ASSIGNMENT OF INTELLECTUAL PROPERTY

This ASSIGNMENT OF INTELLECTUAL PROPERTY (this "Assignment") is made as of July 6, 2016 by North Jersey Media Group Inc., a New Jersey corporation (the "Assignor"), in favor of Gannett Satellite Information Network, LLC, a Delaware limited liability company (the "Assignee").

RECITALS

A. The Assignor and the Assignee have entered into that certain Asset Purchase Agreement, dated as of July 6, 2016 (the "Purchase Agreement"), pursuant to which the Assignor is to assign to the Assignee the Business Intellectual Property set forth on Exhibit A attached hereto and incorporated herein by this reference. Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to such terms in the Purchase Agreement.

B. The Assignor desires to assign all of its right, title, and interest in and to the Business Intellectual Property to the Assignee, its successors, or assigns.

AGREEMENT

In consideration of the foregoing and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

1. The Assignor hereby irrevocably sells, transfers, conveys, and assigns to the Assignee, its successors, assigns, and legal representatives, all of the Assignor's right, title and interest in the Business Intellectual Property. Additionally, the Assignor hereby conveys to the Assignee all claims, demands, and causes of action and all associated rights and remedies which relate to any use, infringement or misappropriation of any Business Intellectual Property, including, without limitation, rights to all past damages and profits by reason of infringement that have occurred prior to the effective date of this Assignment, and to sue for and collect the same by the Assignee for the use and benefit of the Assignee and its successors, assigns, and legal representatives; provided, that Assignor does not convey any claims or counterclaims in the name of the Assignor filed as of the Closing Date, or any counterclaims in the name of the Assignor with respect to claims against the Assignor filed as of the Closing Date.

2. The Assignor hereby appoints the Assignee as its attorney-in-fact to act in the Assignor's name, place, and stead to execute, deliver, and record any document or instrument of assignment in any country in which any registration, application, or process of any type or nature relating to any Business Intellectual Property is pending or issued, granting or confirming the rights granted herein. Such appointment is coupled with interest in the Business Intellectual Property and shall be irrevocable.

3. The Assignor shall execute all documents and use commercially reasonable efforts to provide any assistance as reasonably requested by the Assignee to evidence, perfect or effectuate the Assignee's title to the Business Intellectual Property.

4. The Assignee accepts the assignment of the Business Intellectual Property.

5. Nothing in this Assignment shall change, amend, extend or alter (nor shall it be deemed or construed as changing, amending, extending or altering) the terms or conditions of the Purchase Agreement or any liability or obligation of the Assignor or the Assignee arising under the Purchase Agreement. In the event of any conflict between the Purchase Agreement and this Assignment, the provisions of the Purchase Agreement shall control.

6. This Assignment will be binding upon, inure to the benefit of, and be enforceable by, the parties and their respective successors and assigns.

7. This Assignment and all disputes or controversies arising out of or relating to this Assignment or the transactions contemplated hereby shall be governed by, and construed in accordance with, the internal laws of the State of Delaware, without regard to the laws of any other jurisdiction that might be applied because of the conflicts of laws principles of the State of Delaware.

8. This Assignment may be executed in one or more counterparts, each of which shall be deemed to be an original but all of which together shall constitute one and the same instrument and shall become effective when one or more counterparts have been signed by each of the parties and delivered to the other party. A facsimile, PDF or other electronic signature of this Assignment shall be valid and have the same force and effect as a manually signed original.

The remainder of this page has been intentionally left blank.

IN WITNESS WHEREOF, the parties have executed this Assignment as of the date first written above.
