeding). If any state or federal Taxing authority challenges such allocation, the Party receiving notice of the challenge shall promptly provide notice to the other Parties.

3.4 Withholding. Purchaser shall be entitled to deduct and withhold from the consideration otherwise payable pursuant to this Purchase Agreement to any Person such amounts as Purchaser is required to deduct and withhold under the Code, or any Tax Law, with respect to the making of such payment. To the extent that amounts are so withheld, such withheld amounts shall be treated for all purposes of this Purchase Agreement as having been paid to the Person in respect of whom such deductions and withholding was made.

3.5 Purchase Price Adjustment.

(a) Statement of Adjustment. At least five Business Days prior to the expected Closing Date (and in any event not more than ten Business Days prior to the actual Closing Date), Seller shall prepare and deliver to Purchaser a statement (the “**Estimated Closing Statement**”) setting forth Seller’s good faith calculation of the Cash Purchase Price, including (i) Seller’s good faith calculation of the outstanding Cure Amount for each Assumed Contract as of immediately prior to the expected Closing Date, (ii) Seller’s good faith calculation of the Aggregate Event Cancellation Amount, (iii) a reasonably detailed schedule (arranged by week) of any payments (including Pre-Settlement Payments) made under or in connection with each Assumed Contract or SFX Client Contract during the period between the Execution Date and the date of the Estimated Closing Statement (including any such payments proposed to be made between the date of the Estimated Closing Statement and the Closing Date) and (iv) a reasonably detailed schedule (arranged by week) of any payments due under or in connection with each Assumed Contract or SFX Client Contract from and after the Closing Date in connection with the sale of any goods or services (including the sale of any tickets) by Seller or through Seller’s platform at any time prior to the Closing Date. Purchaser shall have the right to object to the

amounts contained in the Estimated Closing Statement within two Business Days after delivery thereof to Purchaser. Seller shall in good faith consider the objections, if any, of Purchaser to the Estimated Closing Statement and, if Purchaser has made any objections, will re-issue an Estimated Closing Statement no later than two Business Days prior to the Closing Date with any such revisions that Seller has determined in good faith are appropriate. The absolute value of the aggregate amount of all outstanding Cure Amounts listed on the Estimated Closing Statement (as it may be re-issued pursuant to this Section 3.5(a)) shall be referred to herein as the “**Estimated Closing Aggregate Cure Amount**”. The Aggregate Event Cancellation Amount listed on the Estimated Closing Statement (as it may be re-issued pursuant to this Section 3.5(a)) shall be referred to herein as the “**Estimated Aggregate Event Cancellation Amount**”.

(b) Closing Statement. As promptly as practicable following the Closing Date (but in any event within 60 days thereafter) Purchaser shall prepare, or cause to be prepared, and deliver to Seller a statement (the “**Closing Statement**”) consisting of a calculation in reasonable detail of the Closing Aggregate Cure Amount, the Aggregate Event Cancellation Amount and a calculation of the amounts, if any, payable pursuant to Section 3.5(f).

(c) Closing Statement Dispute Notice. The Closing Statement shall become final, binding and conclusive upon the Parties on the 15th day following Seller’s receipt of the Closing Statement unless on or prior to such 15th day Seller delivers to Purchaser a written notice (a “**Closing Statement Dispute Notice**”) stating that Seller disputes one or more items contained in the Closing Statement (a “**Disputed Item**”) and specifying in reasonable detail each Disputed Item.

(d) Resolution Period. If Seller delivers a Closing Statement Dispute Notice on or prior to the 15th day following Seller’s receipt of the Closing Statement, then Purchaser and Seller shall seek in good faith to resolve the Disputed Items during the 15-day period beginning on the date Purchaser receives the Closing Statement Dispute Notice (the “**Resolution Period**”). If Purchaser and Seller reach agreement with respect to any Disputed Items, Purchaser shall revise the Closing Statement to reflect such agreement.

(e) Independent Accountant. If Purchaser and Seller are unable to resolve all Disputed Items during the Resolution Period, then, at the request of either party, Purchaser and Seller shall jointly engage and submit the unresolved Disputed Items (the “**Unresolved Items**”) to the Independent Accountant. Purchaser and Seller shall use their reasonable best efforts to cause the Independent Accountant to issue its written determination regarding the Unresolved Items within 30 days after such items are submitted for review. The Independent Accountant shall make a determination with respect to the Unresolved Items only and in a manner consistent with this Section 3.5. Each Party shall use its reasonable best efforts to furnish to the Independent Accountant such work papers and other documents and information pertaining to the Unresolved Items as the Independent Accountant may request. The determination of the Independent Accountant shall be final, binding and conclusive on Purchaser and Seller absent manifest error. The fees, expenses and costs of the Independent Accountant shall be borne equally by Purchaser and Seller.

(f) Final Cure Amount Adjustment.

(i) If the Closing Aggregate Cure Amount as set forth on the final Closing Statement or as determined by the Independent Accountant, as applicable, exceeds the Estimated Closing Aggregate Cure Amount, then the Parties shall instruct the Escrow Agent to promptly (A) release to Purchaser from the Adjustment Escrow Account an amount equal to the amount (if any) by which the Closing Aggregate Cure Amount exceeds the Estimated Closing Aggregate Cure Amount and (B) transfer any funds remaining in the Adjustment Escrow Account following the payment described in clause (A) above to Seller; provided, however, if the amount due to Purchaser pursuant to clause (A) above exceeds the Adjustment Escrow Amount, then Seller shall promptly pay the amount of such excess to Purchaser (it being understood that in the event Seller fails to so promptly pay the amount due to Purchaser pursuant to the foregoing, Purchaser shall be entitled (but not obligated) to payment of such amount from the Event Cancellation Escrow Account).

(ii) If the Estimated Closing Aggregate Cure Amount equals the Closing Aggregate Cure Amount as set forth on the final Closing Statement or as determined by the Independent Accountant, as applicable, then the Parties shall instruct the Escrow Agent to promptly transfer all of the funds in the Adjustment Escrow Account to Seller.

(iii) If the Estimated Closing Aggregate Cure Amount exceeds the Closing Aggregate Cure Amount as set forth on the final Closing Statement or as determined by the Independent Accountant, as applicable, then (A) Purchaser shall promptly pay the amount of such excess to Seller and (B) the Parties shall instruct the Escrow Agent to promptly transfer all of the funds in the Adjustment Escrow Account to Seller.

(g) Final Aggregate Event Cancellation Amount Adjustment. If (i) the amount equal to (A) the Aggregate Event Cancellation Amount as set forth on the final Closing Statement or as determined by the Independent Accountant, as applicable, minus (B) any portion of the Estimated Aggregate Event Cancellation Amount that is attributable to events that have taken place after the Closing Date but prior to the date of any final adjustment pursuant to this Section 3.5, exceeds (ii) the then remaining funds in the Event Cancellation Escrow Account, then Seller shall promptly pay the amount of such excess to the Escrow Agent to be held in the Event Cancellation Escrow Account and released only in accordance with the Escrow Agreement.

(h) Method of Payment. Any amount paid pursuant to Section 3.5(f) or Section 3.5(g) shall be made by wire transfer of immediately available cash funds to an account designated by the recipient. REPRESENTATIONS AND WARRANTIES OF SELLER

Except as specifically set forth in the corresponding sections and subsections of the schedules, Seller hereby represents and warrants to Purchaser as of the Execution Date and as of the Closing Date as follows:

4.1 Organization. Seller is duly organized, validly existing and in good standing under the Laws of the State of California and has all requisite power and authority to own, lease and operate its properties and to conduct its business in the manner in which its business is currently being conducted. Seller is qualified to do business and is in good standing in all jurisdictions where it owns or leases real property in connection with the operation of the Flavorus Business or otherwise conducts the Flavorus Business, except where the failure to so qualify or to so be in good standing would not be material to the operation of the Flavorus Business. Seller is not a "foreign person" within the meaning of Section 1445 of the Code. Seller (a) is not in violation in any material respect of any of the provisions of its organizational documents and (b) does not have any Subsidiaries (other than Flavorus Software, Inc.).

4.2 Authorization of Agreement. Subject to entry of the Sale Order:

(a) Seller has, or at the time of execution will have, all necessary corporate power and authority to execute and deliver this Purchase Agreement and each Ancillary Agreement to which Seller is or will become a party and to perform its obligations hereunder and thereunder;

(b) the execution and delivery of this Purchase Agreement and each Ancillary Agreement to which Seller is or will become a party and the performance of Seller's obligations hereunder and thereunder (including the consummation of the transactions contemplated by this Purchase Agreement) have been, or at the time of execution will be, duly authorized by all necessary corporate action on the part of Seller and no other corporate proceedings (director, shareholder or otherwise) on the part of Seller are necessary to authorize such execution, delivery and performance; and

(c) this Purchase Agreement and each Ancillary Agreement to which Seller is or will become a party have been, or when executed will be, duly and validly executed and delivered by Seller and (assuming the due authorization, execution and delivery by the other parties hereto and thereto) this Purchase Agreement and each Ancillary Agreement to which Seller is or will become a party constitutes, or will constitute, when executed and delivered, the valid and binding obligations of Seller enforceable against Seller in accordance with their respective terms, subject to general principles of equity.

4.3 Conflicts; Consents of Third Parties.

(a) Except as set forth on Schedule 4.3(a) and subject to entry of the Sale Order, the execution, delivery and performance by Seller of this Purchase Agreement and each Ancillary Agreement to which Seller is or will become a party, the consummation of the transactions contemplated hereby and thereby, or compliance by Seller with any of the provisions hereof and thereof do not, or will not, (A) result in the creation of any Lien upon the

Flavorus Assets, or (B) conflict with, or result in any violation or breach of or default (with or without notice or lapse of time, or both) under, or give rise to a right of payment, modification, acceleration, termination or cancellation under any provisions of:

(i) the articles of incorporation, by-laws or comparable organizational documents of Seller;

(ii) any Assumed Contract or any Permit assigned pursuant to Section 2.1(i) (in the case of any Assumed Contract, other than with respect to the Cure Amounts and subject to the provision of adequate assurance of future performance within the meaning of Section 365 of the Bankruptcy Code);

(iii) any Order of any Governmental Authority applicable to Seller or any of the properties or assets of Seller as of the date hereof; or

(iv) any applicable Law.

4.4 Title to Flavorus Assets; Sufficiency of Assets. Other than the Leased Property, the Licensed IP and the Occupancy Agreements, (i) Seller owns (or, solely with respect to the Flavorus Trademark, will own immediately prior to the Closing) and has the good, valid, marketable and undivided legal title to all of the Flavorus Assets, and (ii) following entry of the Sale Order and the consummation of the Closing in accordance with the terms and conditions of this Purchase Agreement, Purchaser will (subject to Section 2.5(b)) be vested, to the maximum extent permitted by Sections 363 and 365 of the Bankruptcy Code, with good, valid, marketable and undivided title in, to and under the Flavorus Assets free and clear of all Liens, Claims, Interests and Encumbrances, other than Assumed Liabilities and Permitted Liens. Seller has not taken any action, or failed to take any action, which action or failure would preclude or prevent the Flavorus Business as a legal matter from being conducted as now conducted, in all material respects. The Flavorus Assets constitute all of the assets, rights, interests and properties of every nature and kind whatsoever necessary for Purchaser to conduct and operate the Flavorus Business immediately after the Closing in substantially the same manner as conducted prior to the Closing. Other than the Cure Amounts (but solely with respect to the type described in clause (a) of the definition of “Cure Amount”), Seller is not in breach or default of its obligations under any Material Contract in any material respect, no condition exists that with notice or lapse of time or both would constitute a default by Seller under any such Material Contract in any material respect, and to Seller’s knowledge, no other party to any such Material Contract is in breach or default thereunder in any material respect. 5.3 Conflicts; Consents of Third Parties.

(a) Subject to Section 5.3(b) hereof, the execution, delivery and performance by Purchaser of this Purchase Agreement and any Ancillary Agreement to which Purchaser is or will become a party, the consummation by Purchaser of the transactions contemplated hereby and thereby, or compliance by Purchaser with any of the provisions hereof and thereof do not or will not (i) violate or conflict with any provision of the organizational documents of Purchaser, (ii) violate any provision of applicable Law, or any order, writ, injunction, judgment or decree of any court or Governmental Authority applicable to Purchaser or (iii) violate or result in a breach of or constitute (with due notice or lapse of time, or both) an event of default or default under any Contract or permit to which Purchaser is a party or by which Purchaser is bound or to which any of Purchaser's properties or assets are subject, in each case, other than any violation, conflict, breach, event of default or default that would not materially and adversely affect Purchaser's ability to perform its obligations under this Purchase Agreement on a timely basis.

(b) Subject to entry of the Sale Order, no consent, waiver, approval, order, permit or authorization of, or declaration, filing or registration with, or notification to, any Person or Governmental Authority is required on the part of Purchaser in connection with the execution, delivery and performance by Purchaser of this Purchase Agreement or any Ancillary Agreement to which it is or will become a party, the compliance by Purchaser with any of the provisions hereof or thereof, the consummation by Purchaser of the transactions contemplated hereby or thereby, or assumption by Purchaser of the Assumed Liabilities, except where failure to obtain such consent, waiver, approval, order, permit, authorization or action, or to make such filing, declaration, registration or notification, would not prevent or materially delay the consummation by Purchaser of the transactions contemplated by this Purchase Agreement and the Ancillary Agreements.

5.4 No Brokers or Finders. No agent, broker, finder or investment or commercial banker, or other Person or firm engaged by, or acting on behalf of, Purchaser in connection with the negotiation, execution or performance of this Purchase Agreement or the transactions contemplated by this Purchase Agreement is or will be entitled to any brokerage or finder's or similar fees or other commissions as a result of this Purchase Agreement or such transactions for which Seller or any of its Affiliates will be responsible.

5.5 Litigation. There is no Action that is pending or, to Purchaser's knowledge, threatened in any court, whether at law or in equity, whether civil or criminal in nature or by or before any arbitrator or Governmental Authority, which would materially and adversely affect Purchaser's ability to perform its obligations under this Purchase Agreement on a timely basis.

5.6 Condition of the Flavorus Business. Notwithstanding anything contained in this Purchase Agreement to the contrary, Purchaser acknowledges and agrees that neither Seller, any Related Person or Affiliate of Seller, nor any other Person authorized by Seller is making any representations or warranties whatsoever, express or implied, beyond those expressly given by Seller in this Purchase Agreement, and Purchaser acknowledges and agrees that, except for the representations and warranties contained in this Purchase Agreement, the Flavorus Assets are being transferred on a "where is" and, as to condition, "as is" basis.

Purchaser has, and at the Closing will have, the resources and capabilities (financial or otherwise) to perform its obligations hereunder, and Purchaser will not incur any obligation, commitment, restriction or Liability of any kind which would materially and adversely impair or affect such resources and capabilities.

ARTICLE 6 COVENANTS AND OTHER AGREEMENTS

6.1 Pre-Closing Covenants of Seller. Seller covenants to Purchaser that, during the period from and including the Execution Date through and including the Closing Date or the earlier termination of this Purchase Agreement in accordance with the provisions of Article 11:

(a) Cooperation. Seller shall use commercially reasonable efforts to take, or cause to be taken, all actions and do, or cause to be done, all things necessary or proper, consistent with applicable Law to satisfy the conditions set forth in Article 9 and to consummate and make effective as soon as possible the transactions contemplated by this Purchase Agreement in accordance with the terms and conditions herein; provided, however, that nothing in this Section 6.1(a) shall be deemed to supersede the limitations on cooperation set forth in Section 2.5(b).

(b) Access to Records, Properties and Management. Seller shall (i) provide Purchaser and its Representatives access upon reasonable notice to the facilities and offices of

Seller, as primarily related to the Flavorus Business, and to the books and records (electronic or otherwise) of Seller, as primarily related to the Flavorus Business, and to make extracts and copies of such books and records; and (ii) cause the executive officers and senior business managers, employees and other Representatives of Seller to reasonably cooperate with Purchaser and its Representatives in connection with such investigation and the transactions contemplated by this Purchase Agreement; provided, however, that any such investigation shall be conducted during normal business hours upon reasonable advance notice to Seller under the supervision of Seller's personnel, and in such a manner as not to materially interfere with the conduct of the Flavorus Business. Prior to the Closing, without the prior written consent of Seller, which may be withheld for any reason, Purchaser shall not contact any suppliers or service providers to, or customer or Clients of, the Flavorus Business, except in the ordinary course of business of Purchaser and not related to the transactions contemplated hereby. From and after the date hereof, Seller shall in good faith consider any reasonable request from Purchaser to conduct meetings and telephone conferences with any Client or supplier that has informed Seller that it plans to discontinue its business relationship with Seller or the Flavorus Business solely for the purpose of trying to retain such Client or supplier following the Closing in connection with the Flavorus Business; provided, that any such meetings or conferences shall take place under the supervision of Seller's personnel. Purchaser shall, and shall cause its Representatives to, abide by the terms of the Confidentiality Agreement with respect to any access or information provided to Purchaser, its Affiliates or any of their respective Representatives, the terms of which are incorporated herein by reference.

Without in any way limiting the generality of the foregoing, except as expressly required by this Purchase Agreement, including in connection with Sections 6.6(d) and 6.6(e), or required under the Bankruptcy Code or other applicable Law or an Order of the Bankruptcy Court, during the period from and including the Execution Date through and including the Closing Date or the earlier termination of this Purchase Agreement in accordance with the provisions of Article 11, Seller shall not, without Purchaser's prior written consent (such consent not to be unreasonably withheld, conditioned, delayed or denied), take any of the following actions:

(i) take or agree to take or commit to assist any other Person in taking any action (x) that would reasonably be expected to result in a failure of any of the conditions to the Closing or (y) that would reasonably be expected to impair the ability of

(d) Notice of Certain Events. Promptly following Seller's receipt of knowledge thereof, Seller shall notify Purchaser in writing of, and furnish Purchaser any information it may reasonably request with respect to the occurrence or nonoccurrence of any event or condition or the existence of any fact that would reasonably be expected or likely to cause (i) any of the conditions to Purchaser's obligations to consummate the transactions contemplated by this Purchase Agreement or by any Ancillary Agreement not to be fulfilled by the Termination Date, (ii) any material breach or inaccuracy of any representation or warranty of Seller contained in this Purchase Agreement, (iii) any material failure to comply with or satisfy any covenant to be complied with or satisfied under this Purchase Agreement or (iv) any Material Adverse Effect; provided, however, that the delivery of any notice pursuant to this Section 6.1(d) shall not limit or otherwise affect the remedies available to Purchaser under this Purchase Agreement.

(e) IP and Domain Names. Seller shall use commercially reasonable efforts to promptly (and, in any event, no later than two Business Days prior to the Closing), (i) effectuate the transfer of the Flavorus Trademark from the IP Transferor to Seller, (ii) update the registrant records for each domain name identified on Schedule 4.7(a) to provide that "Flavorus, Inc." is the sole registrant for each such domain name and (iii) make any such filings with the United States Patent and Trademark Office as may be necessary to reflect the transaction in the foregoing clause (i) (the actions described in the foregoing clauses (i), (ii) and (iii), collectively, the "IP Remediation").

6.2 Pre-Closing Covenants of Purchaser. Purchaser covenants to Seller that, during the period from the Execution Date through and including the Closing or the earlier termination of this Purchase Agreement in accordance with the provisions of Article 11:

(a) Cooperation. (b) Adequate Assurance Regarding Assumed Contracts and Required Orders. Purchaser agrees that it will cooperate as reasonably requested by Seller to assist in establishing adequate assurance of future performance within the meaning of Section 365 of the Bankruptcy Code with regard to the Assumed Contracts. Purchaser shall take such actions as may be reasonably requested by Seller to assist Seller in obtaining the Bankruptcy Court's entry of the Sale Order and any other order of the Bankruptcy Court reasonably necessary to consummate the transactions contemplated by this Purchase Agreement.

(c) Financing. Purchaser shall ensure that, on the Closing Date, Purchaser has sufficient liquidity and other resources to (i) pay the Cash Purchase Price and the Cure Amounts and (ii) pay or satisfy the Assumed Liabilities as they come due.

(d) Permits. Purchaser shall use commercially reasonable efforts to obtain or consummate the transfer to Purchaser of any Permit required to own or to operate the Flavorus Assets or the Flavorus Business under applicable Laws.

(e) Notice of Certain Events. Promptly following Purchaser's receipt of knowledge thereof, Purchaser shall notify Seller of, and furnish Seller any information it may reasonably request with respect to, any event that would reasonably be expected to cause any of the conditions set forth in Section 9.1 not to be fulfilled by the Termination Date.

6.3 Other Covenants of the Parties.

(a) Personally Identifiable Information. On or prior to the Closing Date, Purchaser shall adopt a written policy with respect to protection of the confidentiality of personally identifiable information regarding the Employees and, to the extent applicable, the Clients of the Flavorus Business that is at least as restrictive as the written policies with respect thereto in effect on the Petition Date. From and after the Closing Date, Purchaser shall (i) comply with such policy, or such successor policies adopted from time to time, except to the extent that any Person consents, following the Closing Date, to a different policy in accordance with applicable Law, (ii) comply with applicable Law with respect to the protection of personally identifiable information and (iii) otherwise comply with the requirements of Section 363(b)(1)(A) of the Bankruptcy Code.

(b) Access to Records after Closing. From and after the Closing Date, each Party hereto shall provide the other Party hereto (and their respective Representatives) with access, at reasonable times, upon reasonable notice and in all cases in a manner so as not to unreasonably interfere with their normal business, in the case of Seller, to the books and records acquired pursuant to this Purchase Agreement as of the Closing Date, and in the case of Purchaser, to the books and records retained by Seller and related primarily to the Flavorus Business or any Flavorus Asset, in either case so as to enable Purchaser and Seller to prepare Tax, financial or court filings or reports, to respond to court orders, subpoenas or inquiries, investigations, audits or other proceedings of Governmental Authorities, and to prosecute and defend legal Actions or for other like purposes, including Claims, objections and resolutions. If any Party desires to dispose of any such books and records, such Party shall, 30 days prior to such disposal, provide the other Party with a reasonable opportunity to remove such records to be disposed of at the removing Party's expense.

(c) Confidentiality. Except as permitted pursuant to Section 12.10, from and after the Closing Date for a period of two years thereafter, Seller and Parent (i) shall not, and shall take all commercially reasonable action to cause each of the Subsidiaries of Parent and its and their respective officers, directors and employees not to, (A) directly or indirectly, disclose, reveal, divulge or communicate to any Person other than authorized officers, directors and employees of Purchaser and excluding information described in any of subclauses (A), (B) or (C) of clause (ii) below, or (B) use or otherwise exploit for its own benefit or for the benefit of any

other Person (other than any use or exploitation in connection with the provision of goods or services to, or for the benefit of, any Client that is an SFX Party or any concert, show, festival or event that is owned or managed by any SFX Party), any Flavorus Confidential Information and, (ii) shall take all commercially reasonable action to cause each of the Subsidiaries of Parent and its and their respective officers, directors and employees to, keep confidential all Flavorus Confidential Information, except for any such information that (A) is available to the public on the Closing Date, (B) thereafter becomes available to the public other than as a result of a disclosure by Seller, Parent, any of Parent's Subsidiaries or any of their respective officers, directors or employees in violation of their respective confidentiality obligations in this Section 6.3(c), other than in accordance with clause (x) of the immediately following proviso or, (C) is or becomes available to Seller, Parent, any of Parent's Subsidiaries or any of their respective officers, directors or employees (each an "SFX Party" and collectively, the "SFX Parties") on a non-confidential basis; provided, however, that nothing contained in this Section 6.3(c) shall prohibit (x) any SFX Party from disclosing any information should such party be required to disclose any such information by applicable Law or by legal or administrative process (including by deposition, oral questions, interrogatory, request for documents, request for information, subpoena, civil investigative demand or similar process); provided, that in any such case, and only of legally permissible, it shall inform Purchaser in writing of such request or obligation as soon as possible after such party is informed of it and, if possible, before any information is disclosed, so that a protective order or other appropriate remedy may be obtained by Purchaser at the sole cost and expense of Purchaser or (y) any SFX Party from disclosing any information to (I) SFX-React Operating LLC solely for the purpose of facilitating Seller's obligations under Section 6.6(d) or (II) any Transitioned Provider or the SFX Party that owns or operates a Transitioned Festival, in each case, solely for the purpose of facilitating Parent's and Seller's obligations under Section 6.6(e). For purposes hereof, "**Flavorus Confidential Information**" means any proprietary or confidential information relating to the Flavorus Business, any Flavorus Asset or any Assumed Liability, including methods of operation, customers, customer, Client or vendor lists, products, prices, fees, costs, technology, inventions, trade secrets, know-how, software, marketing methods, plans, and information relating to the Flavorus Business' personnel, suppliers, competitors, markets or other specialized information or proprietary matters, in each case solely to the extent relating to the Flavorus Business. Promptly (and, in any event, within five Business Days) following the Execution Date, Seller and Parent shall (1) to the extent permitted by the applicable confidentiality agreement, request that each Person (other than Purchaser) that has previously executed a confidentiality agreement in connection with its consideration of a Competing Proposal promptly destroy any non-public or proprietary information previously furnished or made available to such Person or any of its representatives by or on behalf of Seller, Parent or any of their respective Representatives in accordance with the terms of such confidentiality agreement and (2) immediately terminate access to any Person (other than Purchaser and its Representatives) to any electronic data room maintained by Parent with respect to the transactions contemplated by this Agreement.

(d) Escrow Agreement.

(i) As promptly as practicable following the date hereof, Purchaser shall select a nationally recognized banking institution to act as escrow agent with respect to the deposit of the Adjustment Escrow Amount at Closing, which such agent shall be reasonably acceptable to Seller (such agent, the "Escrow Agent"). Prior to the Closing,

Purchaser and Seller shall use their respective commercially reasonable efforts to enter into an escrow agreement with the Escrow Agent in substantially the form attached hereto as Exhibit I (the “Escrow Agreement”) to govern (A) the deposit and release of the Adjustment Escrow Amount and (B) the deposit and release of the Aggregate Event Cancellation Amount.

(ii) In the event any funds are released to Purchaser from the Event Cancellation Escrow Account pursuant to Section 3(a)(iv)(1) of the Escrow Agreement (the “Released Cancellation Funds”), Purchaser shall hold such Released Cancellation Funds for a period of 180 days following Purchaser’s receipt thereof and apply such Released Cancellation Funds solely to satisfy any refunds, returns, chargebacks or disputed charges (including any out-of-pocket costs incurred by Purchaser in connection therewith (including, without limitation, any payment processor fees)) that Purchaser is subject to for the Subject Festival (as defined in the Escrow Agreement) in respect of which such Released Cancellation Funds were released. Promptly following the conclusion of such 180 day period (or earlier, if so elected by Purchaser in its sole discretion), Purchaser shall pay to Seller any portion of the Released Cancellation Funds that remains following Purchaser’s payment of such refunds, returns, chargebacks or disputed charges (including any out-of-pocket costs incurred by Purchaser in connection therewith (including, without limitation, any payment processor fees)); provided, that such payment to Seller shall in no way restrict Purchaser’s ability to make claims against the Event Cancellation Escrow Account in accordance with the terms of the Escrow Agreement; provided, further, that Purchaser shall use commercially reasonable efforts to contest any such refunds, returns, chargebacks or disputed charges if doing so would be consistent with ordinary business practices.

6.4 Employment Covenants and Other Undertakings.

(a) At or prior to the Closing, Purchaser shall offer to employ on an at-will basis not less than seventy-five percent of the Employees, which shall include each of the Employees listed on Schedule 9.2(f) (all such Employees accepting such offer are hereinafter referred to as the “Newly Hired Employees”). The offer of employment shall (A) provide for substantially the same hourly wage rate or salary level in effect as of the Execution Date and (B) provide health and welfare benefits that are substantially similar, on the whole, to those benefits that are provided to similarly situated employees of Purchaser (which benefits exclude, for the avoidance of doubt, severance benefits, performance-based or incentive compensation, commissions, bonuses and equity-based compensation). Each employment offer shall provide that such offer of employment shall take effect on the Closing Date. Seller shall deliver to Purchaser on or before the Closing Date all personnel files and employment records relating to the Newly Hired Employees to the extent permitted by Law (including completed I-9 forms and attachments with respect to all Newly Hired Employees, except for such Employees as Seller certifies in writing are exempt from such requirement). Seller shall reasonably cooperate with Purchaser to facilitate Purchaser’s communications with the Employees for the purposes of communicating employment offers pursuant to this Section 6.4(a), and no such communications by Purchaser shall be deemed to violate any provision of this Purchase Agreement or the Confidentiality Agreement.

(b) For all purposes of employee benefit plans of Purchaser or its Affiliates other than a “pension plan” (as defined in Section 3(2) of ERISA) for which a Newly Hired Employee otherwise becomes eligible, such Newly Hired Employee shall be given credit under such plan for all service prior to the Closing Date with Seller.

(c) The provisions of this Purchase Agreement shall not be deemed to be the adoption of, or an amendment to, any employee benefit plan, as that term is defined in Section 3(3) of ERISA, or otherwise to limit the right of Purchaser to amend, modify or terminate any such employee benefit plan.

(d) Seller and Parent hereby consent to the hiring of the Newly Hired Employees by Purchaser or any of its Affiliates and waive in perpetuity any claim or right of Seller or Parent under any non-disclosure or confidentiality, non-compete or non-solicitation, employment, assignment of inventions or similar agreement in favor of Seller or Parent to which any Newly Hired Employee is a party (all of which claims and rights are expressly assigned to Purchaser pursuant to Section 2.1(I)), other than any claim or right under the Stock Purchase Agreement, which shall be subject to Section 6.6(b).

(e) Seller shall be responsible for the administration of, and shall retain any and all obligations and liabilities for, COBRA continuation coverage with respect to the Employees and their dependents and beneficiaries for “qualifying events” occurring on or prior to the Closing Date, including with respect to each individual who is or becomes an “M&A qualified beneficiary” (as such term is defined in Treasury Regulation Section 54.4980B-9) in connection with the consummation of the transactions contemplated by this Purchase Agreement. Seller shall be responsible for providing any notice (or pay in lieu of notice) and making any filings required to comply with the provisions of the Worker Adjustment and Retraining Notification Act or any similar state or local law (collectively, the “WARN Act”) with respect to the termination of employment of any Employee on or prior to the Closing Date and any Employee that is not a Newly Hired Employee. Purchaser shall be responsible for providing any notice (or pay in lieu of notice) and making any filings required to comply with the WARN Act with respect to the termination of the employment of any Newly Hired Employees after the Closing Date.

(f) Seller shall be liable for, and shall process the payroll and pay, or cause to be paid, the base salary (or wages) and employee benefits that are due and payable on or prior to the Closing Date with respect to all Employees.

(g) Without limiting the generality of Section 12.17, Seller and Purchaser each acknowledge and agree that all provisions contained in this Section 6.4 are included for the sole benefit of Seller and Purchaser and that nothing herein, whether express or implied, shall create any third party beneficiary or other rights (i) in any other Person, including any current or former employees, directors, officers or consultants of the Flavorus Business, any participant in any Employee Benefit Plan, or any dependent or beneficiary thereof, or (ii) to continued employment with Purchaser or any of its Affiliates.

6.5 Approvals.

(a) Each Party hereto shall, as promptly as possible, use its commercially reasonable efforts to obtain, or cause to be obtained, all consents, authorizations, orders and approvals from all Governmental Authorities that may be or become necessary for its execution and delivery of this Purchase Agreement and the performance of its obligations pursuant to this Purchase Agreement, in each case, as promptly as practicable. Each Party shall cooperate fully with the other Party in promptly seeking to obtain all such consents, authorizations, orders and approvals.

(b) Without limiting the generality of Purchaser's undertakings pursuant to this Section 6.5, Purchaser agrees to use commercially reasonable efforts to avoid or eliminate each and every impediment under any Antitrust Law, competition or trade regulation Law or other Law that may be asserted by any Governmental Authority or any other party so as to enable the Parties hereto to close the transactions contemplated by this Purchase Agreement as promptly as possible. Notwithstanding anything in this Purchase Agreement to the contrary, in no event shall Purchaser or any of its Affiliates be required or obligated to propose, negotiate, commit or effect, by consent decree, hold separate orders, or otherwise, the sale, divestiture or disposition of any of its assets, properties or businesses or of the assets, properties or businesses to be acquired by it pursuant to this Purchase Agreement, or otherwise make available to any Person any technology or other IP of the Flavorus Business or of Purchaser or any of its Affiliates, or change or modify any course of conduct or otherwise make any commitment to any Governmental Authority regarding future operations of Purchaser's business or the Flavorus Business.

(c) All analyses, appearances, meetings, discussions, presentations, memoranda, briefs, filings, arguments, and proposals made by or on behalf of any Party before any Governmental Authority or the staff or regulators of any Governmental Authority, in connection with any consent, authorization, order or approval required from any Governmental Authority in connection with the Purchase Agreement (but, for the avoidance of doubt, not including (i) any interactions between Seller, on the one hand, and any Governmental Authority, on the other hand, in the Ordinary Course of Business or (ii) any disclosure which is not permitted by Law) shall be disclosed to the other Party hereto in advance of any filing, submission or attendance, it being the intent of the Parties that the Parties will consult and cooperate with one another, and consider in good faith the views of one another, in connection with any such analyses, appearances, meetings, discussions, presentations, memoranda, briefs, filings, arguments, and proposals. Each Party shall give notice to the other Party with respect to any meeting, discussion, appearance or contact with any Governmental Authority or the staff or regulators of any Governmental Authority in connection with any consent, authorization, order or approval required from any Governmental Authority in connection with the Purchase Agreement, with such notice being sufficient to provide the other Party with the opportunity to attend and participate in such meeting, discussion, appearance or contact. Each Party shall promptly inform the other Party hereto of any oral communication with, and provide copies of written communications with, any Governmental Authority regarding any of the foregoing matters.

(d) Seller and Purchaser may, as each deems advisable and necessary, reasonably designate any competitively sensitive material provided to the other under this Section 6.5 as "outside counsel only." Such materials and the information contained therein

shall be given only to the outside legal counsel of the recipient and shall not be disclosed by such outside counsel to employees, officers or directors of the recipient without the advance written consent from the source of such materials and information (Seller or Purchaser, as the case may be).

(e) The Parties shall cooperate fully with each other to the extent reasonably practicable, as and to the extent reasonably requested by the other Party, in connection with any Tax matter (including Tax Returns) related to the Flavorus Assets or the operation of the Flavorus Business (including by the provision of reasonably relevant Books and Records or information subject to the other terms and conditions of this Purchase Agreement applicable to such Books and Records).

(f) Real and personal property Taxes, ad valorem Taxes, and franchise fees or Taxes (that are imposed on a periodic basis (as opposed to a net income basis)) (collectively, "Periodic Taxes") shall be prorated between Seller and Purchaser for any taxable periods beginning on or prior to and ending after the Closing Date (such taxable periods, "Straddle Periods"). Periodic Taxes attributable to Straddle Periods shall be prorated between Purchaser and Seller based on the relative periods that the Flavorus Assets subject to such Periodic Taxes were owned by Seller (including by IP Transferor) or Purchaser during the fiscal period of the taxing jurisdiction for which such Taxes were imposed by such jurisdiction (as such fiscal period is or may be reflected on the bill rendered by such taxing jurisdiction). The amount of all such prorations shall be settled and paid on the Closing Date; provided, however, that final payments with respect to prorations that are not able to be calculated on the Closing Date shall be calculated and paid as soon as practicable thereafter.

6.6 Other Covenants.

(a) Pre-Closing Covenants of Parent. During the period from the Execution Date through and including the Closing Date or the earlier termination of this Purchase Agreement in accordance with the provisions of Article 11, except as expressly required under the Bankruptcy Code or an Order of the Bankruptcy Court and except in connection with Sections 6.6(d) and 6.6(e), Parent shall (i) use commercially reasonable efforts to keep available the services of the Employees employed by Parent to the extent primarily related to the Flavorus Business and (ii) not, and shall not cause or permit any of its Subsidiaries to, in each case without Purchaser's prior written consent (such consent not to be unreasonably withheld, conditioned, delayed or denied), (A) fail to provide to Seller in any material respect any of the services provided to Seller by Parent as set forth on Schedule 4.18 or (B) enter into, amend, modify or terminate any Contract or other arrangement or understanding (whether or not written) with Seller relating to the provision of services for or in respect of the Flavorus Business.

(b) Enforcement of Restrictive Covenants. The Parties acknowledge and agree that the provisions of Section 6.3 of the Stock Purchase Agreement shall inure to the benefit of Purchaser as the transferee of the Flavorus Business hereunder. In the event the rights of Parent and Acquisition Company (as such term is defined in the Stock Purchase Agreement) cannot be assigned to Purchaser, or Purchaser is unable to fully enforce any claims or rights of under the Stock Purchase Agreement (including any such rights set forth in Section 6.3 thereof), whether pursuant to Section 2.1(t) hereof or otherwise, then up until the expiration of the

Restricted Period (as such term is defined in the Stock Purchase Agreement), Parent shall, and shall cause its Subsidiaries to, if, as and when directed by Purchaser, (i) provide Purchaser with all of the benefits of, or under, Section 6.3 of the Stock Purchase Agreement and (ii) at the sole cost and expense of Purchaser (including reasonable attorneys' fees), enforce for the account of Purchaser (solely as directed by Purchaser) any rights of Parent or Acquisition Company (as such term is defined in the Stock Purchase Agreement) under Section 6.3 of the Stock Purchase Agreement (including the right to enforce the restrictive covenants contained in Section 6.3 of the Stock Purchase Agreement against the "Restricted Parties" described therein); it being understood that neither Parent nor any of its Affiliates or Subsidiaries shall have any right to waive, settle, adjust or compromise any claim or right under the Stock Purchase Agreement in accordance with this Section 6.6(b) without the prior written consent of Purchaser.

(c) Non-Competition and Non-Solicitation.

(i) During the period of time beginning on the Closing Date and ending on the date that is 30 months after the Closing Date (as may be extended below, the "Restrictive Covenant Period"), each of Seller and Parent (each, a "Restricted Party") shall not, and shall cause each of Parent's Subsidiaries not to, directly or indirectly: (x) anywhere in the United States, engage in any manner (including by owning any interest in, managing, controlling, participating in (whether as a partner, agent, representative, consultant or otherwise) or providing funding (excluding ordinary course commercial transactions)) in a business that is engaged in the Flavorus Business as conducted as of the Execution Date; (y) employ, engage, contract for or solicit the services in any capacity of any Newly Hired Employee; provided, however, that the foregoing shall not be deemed to prohibit (i) general solicitations for employment in newspapers or magazines, over the internet, or by headhunters or employment agencies, in each case, if not specifically directed towards any Newly Hired Employees or (ii) the employment, engagement, contracting or soliciting of any Newly Hired Employee that (1) has not been employed by Purchaser or any of its Affiliates for at least six months or (2) is then no longer employed by Purchaser or any of its Affiliates without solicitation or encouragement from Seller, Parent or any of their Subsidiaries; or (z) for its own account or on behalf of any other Person, solicit, divert, take away or attempt to take away any of the business of Seller (or, after the Closing, Purchaser) with respect to any of the Clients or licensees of the Flavorus Business, in each case in existence as of the Execution Date (other than any Client or licensee that is a SFX Party or that has an asterisk ("*") next to the name of such Client or licensee on Schedule 4.5(a) under the heading "Client or Counterparty Name") as set forth on Schedule 4.5(a) and noted thereon under the heading "Category" as being a "Client" or party to a "License Agreement" with Seller, in any such case solely for purposes of providing ticketing services or licensing a ticketing platform to such Client or licensee, as applicable; provided, however, that (A) clauses (x) and (y) of this Section 6.6(c)(i) shall not apply to SFX-React Operating LLC (but solely with respect to the operations of its ticketing business, "Clubtix") or Accepté B.V. a/k/a Paylogic or either of their Subsidiaries (each, an "Excluded Party") or Parent's interests, ownership, investment or activities of any kind with respect to an Excluded Party, (B) clause (z) of this Section 6.6(c)(i) shall not apply to any Excluded Party so long as none of Seller, Parent or any of Parent's Subsidiaries (other than the Excluded Parties) instructs, causes, directs or intentionally encourages (in each case, whether through the

provision of Flavorus Confidential Information or otherwise) or otherwise facilitates through the provision of Flavorus Confidential Information such Excluded Party's taking of any of the actions described in such clause (z), (C) this Section 6.6(c) shall not prevent the beneficial ownership for investment purposes of 2% or less of any class of equity securities of any such Person which are traded on a national securities exchange and (D) nothing in this Section 6.6(c)(i) shall prevent any Restricted Party or its Subsidiaries from undertaking or carrying out the Ticketing Transition.

(ii) Each of the Restricted Parties acknowledges that the restrictions contained in this Section 6.6(c) are reasonable and necessary to protect the legitimate interests of Purchaser and that any breach by such Restricted Party or by any Subsidiary of Parent of any provision hereof will result in irreparable injury to Purchaser. Each of the Restricted Parties acknowledges that, in addition to all remedies available at Law, Purchaser shall be entitled to equitable relief, including injunctive relief, and an equitable accounting of all earnings, profits or other benefits arising from such breach and shall be entitled to receive such other damages, direct or consequential, as may be appropriate. Purchaser shall not be required to post any bond or other security or to prove actual damages therefrom, in connection with any proceeding to enforce the provisions of this Section 6.6(c). Each of the covenants contained in this Section 6.6(c) shall be deemed a series of separate covenants in each jurisdiction in which the enforcement thereof is sought, and should a court of competent jurisdiction determine any of the restrictive covenants is not enforceable in such jurisdiction, such determination shall not affect the enforceability of these restrictive covenants in any other jurisdiction. With respect to any Restricted Party or any Subsidiary of Parent who breaches any of the restrictions contained in this Section 6.6(c), the Restrictive Covenant Period applicable to such Restricted Party shall automatically, without further action or deed, be extended for a number of days equal to the number of days on which such breach occurred.

(iii) Without limiting the generality of Section 12.3, the provisions of this Section 6.6(c) shall inure to the benefit of any subsequent transferee of Purchaser, any of its parents or the Flavorus Business or any substantial portion thereof, or any successor to Purchaser or any of its parents or Subsidiaries, whether or not this Agreement is assigned to such transferee.

(d) Affiliate Client Agreements. Prior to the Closing, Parent shall cause SFX-React Operating LLC to enter into a written client services agreement with Seller with respect to Seller's provision of ticketing services only for the festival Mamby on the Beach, which is currently scheduled to take place from July 2, 2016 to July 3, 2016, that (i) reflects the pricing terms in effect as of immediately prior to the Execution Date (as disclosed to Purchaser's outside counsel prior to the Execution Date), and (ii) otherwise reflects terms and conditions no less favorable to Seller (and, following the Closing, Purchaser) than those contained in Seller's standard form client services agreement (the "Mamby Client Agreement"); provided, that the term of the Mamby Client Agreement shall not be required to extend beyond July 30, 2016; it being understood that the Mamby Client Agreement shall be deemed an "Assumed Contract" for all purposes of this Purchase Agreement and the Sale Order. Each of Parent and Seller shall cause SFX-React Operating LLC to irrevocably assume the Mamby Client Agreement in accordance with Section 365 of the Bankruptcy Code. Notwithstanding anything to the contrary

herein, in no event shall Purchaser be required to make any Pre-Settlement Payments to Parent or any of its Affiliates (including SFX-React Operating LLC) in connection with the Mamby Client Agreement following the Closing.

(e) Transition to Paylogic. Promptly (and, in any event, within ten Business Days) following the Execution Date, Seller shall completely transition ticketing (such transition, the “**Ticketing Transition**”) for the events known as “React Summer Set” and “Made Events - Electric Zoo” (together, the “**Transitioned Festivals**”) to Paylogic or one of Parent’s other Affiliates (such transferee, the “**Transitioned Provider**”), and shall cease selling tickets for the Transitioned Festivals upon such transition. Seller shall, and Parent shall cause Seller and the Transitioned Provider to, keep Purchaser reasonably informed regarding the status and implementation of the Ticketing Transition. Following the completion of the Ticketing Transition until the date of the applicable Transitioned Festival, Seller, and after the closing Purchaser, shall include on its website a link to redirect customers who wish to purchase tickets for such Transitioned Festival to the Transitioned Provider’s website. Promptly (and, in any event, within five Business Days) following the completion of the Ticketing Transition, Parent shall, and shall cause its Subsidiaries to, update any sites, links, accounts, profiles, advertisements or other media properties under its or their control to direct customers that may be interested in purchasing tickets in connection with any Transitioned Festival to the Transitioned Provider’s website (instead of Seller) and shall use commercially reasonable efforts to inform potential customers that the Transitioned Provider is the sole ticketing provider for the Transitioned Festivals.

(f) Transition Services. During the two week period following the Closing Date, Parent shall provide to Purchaser the transition services described on Schedule 6.6(f).

Seller shall cause the Sale Order to provide that either (a) Seller has complied with the requirements of any applicable Law relating to bulk sales and transfer or (b) compliance with the requirement of any applicable Laws relating to bulk sales and transfers is not necessary or appropriate under the circumstances.

ARTICLE 8

BANKRUPTCY COURT MATTERS

8.1 Bankruptcy Court Filings. Seller has filed with the Bankruptcy Court, a motion seeking entry of the Sale Order (the “**Motion**”). Seller agrees that it will (i) use commercially reasonable efforts to ensure that the Sale Hearing takes place on or prior to June 8, 2016 (or such

later date as may be agreed to in writing by Purchaser and Seller) and (ii) take all actions as may be reasonably necessary to cause the Sale Order to be approved and entered by the Bankruptcy Court. Purchaser agrees that it will use commercially reasonable efforts to promptly take any such actions as are reasonably requested by Seller to assist in obtaining entry of the Sale Order and a finding of adequate assurance of future performance by Purchaser, including furnishing affidavits or other documents or information for filing with the Bankruptcy Court for the purposes, among others, of providing necessary assurances of performance by Purchaser under this Purchase Agreement and demonstrating that Purchaser is a “good faith” purchaser under Section 363(m) of the Bankruptcy Code; provided, however, that in no event shall Purchaser or Seller be required to agree to any amendment of this Purchase Agreement or changes to the Sale Order that are materially adverse to such Party. Purchaser shall, with the prior written consent of Seller, file, join in, and otherwise support any motion or other pleading seeking approval of the transactions contemplated by this Purchase Agreement. In the event the entry of the Sale Order is appealed, Seller and Purchaser shall use their respective commercially reasonable efforts to defend such appeal. Seller has served or shall promptly serve the Motion on all holders of Liens, Claims, Encumbrances or Interests, advising such holders that the sale of the Flavorus Assets is intended to be free of all such Liens, Claims, Encumbrances or Interests.

8.2 Contracts. Seller has served or shall promptly serve on all non-Debtor counterparties to all of the Contracts on Schedule 2.5(a) a notice specifically stating that Seller is or may be seeking the assumption and assignment of such Contracts and shall notify such non-Debtor counterparties of the deadline for objecting to the Cure Amounts, if any, which deadline shall not be less than three Business Days prior to the Sale Hearing. The aggregate Cure Amounts reflected on such notices shall be referred to herein as the “**Measurement Aggregate Cure Amount**”.

8.3 Competing Transaction. This Purchase Agreement is subject to approval by the Bankruptcy Court and the consideration by Seller of competing bids that Seller, in its reasonable discretion, deems in good-faith to be superior to the transactions set forth in this Purchase Agreement (each such bid, a “**Competing Bid**”). At any time prior to the conclusion of the Auction, Seller may, and may cause its Affiliates and their respective Representatives to, (a) initiate contact with, solicit or encourage submission of any inquiries, proposals or offers by, any Person (in addition to Purchaser and its Affiliates and their respective Representatives) in connection with any sale or other disposition of the Flavorus Assets or any business combination involving the Flavorus Assets or the Flavorus Business or any part of the Flavorus Business; (b) respond to any inquiries or offers to purchase all or any part of the Flavorus Assets or any business combination involving the Flavorus Assets or the Flavorus Business or any part of the Flavorus Business; or (c) engage in discussions or negotiations with respect to any such inquiries or offers and to perform any and all other acts related thereto which are required or permitted under the Bankruptcy Code or other applicable Law, including supplying information relating to the Flavorus Business or the Flavorus Assets to any prospective purchaser (collectively, “**Solicitation Activities**”). From and after the conclusion of the Auction, neither Seller nor Parent shall, and each of them shall cause their respective Subsidiaries and Representatives not to, directly or indirectly, conduct, effect, facilitate, encourage or otherwise participate in any Solicitation Activities (other than with Purchaser and its Representatives); provided, however, that Seller, its Affiliates and their respective Representatives, in Seller’s sole discretion, may

engage in discussions with its creditor constituencies (and their Representatives) in the Bankruptcy Case regarding Competing Bids.

8.4 Procedure. Seller shall promptly provide Purchaser with drafts of any and all material pleadings material with respect to the sale of the Flavorus Business, including the proposed orders to be filed or submitted in connection with this Purchase Agreement for Purchaser's prior review and comment. Seller agrees to use commercially reasonable efforts to obtain entry of the Sale Order. Seller shall materially comply with all notice requirements (a) of the Bankruptcy Code and the Federal Rules of Bankruptcy Procedure or (b) imposed by Sale Order, in each case, in connection with any pleading, notice or motion to be filed in connection herewith.

(b) Performance of the Obligations of Seller. Seller shall have performed and complied, in all material respects, with all of its obligations and agreements under this Purchase Agreement that are to be performed by Seller on or before the Closing Date (except with respect to obligations which Seller is to perform as of the Closing under this Purchase Agreement).

(e) No Violation of Orders. No temporary, preliminary or permanent Order or Law that prevents the consummation of the transactions contemplated hereby shall be in effect.

(f) Key Employees. Each of the Employees listed on Schedule 9.2(f) shall have accepted (and not subsequently revoked) Purchaser’s offer of employment pursuant to Section 6.4(a), which such offer shall, subject to Section 6.4(a), be in form and substance reasonably acceptable to Purchaser.

(g) Personally Identifiable Information. There shall not be any instituted, pending or threatened Action initiated by any Governmental Authority seeking, directly or indirectly, to impose or confirm any restrictions or limitations on Purchaser's ability to own, disclose or use any personally identifiable information regarding the Newly Hired Employees or any Clients or end users of the Flavorus Business (other than the express limitations contained in the written policies of Seller with respect thereto in effect on the Petition Date), and no temporary, preliminary or permanent Order or Law that restricts or limits Purchaser's ability to own, disclose or use any personally identifiable information regarding the Newly Hired Employees or any Clients or end users of the Flavorus Business in any manner (other than the express limitations contained in the written policies of Seller with respect thereto in effect on the Petition Date) shall be in effect.

9.3 Frustration of Closing Conditions. Neither Seller nor Purchaser may rely on the failure of any condition set forth in Section 9.1 or Section 9.2, as the case may be, if such failure was caused by such Party's, or any of its Affiliate's, failure to comply with any provision of this Purchase Agreement.

ARTICLE 10 **CLOSING AND DELIVERIES**

10.1 Closing. Upon the terms and subject to the conditions of this Purchase Agreement, the sale and purchase of the Flavorus Assets and the assumption of the Assumed Liabilities contemplated by this Purchase Agreement shall take place at a closing (the "**Closing**") to be held on the second Business Day after the date on which all conditions (other than those conditions which are to be satisfied only on the Closing Date) to the obligations of the Parties hereto set forth in Article 9 to consummate the transactions contemplated hereby are first satisfied or waived (the date that the Closing occurs being the "**Closing Date**"); provided, however, that, unless otherwise agreed to by the Parties in writing, the Closing shall not occur prior to the date on which all proceeds shall have been fully settled with the applicable Client in respect of each Key Festival in accordance with the terms and conditions of the SFX Client Contract relating to such Key Festival; provided, further, that in the event that the Cash Purchase Price (as calculated in the Estimated Closing Statement) is less than the Adjustment Escrow Amount, Purchaser may (in its sole and absolute discretion) elect to postpone the Closing Date to any date up until the date that is the first Business Day prior to the Termination Date. The Closing shall occur on the Closing Date at 11:00 a.m., New York time, in the offices of Greenberg Traurig, LLP, 200 Park Avenue, New York, New York 10166 or at such other time or location as may be agreed to by the Parties in writing. (a) by mutual written consent of Seller and Purchaser;

(b) by either of Seller or Purchaser, upon the issuance of a final and non-appealable Order by a Governmental Authority to permanently restrain, enjoin or otherwise prohibit the Closing; provided that the right to terminate this Purchase Agreement under this Section 11.1(b) shall not be available to any Party whose breach of, or failure to fulfill any obligation under, this Purchase Agreement shall have been the cause of, or shall have resulted in, the issuance of a final and non-appealable Order by a Governmental Authority to permanently restrain, enjoin or otherwise prohibit the Closing;

(c) by either of Seller or Purchaser if the Closing shall not have occurred by June 27, 2016 (as it may be extended pursuant to the immediately succeeding proviso, the "Termination Date"); provided, that, subject to the Sale Order having been entered by the Bankruptcy Court, Purchaser shall be entitled (in its sole and absolute discretion) to extend the Termination Date by up to 30 days upon delivery of written notice to Seller; provided, further, that the right to terminate this Purchase Agreement under this Section 11.1(c) shall not be available to any Party whose failure to fulfill any covenant or other agreement under this Purchase Agreement shall have been the cause of, or shall have resulted in, the failure of the Closing to occur on or prior to the Termination Date;

(d) by Purchaser:

(i) if Seller or Parent shall have breached or failed to perform any of its representations, warranties, covenants or other agreements contained in this Purchase Agreement, which breach or failure to perform (A) would result in the failure of a condition set forth in Section 9.2 and (B) is not curable or able to be performed, or, if curable or able to be performed, is not cured or performed within seven Business Days of delivery of notice of such breach or failure (or such longer period as may be agreed to by Seller and Purchaser); provided, however, that Purchaser is not then in breach of its covenants or other agreements under this Purchase Agreement in any material respect;

(ii) if the Bankruptcy Court has entered an order dismissing Seller's Bankruptcy Case or converting it to a case under Chapter 7 of the Bankruptcy Code, or appointing a trustee in its Bankruptcy Case or appointing a responsible officer or an examiner with enlarged powers relating to the operation of the Flavorus Business (beyond those set forth in Section 1106(a)(3) or (4) of the Bankruptcy Code) under

Bankruptcy Code Section 1106(b), which order is not reversed or vacated within fourteen (14) days after the entry thereof;

(iii) if the Sale Order has been stayed, revoked, rescinded or modified in any material respect and the order staying, revoking, rescinding or modifying the Sale Order is not reversed or vacated within fourteen days after the entry thereof;

(iv) if the Measurement Aggregate Cure Amount is greater than \$3,600,000; or

(v) if (A) any Key Festival shall have been cancelled or otherwise failed to occur or (B) the Ticketing Transition shall have failed to occur on or prior to the fourteenth Business Day following the Execution Date;

(e) by Seller if Purchaser shall have breached or failed to perform any of its representations, warranties, covenants or other agreements contained in this Purchase Agreement, which breach or failure to perform (A) would result in the failure of a condition set forth in Section 9.1 and (B) is not curable or able to be performed, or, if curable or able to be performed, is not cured or performed within seven Business Days of delivery of notice of such breach or failure (or such longer period as may be agreed to by Seller and Purchaser); provided, however, that neither Seller nor Parent is then in breach of its covenants or other agreements under this Purchase Agreement in any material respect;

(f) by Purchaser if the Sale Order shall not have been entered by the Bankruptcy Court on or before June 10, 2016; provided that Purchaser shall not be entitled to terminate this Purchase Agreement pursuant to this Section 11.1(f) if such failure is due to any breach of this Purchase Agreement by Purchaser; or

(g) by Purchaser or Seller, if, following the Sale Hearing, the Bankruptcy Court determines that Purchaser is not the Successful Bidder or Backup Bidder (as such term is defined in the Bid Procedures Order).

Each right of termination set forth in this Section 11.1 pursuant to which this Purchase Agreement may be terminated shall be considered separate and distinct from each other such right of termination. If more than one of the termination rights set forth in this Section 11.1 is applicable, the applicable Party shall have the right to choose the termination right pursuant to which this Purchase Agreement is to be terminated. In the event of termination by Purchaser or Seller (or both), pursuant to this Section 11.1, written notice thereof shall forthwith be given to the other Party, and this Purchase Agreement shall immediately terminate, and the purchase of the Flavorus Assets hereunder shall be abandoned, without further action by either Party.

11.2 Effect of Termination.

(a) In the event of termination pursuant to Section 11.1, other than as set forth in this Section 11.2, this Purchase Agreement shall become null and void and have no effect and no Party hereto shall have any Liability to the other Party hereto except with respect to the provisions of this Article 11 and Article 12, which shall expressly survive termination hereof;

provided that upon such termination, each of the provisions of the Confidentiality Agreement shall survive and remain in full force and effect in accordance with its terms.

(b) Purchaser and Seller hereby agree that:

(i) if this Purchase Agreement is terminated by Seller pursuant to Section 11.1(e), then Seller shall be entitled to prompt disbursement of the Deposit (including, for the avoidance of doubt, all interest and other earnings accrued and earned thereon); and

(ii) if this Purchase Agreement is terminated pursuant to any subsection of Section 11.1 (other than Section 11.1(e)), then Seller shall cause the entire Deposit (including, for the avoidance of doubt, all interest and other earnings accrued and earned thereon) to be promptly returned to Purchaser.
