WHEREAS, pursuant to the Contribution Agreement, dated as of July 6, 2016, between Assignor and Assignee, Assignor has conveyed, transferred and assigned to Assignee, among other assets, all intellectual property of Assignor, and has agreed to execute and deliver this Trademark Assignment, for recording with the United States Patent and Trademark Office.

NOW THEREFORE, the parties agree as follows:

1. Assignment. For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby irrevocably conveys, transfers and assigns to Assignee, and Assignee hereby accepts, all of Assignor's right, title and interest in and to the following (the "Assigned Trademarks"):

(a) the trademark registrations and applications set forth on Schedule 1 hereto and all issuances, extensions and renewals thereof (the "Trademarks"), together with the goodwill of the business related to the use of, and symbolized by, the Trademarks;

(b) all rights of any kind whatsoever of Assignor accruing under any of the foregoing provided by applicable law of any jurisdiction, by international treaties and conventions and otherwise throughout the world;

(c) any and all royalties, fees, income, payments and other proceeds now or hereafter due or payable with respect to any and all of the foregoing; and

(d) any and all claims and causes of action, with respect to any of the foregoing, whether accruing before, on and/or after the date hereof, including all rights to and claims for damages, restitution and injunctive and other legal and equitable relief for past, present and future infringement, dilution, misappropriation, violation, misuse, breach or default, with the right but no obligation to sue for such legal and equitable relief and to collect, or otherwise recover, any such damages.

2. Recordation and Further Actions. Assignor hereby authorizes the Commissioner for Trademarks in the United States Patent and Trademark Office and the officials of corresponding entities or agencies in any applicable jurisdictions to record and register this Trademark Assignment upon request by Assignee. Following the date hereof, upon Assignee's reasonable request, and at Assignee's sole cost and expense, Assignor shall take such steps and actions, and provide such cooperation and assistance to Assignee and its successors, assigns and legal representatives, including the execution and delivery of any affidavits, declarations, oaths, exhibits, assignments, powers of attorney, or other documents, as may be reasonably necessary to effect, evidence or perfect the assignment of the Assigned Trademarks to Assignee, or any assignee or successor thereto.

3. Terms of the Contribution Agreement. The parties hereto acknowledge and agree that this Trademark Assignment is entered into pursuant to the Contribution Agreement, to which reference is made for a further statement of the rights and obligations of Assignor and Assignee with respect to the Assigned Trademarks.
