TRADEMARK ASSIGNMENT AGREEMENT

This Trademark Assignment Agreement (this "Agreement"), dated as of May 16, 2016, is by **E.R. SQUIBB & SONS L.L.C.**, a Delaware limited liability company ("Assignor"), in favor of **RECKITT BENCKISER MEXICO, S.A. DE C.V.**, a Mexican corporation ("Assignee"). Assignor and Assignee may be referred to herein individually, as a "Party" and together, as the "Parties".

RECITALS:

WHEREAS, Bristol-Myers Squibb Company ("BMS"), the parent of Assignor, and Reckitt Benckiser Group plc ("Reckitt"), the parent of Assignee, have entered into that certain Master Transaction Agreement, dated as of February 10, 2013 (the "Master Transaction Agreement"); and

WHEREAS, pursuant to the Master Transaction Agreement, BMS agreed to sell and assign to Reckitt, and Reckitt agreed to purchase and acquire from BMS, the registrations and applications for registration of the trademarks set forth on Schedule A attached hereto (collectively, the "Assigned Trademarks").

NOW, THEREFORE, in consideration of the premises and the mutual covenants contained herein and in the Master Transaction Agreement and for other good and valuable consideration, the receipt, sufficiency and adequacy of which are hereby acknowledged, Assignor hereto covenants and agrees as follows (all capitalized terms used in this Agreement and not defined herein shall have the same meanings ascribed to them in the Master Transaction Agreement):

1. Assignment of Assigned Trademarks. In consideration of the U.S.\$ [REDACTED] paid by Assignee as of or prior to the execution of this Agreement, Assignor does hereby unconditionally assign unto Assignee all of its right, title, and interest in and to the Assigned Trademarks in the applicable jurisdictions indicated on Schedule A. Assignor and Assignee hereby consent to and request recordation of this Agreement and further authorize and request that all official documents and communications relating to the Assigned Trademarks issue and deliver to Assignee, its attorneys, agents, successors or assigns.

2. Governing Law. THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE INTERNAL LAWS OF THE STATE OF NEW YORK APPLICABLE TO AGREEMENTS MADE AND TO BE PERFORMED ENTIRELY WITHIN SUCH STATE, WITHOUT REGARD TO THE CONFLICT OR CHOICE OF LAWS PRINCIPLES OF SUCH STATE OTHER THAN SECTIONS 5-1401 AND 5-1402 OF THE NEW YORK GENERAL OBLIGATIONS LAW.

3. Severability. If any term or other provision of this Agreement is determined to be invalid, illegal or incapable of being enforced by any rule of Law or public policy, all other terms and provisions of the Agreement shall remain in full force and effect. Upon such determination, the Parties shall negotiate in good faith to modify this Agreement so as to give effect to the original intent of the Parties to the fullest extent permitted by applicable Law.

4. Terms of the Master Transaction Agreement. Assignor acknowledges and agrees that the representations, warranties, covenants, agreements and indemnities contained in the Master Transaction Agreement shall not be superseded hereby but shall remain in full force and effect to the fullest extent provided therein. In the event of any conflict or inconsistency between the terms of the Master Transaction Agreement and the terms hereof, the terms of the Master Transaction Agreement shall govern.

5. Transfer Taxes.

(a) Assignee and Assignor, as applicable, shall pay the amount of any transfer, documentary, sales, use, stamp, VAT (including ICMS), CIDE, PIS, COFINS, IOF, Import Tax, IPI, gross value, registration and other similar Taxes, applicable to any payment made under this Agreement (such Taxes collectively, "Transfer Taxes"), that are imposed on such party pursuant to applicable Law.

(b) Assignee shall pay any ISS applicable to any payment made under this Agreement. If Assignee in good faith determines that any amount of ISS is due and must be withheld from any payment made by Assignee under this Agreement, Assignee may make such withholding, but the sum payable by Assignee to Assignor shall be increased as necessary so that after making all required withholdings for ISS (including any ISS applicable to additional sums payable under this Section 5(b)) Assignor receives an amount equal to the sum it would have received had no such withholdings been made.

(c) Each of Assignee and Assignor shall file all necessary Tax Returns and other documentation required to be filed by it or its Affiliates under applicable Law with respect to all Transfer Taxes described in Section 5(a) and ISS described in Section 5(b), and, if required by applicable Law, the other Party will, and will cause its Affiliates to, join in the execution of any such Tax Returns and other documentation.

(d) Assignee and Assignor shall cooperate in providing each other with any appropriate resale exemption certifications and other similar documentation required to obtain any exemption from (or reduction in) Transfer Taxes, and shall cooperate in taking any commercially reasonable steps to minimize the Parties' liability for Transfer Taxes.

6. Withholding.

(a) Notwithstanding anything to the contrary herein but subject to the following sentence, in the event any Party obligated to make payments pursuant to this Agreement in good faith determines that some or all of such payments are subject to withholding Taxes, levies, duties or other Taxes under the Laws of any jurisdiction, the Party making such payment shall inform the payee of such determination at least ten (10) Business Days prior to making any such withholding; the Party making such payment shall deduct and withhold the amount of such Taxes required under applicable Laws to be deducted and withheld for the account of the payee and such amounts payable to the payee shall be reduced by the amount of Taxes deducted and withheld; and any such Taxes required under applicable Laws to be paid or withheld shall be an expense of, and

borne solely by, the payee and shall be deemed paid to the payee for purposes hereunder. This Section 6(a) shall not apply to any Tax described in Section 5(b), and any such Tax shall be treated solely as described in such provision.

(b) To the extent that the Party making a payment withholds an amount of Tax in accordance with Section 6(a), the Party making such payment shall pay the amounts of such Taxes to the proper Governmental or Regulatory Authority in a timely manner and promptly transmit to the payee an official Tax certificate or other evidence of such withholding sufficient to enable the payee to claim such payments of Taxes.

(c) The Parties shall use their reasonable best efforts to minimize any such withholding Taxes. Such efforts shall include the provision of any Tax forms to the Party making such payment that may be reasonably necessary in order for such Party not to withhold Tax or to withhold Tax at a reduced rate under an applicable bilateral income tax treaty. The payee shall use reasonable efforts to provide any such Tax forms to the Party making the payment at least thirty (30) days prior to the due date for any payments for which the payee desires that the Party making the payment apply a reduced withholding rate. Each Party shall use its reasonable best efforts to give assistance to enable the recovery, as permitted by applicable Law, of withholding Taxes or similar obligations resulting from payments made under this Agreement, such recovery to be for the benefit of the Party bearing such withholding Tax.

7. Counterparts. This Agreement shall become binding when any one or more counterparts hereof, individually or taken together, shall bear the signatures of each of the Parties. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original as against the Party whose signature appears thereon, but all of which taken together shall constitute but one and the same instrument. This Agreement may be executed by facsimile or electronic copy in any image format (including PDF, TIFF, JPEG, and BMP files).
