## **TRADEMARK ASSIGNMENT AGREEMENT**

This **TRADEMARK ASSIGNMENT AGREEMENT** (“**Agreement**”) is made and entered into as of the 30th day of June, 2016 by and between Spenco Medical Corporation, a Texas corporation (“**Assignor**”), and Implus Footcare, LLC, a Delaware limited liability company (“**Assignee**”). Capitalized terms used but not otherwise defined in this Agreement shall have the meanings given to them in that certain Asset Purchase Agreement, dated as of the date hereof, by and among Assignor, Assignee, SBS Enterprises, Inc. and Steven B. Smith (the “**Purchase Agreement**”).

### **RECITALS**

**WHEREAS**, Assignor and Assignee are parties to the Purchase Agreement; and

**WHEREAS**, this Agreement is made and delivered pursuant to, inter alia, Article 1.1, of the Purchase Agreement.

### **AGREEMENT**

**NOW, THEREFORE**, in consideration of the foregoing premises and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto hereby agree as follows:

**1. Assignment.** Assignor hereby sells, assigns, conveys and transfers to Assignee, and Assignee hereby purchases, acquires, accepts and assumes from Assignor, all of Seller’s worldwide right, title and interest in, to and under the Trademarks related to or used in connection with the US Business (the “**Assigned Trademarks**”) including, without limitation, the Trademarks identified on Exhibit A and any and all derivations thereof and logos related thereto and all applications, certificates, files, recordings, licenses, approvals and registrations and other agreements relating to any of the Assigned Trademarks, together with Assignor’s worldwide right to police, monitor and enforce the Assigned Trademarks against any and all past and current infringements (including, without limitation, the right to sue for and collect damages caused by any such infringement) which may have occurred at any time in the unlimited past, up to the date of this Agreement, together with any and all further privileges in the United States and throughout the world to establish use, ownership and/or registration of the Assigned Trademarks.

**2. Authorization.** Assignor hereby authorizes the Commissioner of Patents and Trademarks (and the equivalent authority in foreign patent offices) to record this Agreement and transfer the Assigned Trademarks to Assignee as assignee of Seller’s entire right, title and interest therein or otherwise as Assignee may direct, in accordance with this instrument of assignment.

**3. Governing Agreement.** This Agreement is executed and delivered pursuant to the Purchase Agreement. In the event of an irreconcilable conflict between the terms and provisions of this Agreement and any term or provision of the Purchase Agreement, the conflicting term or provision of the Purchase Agreement shall govern and control to the extent of such conflict. Nothing contained in this Agreement shall alter, extend, diminish or amplify any

of the representations, warranties, covenants or obligations of any Party contained in the Purchase Agreement or the survival thereof.

4. **Amendments.** This Agreement may not be amended or modified except by an instrument in writing signed by Assignor and Assignee.

5. **Further Assurances.** From and after the date hereof but subject to the terms and conditions hereof, Assignor and Assignee shall do all such acts and execute all such further documents and instruments as may be reasonably required to memorialize and make effective the transactions contemplated hereby.

6. **Governing Law.** All matters relating to the interpretation, construction, validity and enforcement of this Agreement shall be governed by and construed in accordance with the domestic laws of the State of Delaware without giving effect to any choice or conflict of law provision or rule (whether of the State of Delaware or any other jurisdiction) that would cause the application of laws of any jurisdiction other than the State of Delaware.

7. **Counterparts.** This Agreement may be executed in two (2) original, facsimile or electronic counterparts, each of which will be deemed an original, both of which when taken together will constitute one and the same instrument.

**[Signature Pages Follow]**

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed as of the date first set forth above.
