**WHEREAS**, Assignor and Assignee have entered into an Asset Purchase Agreement, dated as of July 6, 2016 (the "Purchase Agreement"), pursuant to which Assignor has agreed to sell, transfer and assign and Assignee has agreed to purchase certain assets, properties, rights and interests of Assignor, all as more particularly described in the Purchase Agreement;

**WHEREAS**, Assignor is the sole and exclusive owner of the intellectual property identified and set forth on Schedule "A" hereto (collectively, the "Registered IP"); and

**WHEREAS**, pursuant to the Purchase Agreement the Registered IP is to be assigned to Assignee.

**NOW, THEREFORE**, for good and valuable consideration (including the premises and covenants set forth in the Purchase Agreement), the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

Assignor hereby sells, assigns, transfers and sets over to Assignee all of Assignor's right, title and interest in and to the Registered IP, together with the goodwill of the Veneerstone Business in connection with which the Registered IP used, and all registrations and applications therefor in the United States and for all foreign countries, including any renewals and extensions of the registrations that are or may be secured under the laws of the United States and all foreign countries, now or hereafter in effect, for Assignee's own use and enjoyment, and for the use and enjoyment of Assignee's successors, assigns or other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this assignment and sale had not been made, together with all income, royalties or payments due or payable as of the Effective Date or thereafter, including, without limitation, all claims for damages by reason of past, present or future infringement or other unauthorized use of the Registered IP, with the right to sue for and collect the same for Assignee's own use and enjoyment and for the use and enjoyment of its successors, assigns or other legal representatives.

Assignor authorizes and requests the Commissioner of Patents and Trademarks and any other similar government authority to record Assignee as the Assignee and owner of the Registered IP.

Assignor acknowledges that further documents, undertakings and agreements (collectively, "Documents") may be necessary or appropriate to fulfill the purpose and intent of this Assignment, including, without limitation, Documents under the laws and policies of certain countries to fully effectuate the transfer of title on the public record pursuant to this Assignment and the recording thereof, and Assignor agrees to provide, execute and deliver all such Documents as reasonably requested by Assignee in carrying out the purpose and intent of this Assignment.

This Assignment may be executed in counterparts, each of which shall be deemed to be an original, and all of which together shall constitute one and the same instrument.
