SHORT FORM TRADEMARK SECURITY AGREEMENT

TRADEMARK SECURITY AGREEMENT (this “Trademark Security Agreement”), dated as of July 1, 2016, is executed by each of the signatories identified on the signature pages hereto as “Grantors” (the “Grantors”), in favor of Wells Fargo Bank, National Association, as Lender (the “Lender”) with offices at 7711 Plantation Road, First Floor, Roanoke, Virginia 24019.

WITNESSETH:

WHEREAS, pursuant to the Revolving Loan Agreement dated as of July 1, 2016 (as amended, supplemented or otherwise modified from time to time, the “Loan Agreement”), by and among The StayWell Company, LLC (the “Borrower”), MMUSA Acquisition Corp. and MMUSA Acquisition II Corp. (collectively, “Holdings”), certain Subsidiaries of the Borrower (the “Subsidiary Guarantors”, and, together with Holdings, the “Guarantors”) and the Lender, the Lender has agreed to make an extension of credit to the Borrower upon the terms and subject to the conditions set forth in the Loan Agreement;

WHEREAS, it is a condition precedent to the obligation of the Lender to make an extension of credit to the Borrower under the Loan Agreement that the Grantors shall have delivered to the Lender any instruments, documents and agreements in order to grant and convey to the Lender and perfect a Lien on the Collateral as security for the Obligations;

NOW, THEREFORE, in consideration of the premises and to induce the Lender to enter into the Loan Agreement and to induce the Lender to make the extension of credit to the Borrower thereunder, each Grantor hereby agrees with the Lender as follows:

Section 1. Defined Terms

Unless otherwise defined herein, terms used herein have the meanings given to them in the Loan Agreement. All capitalized terms defined in the UCC of the State of New York and not otherwise defined in the Loan Agreement or herein shall have the meanings specified therein.

Section 2. Grant of Security Interest in Trademark Collateral

Each Grantor hereby grants to the Lender a security interest in all of the following property (other than Excluded Assets) now owned or at any time hereafter acquired by such Grantor or in which such Grantor now has or at any time in the future may acquire any right, title or interest; provided, however, that the foregoing grant does not include (i) rights granted to any Grantor under any legally enforceable license agreement to the extent such agreement does not permit the relevant Grantor(s) to grant a security interest in such rights, or (ii) any United States intent-to-use trademark application to the extent that, and solely during the period in which, the grant of a security interest therein would impair the validity or enforceability of such intent-to-use trademark application under applicable federal law (collectively, the “Trademark Collateral”), as collateral security for the prompt and complete payment and performance when due (whether at the stated maturity, by acceleration or otherwise) of the Obligations of such Grantor:

(a) all of its Trademarks included in the Collateral, including, without limitation, those referred to on Schedule 1 hereto;

- (b) all renewals and extensions of the foregoing;
- (c) all goodwill of the business connected with the use of each such Trademark;
- (d) all claims by the Grantor against third parties for (i) past, present or future infringement or dilution of any Trademark, including, without limitation, any Trademark listed on Schedule 1 or (ii) injury to the goodwill associated with any Trademark; and
- (e) to the extent not otherwise included, all Proceeds of any and all of the foregoing.

Section 3. Security Agreement

The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to the Lender pursuant to the Loan Agreement and each Grantor hereby acknowledges and affirms that the rights and remedies of the Lender with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Loan Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event of a conflict between the Loan Agreement and this Trademark Security Agreement, the terms of the Loan Agreement shall control.

Section 4. Grantor Remains Liable

Each Grantor hereby agrees that, anything herein to the contrary notwithstanding, such Grantor shall remain liable and assume full and complete responsibility for the prosecution, defense, enforcement or any other necessary or desirable actions in connection with the Trademark Collateral.

Section 5. Counterparts

This Trademark Security Agreement may be executed by one or more of the parties hereto in any number of separate counterparts (including by telecopy), and all of said counterparts taken together shall be deemed to constitute one and the same instrument.

Section 6. Governing Law

This Trademark Security Agreement and the rights and obligations of the parties hereto shall be governed by, and shall be construed and enforced in accordance with, the law of the State of New York without regard to conflict of laws principles thereof.

[SIGNATURE PAGES FOLLOW]

IN WITNESS WHEREOF, each Grantor has caused this Trademark Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.
