**TRADEMARK SECURITY AGREEMENT**

TRADEMARK SECURITY AGREEMENT, dated as of July 21, 2016 (as amended, supplemented or otherwise modified from time to time, this “*Agreement*”), between QUESTEX, LLC, a Delaware limited liability company (the “*Grantor*”), and U.S. BANK NATIONAL ASSOCIATION, as Administrative Agent (in such capacity, the “*Administrative Agent*”).

Reference is made to (a) the Credit Agreement, dated as of September 17, 2014, as amended by the First Amendment and Consent, dated as of June 30, 2016 (as so amended and as hereafter amended, supplemented or otherwise modified from time to time, the “*Credit Agreement*”), among the Grantor, QUESTEX INTERMEDIATE HOLDINGS, LLC, a Delaware limited liability (“*Holdings*”), the Lenders party thereto, City National Bank, as Syndication Agent, and U.S. Bank National Association, as Swingline Lender, LC Issuer, and Administrative Agent and (b) the Guarantee and Security Agreement, dated as of September 17, 2014 (as amended, supplemented or otherwise modified from time to time, the “*Security Agreement*”), among the Borrower, Holdings, the other Guarantors party thereto and the Administrative Agent.

The Lenders have agreed to extend credit to the Grantor subject to the terms and conditions set forth in the Credit Agreement, and the Grantor secured its obligations pursuant to the Security Agreement. The obligations of the Lenders to extend such credit are conditioned upon, among other things, the execution and delivery of this Agreement.

Accordingly, the parties hereto agree as follows:

1. Terms. Capitalized terms used in this Agreement and not otherwise defined herein have the meanings specified in the Security Agreement or the Credit Agreement.

2. Grant of Security Interest. As security for the payment or performance, as applicable, in full when due of the Secured Obligations, each Grantor, pursuant to the Security Agreement, did and hereby does grant to the Administrative Agent (and its successors and permitted assigns), for the ratable benefit of the Secured Parties, a security interest in such Grantor’s right, title and interest in or to any and all of the following assets and properties now owned or at any time hereafter acquired by such Grantor or in which such Grantor now has or at any time in the future may acquire any right, title or interest (excluding the Excluded Assets) (collectively, the “*Trademark Collateral*”):

(a) all trademarks, service marks, trade names, corporate names, company names, business names, fictitious business names, trade styles, trade dress, logos, other source or business identifiers, prints and labels on which any of the foregoing have appeared or appear, uniform resource locations (URLs), domain names, designs and general intangibles of like nature, now existing or hereafter adopted or acquired and all registrations and recordings thereof and all registration and recording applications filed in connection therewith, including registrations and registration applications in the United States Patent and Trademark Office, in each case described on Schedule I and all reissues, renewals, continuations and extensions thereof and amendments thereto (collectively, the “*Trademarks*”);

(b) all rights and privileges arising under applicable law with respect to the use of such Trademarks;

(c) all income, fees, royalties, damages, claims and payments now or hereafter due and/or payable with respect thereto, including damages and payments for past, present or future infringements thereof; and

(d) all goodwill associated therewith or symbolized by any of the foregoing.

3. Security Agreement. The security interests granted to the Administrative Agent herein are granted in furtherance, and not in limitation of, the security interests granted to the Administrative Agent pursuant to the Security Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of the Administrative Agent with respect to the Trademark Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Security Agreement, the terms of the Security Agreement shall govern.

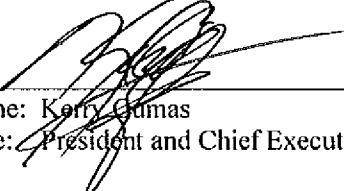

4. Counterparts. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original but all of which when taken together shall constitute a single contract. Delivery of an executed signature page to this Agreement by facsimile transmission or other electronic method of transmission shall be as effective as delivery of a manually signed counterpart of this Agreement.

5. Governing Law. This Agreement shall be construed in accordance with and governed by the laws of the State of New York.

[Signature Page Follows]

IN WITNESS WHEREOF, the parties hereto have duly executed this Trademark Security Agreement as of the day and year first above written.
