TRADEMARK ASSIGNMENT

THIS TRADEMARK ASSIGNMENT (“Assignment”) is made as of June 30, 2016 (the “Effective Date”), by and between Khoury Consulting, Inc. DBA Frontline Performance Group, a Florida corporation (hereinafter referred to as “Assignor”) and Frontline Technology Solutions, LLC, a Florida limited liability company (hereinafter referred to as “Assignee”). Assignee and Assignor are sometimes referred to herein as each a “Party” and, collectively, the “Parties”.

WHEREAS, Assignor is the owner of a certain trademark as set forth on Schedule A attached hereto, together with all rights in the mark embodied therein and any other variations of the mark used by the Assignor and all registrations and applications therefor in the United States and for all foreign countries, including all goodwill associated therewith (collectively, the “Trademarks”).

WHEREAS, the assignment of the Trademarks hereunder is being made in connection with the transfer of the business to which such Trademarks relate, and such business is ongoing and existing; and

WHEREAS, the Parties wish to record this Assignment document with the United States Patent and Trademark Office to memorialize the assignment of the Trademarks from the Assignor to Assignee and to update the ownership records for such Trademarks to reflect Assignee as the owner of record for such Trademarks.

NOW, THEREFORE, in consideration of the foregoing, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged:

1. Assignment. Assignor hereby affirms its assignment, transfer, conveyance, and relinquishment of, and hereby assigns, transfers, conveys and relinquishes to Assignee, its successors, assigns and legal representatives, effective as of the Effective Date, all of Assignor’s right, title and interest in, to and under the Trademarks, together with all registrations and applications therefor, all rights in the marks embodied there in and any other variations of the mark used by the Assignor, all goodwill associated with the Trademarks and all other corresponding rights that are or may be hereafter secured under the laws of any country, now or hereafter in effect, for Assignee’s own use and enjoyment, and for the use and enjoyment of Assignee’s successors, assigns or other legal representatives, as fully and entirely as the same would have been held and enjoyed by such Assignor if this Assignment had not been made, including all right, title and interest in and to all income, proceeds, royalties, damages, claims and payments which accrue, or have accrued, prior to and as of the Effective Date or thereafter and are due or payable with respect thereto, and in and to all causes of action, either at law or in equity for any past, present or future infringement, of the Trademarks, or other violation or unauthorized use of the Trademarks, with the right to sue for, and collect the same for Assignee’s own use and enjoyment and for the use and enjoyment of Assignee’s successors, assigns or other legal representatives (collectively, the “Assigned Trademarks”).

The Assignor and Assignee hereby authorize and request the Commissioner of Patents and Trademarks, as well as its corresponding entities or agencies in any applicable foreign countries, to record Assignee as assignee and owner of the title to the applicable Assigned Trademarks.

2. Further Assurances. Assignor agrees to take all further actions, and provide to Assignee and Assignee's successors, assigns or other legal representatives, all such cooperation and assistance (including, without limitation, the execution and delivery of any affidavits, declarations, oaths, exhibits, assignments, powers of attorney or other documentation), requested by Assignee to more fully and effectively effectuate the purposes of this Assignment.

3. Counterparts. This Assignment may be executed in any number of counterparts and by the different Parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original, and all of which taken together shall constitute one and the same agreement. Delivery of an executed counterpart of a signature page to this Assignment electronically or by telecopy shall be as effective as delivery of a manually executed counterpart of this Assignment.

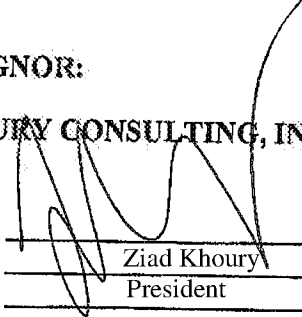

4. Severability. Each provision of this Agreement will be interpreted in such a manner as to be effective and valid under applicable law, but if any term or other provision of this Agreement is held to be invalid, illegal or unenforceable under applicable law, all other provisions of this Agreement shall remain in full force and effect.
