SECURITY AGREEMENT

THIS SECURITY AGREEMENT (this “**Security Agreement**”) is made and entered into this 5th day of August, 2016, by and between **FITSCRIPT LLC**, a Connecticut limited liability company, having its principal place of business at 5 Science Park, New Haven, Connecticut 06511 (the “**Borrower**”), in favor of **CONNECTICUT INNOVATIONS, INCORPORATED**, having an office at 865 Brook Street, Rocky Hill, CT 06067 (the “**Lender**”).

1. **DEFINITIONS.** Unless otherwise expressly provided in this Security Agreement, all capitalized terms in this Security Agreement shall have the meanings given to them in the Loan Agreement (as defined below), and unless otherwise provided in this Security Agreement or the Loan Agreement, all capitalized terms in this Security Agreement shall have the same meanings as given to them in the Uniform Commercial Code of the State of Connecticut, as amended from time to time.

a. “**Collateral**” means all assets and property excepting real property but including, without limitation, all goods, tangible property, machinery, equipment, furniture, fixtures, vehicles, parts, leasehold improvements, accounts, inventory, chattel paper, (including both tangible and intangible chattel paper), documents, deposit accounts (exclusive of client fund accounts), choses in action, payment intangibles, general intangibles, letter-of-credit rights, goodwill, and intellectual property (including among others operating systems, patents, copyrights, trademarks, trade names, licenses, trade secrets, know-how, franchises, and proprietary and other rights in data, engineering, technical plans, drawings, information, methods, systems, processes, inventions, formulas, applications, software, programs, manuals, and technology, and all other technology and proprietary rights of the Borrower and all applications to acquire such rights, and in all rights and interests in any of them unless the same are licensed or leased pursuant to an agreement that prohibits the granting of a security interest in or similar assignment of the same; and any intellectual property listed on **Schedule B** hereto), of any kind or nature in which the Borrower has an interest now or in the future, and which are now existing or hereafter created or acquired, together with all additions, replacements, accessions, products, and proceeds in any form thereof.

b. “**Loan Agreement**” means the Loan Agreement between the Lender and the Borrower of even date herewith, as the same may be modified, extended, or replaced from time to time, pursuant to which the Lender is making a new loan to the Borrower in the principal amount of \$250,000 and rolling over an existing loan in the original principal amount of \$179,048.68 (as amended and in effect).

2. **SECURITY INTEREST.** The Borrower hereby grants to the Lender a security interest in the Collateral to secure the payment and performance of the Loan Agreement, the New Note in the original principal amount of \$441,153.03 from the Borrower to the Lender, and all obligations of the Borrower under the Loan Documents (collectively, the “**Obligations**”). This security interest is specifically intended to be a continuing interest and shall cover Collateral in which the Borrower acquires an interest after the date of this Security Agreement as well as Collateral in which the Borrower now has an interest. The Lender shall have the right to apply

the Collateral and any proceeds therefrom to all or any part of the Obligations as and in the order the Lender may elect, whether such Obligations are otherwise secured and whether due or not.

3. **LOCATIONS OF THE BORROWER AND COLLATERAL.** The principal office of the Borrower is at the address shown in the preamble to this Security Agreement. All locations at which the Collateral will be kept or at which the Borrower does business are indicated on **Schedule A** attached to and made a part of this Security Agreement. The Borrower will notify the Lender prior to any new or changed locations at which any of the Collateral is kept or where the Borrower does business, and of any change in the name or organizational structure of the Borrower or its jurisdiction of organization. The Borrower's exact legal name and jurisdiction of organization are as stated in the preamble to this Security Agreement.

Unless the Lender also holds a first mortgage against such real estate, the Collateral will remain personalty and will not be affixed to such real estate without the prior consent of the Lender. If any of the Collateral is or will be a fixture, the Borrower will provide legal descriptions and the names of record owners of the premises to which the Collateral will be affixed sufficient for perfection of the security interests of the Lender in such Collateral constituting fixtures.

Borrower represents and warrants that all of its patents, trademarks, copyrights and domain names are listed on **Schedule B** hereto. The Borrower hereby authorizes the Lender to take appropriate steps to transfer effective ownership and control of such domain names, trademarks, patents and copyrights, with the respective registry or office upon the occurrence and during the continuance of an Event of Default (as defined in the Note). THE LENDER DOES NOT ASSUME ANY LIABILITY ARISING IN ANY WAY BY REASON OF HOLDING SUCH COLLATERAL. If, before the Obligations shall have been finally paid and satisfied in full, the Borrower shall obtain any right, title or interest in or to any other or new domain names, trademarks, copyrights or patents that constitute Collateral, or become entitled to the benefit of any such domain names, trademarks, copyrights or patents or any variation or improvement on any of such Collateral, the provisions of this Security Agreement shall automatically apply thereto and the Borrower shall promptly give to the Lender notice thereof in writing and execute and deliver to the Lender such documents or instruments as the Lender may reasonably request further to implement, preserve or evidence the interests of the Lender therein. The Borrower authorizes the Lender to modify **Schedule B**, without the necessity of the Borrower's further approval or signature, to include any future or other domain names, trademarks, copyrights or patents. Lender may at any time and from time to time, at Borrower's expense, file, or have Lender's representatives or agents file, a copy of this Security Agreement with the United States Patent & Trademark Office, the U.S. Copyright Office or any other filing authority.

4. **PRIORITY OF LIEN.** Except for the security interest granted hereby and as otherwise disclosed under or permitted by the Loan Agreement, the Borrower is the owner of the Collateral free from all liens, encumbrances, and security interests. The Borrower will not sell the Collateral without the prior written consent of the Lender except for sales of inventory and collection of notes and accounts in the ordinary course of business and sale of obsolete equipment in the ordinary course of business. The Borrower will defend the Collateral against

the claims and demands of all persons (except for those persons who have a claim or lien disclosed in or permitted by the Loan Agreement, and those who acquire a future claim or lien junior to the Lender), and will cause the immediate removal and termination of any levy, execution, judgment or other lien, or similar claim of third persons to the Collateral (except those persons who have a claim or lien disclosed in or permitted by the Loan Agreement, and those who acquire a future claim or lien junior to the Lender).

5. **PERFECTION OF SECURITY INTEREST.** The Borrower will execute and deliver to the Lender such financing statements, security agreements, assignments (including, without limitation, assignments of specific accounts and chattel paper), and other papers, as the Lender may at any time or from time to time reasonably request that are required to perfect or protect the security interest granted hereby. The Borrower further authorizes the Lender to file financing statements with an "all assets" or similar Collateral description which may be broader than the Collateral description contained herein. The Borrower also authorizes the Lender to file any amendment statement or continuation statement that the Lender deems necessary or required to perfect or protect its security interest in the Collateral. If the Collateral is a motor vehicle required to be titled under applicable law, the Borrower warrants that the Lender's security interest will be recorded on the title certificates covering the Collateral and will deliver such certificates or other evidence of ownership to the Lender, as the Lender requests. The Borrower agrees to deliver to the Lender possession of any Collateral consisting of chattel paper or instruments upon the termination of all liens having priority over the liens created hereby, and agrees that if any such Collateral is at any time in the hands of the Borrower, the Borrower will mark all such Collateral with a legend showing the Lender's security interest therein. The Borrower will cooperate with the Lender in obtaining such control agreements, in form and substance satisfactory to the Lender, as the Lender or its counsel deems necessary or advisable to perfect or protect the security interests granted hereby. If any Collateral is at any time in the possession of a bailee or other third party, the Borrower will cooperate with the Lender in obtaining an acknowledgement from such bailee or third party that it holds the Collateral for the benefit of the Lender.

The Borrower hereby appoints Lender as its attorney-in-fact to execute and deliver notices of lien, financing statements, assignments, control agreements, and any other documents, notices, and agreements necessary for the perfection of Lender's security interests in the Collateral. The Borrower agrees to pay the costs of filing or perfection of the Lender's security interests, searches of the public records, and releases or assignments of the Lender's interests.

6. **MAINTENANCE.** The Borrower will keep the Collateral in good order and repair except for normal wear and tear in the ordinary course of business. The Borrower will not use the Collateral in violation of law or any policy of insurance thereon or any manufacturer's or supplier's warranty. The Borrower may sell its inventory, use and consume raw materials and supplies, and collect its notes and accounts, but only in the ordinary course of its business. The Lender or its nominees may inspect the Collateral and the Borrower's records regarding the same at any reasonable time upon reasonable prior notice, wherever located, and may make extracts therefrom and copies thereof.

7. **INSURANCE.** The Borrower shall maintain insurance, with financially sound and reputable insurance companies, as may be required by law and such other insurance in such amounts and against such risks as are customarily maintained by companies engaged in the same or similar businesses operating in the same or similar locations, including, without limitation, business interruption and product liability insurance. Without limiting the foregoing, the Borrower will maintain or cause to be maintained replacement value casualty insurance on the Collateral under such policies of insurance, in each case with such insurance companies, in such amounts, with such deductibles, and covering such terms and risks as are at all times satisfactory to the Lender in its commercially reasonable judgment. All general liability and other liability policies with respect to the Borrower shall name the Lender as an additional insured and shall provide for losses covered thereby to be payable to the Lender and the Borrower as their respective interests may appear, and all business interruption and casualty insurance policy shall contain a loss payable clause or endorsement, satisfactory in form and substance to the Lender that names the Lender as the mortgagee and lender's loss payee thereunder. All policies of insurance shall provide for at least 30 days' prior written notice to the Lender of any modifications or cancellation of such policy. The Borrower will deliver certificates evidencing required insurance to the Lender upon its request and in any event at least annually.

The Borrower hereby assigns to the Lender any and all monies which may become due and payable under any policy insuring the Collateral, directs any such insurance company to make payments directly to the Lender, and authorizes the Lender to apply such monies in payment on account of the Obligations, whether or not due, and to remit any surplus to the Borrower. The Borrower hereby irrevocably appoints the Lender as its attorney-in-fact, with full power of substitution, to (i) make and adjust claims, (ii) receive all proceeds and payments including the return of unearned premiums, (iii) execute proofs of claim, (iv) endorse drafts and other instruments for the payment of money, (v) execute releases, (vi) negotiate settlements, and (vii) do all other things necessary and required to effect a settlement under or to realize the benefits of any insurance policy.

Notwithstanding the foregoing, provided no Events of Default have occurred and are continuing beyond any applicable grace or cure period, business interruption insurance proceeds may be used by the Borrower for general working capital purposes, including, but not limited to, payment of debt service on the loan to the Lender.

8. **RECORDS.** So long as this Security Agreement remains in effect the Borrower will: (i) furnish the Lender at such intervals as the Lender may prescribe with a certificate (in such form as the Lender may from time to time specify) containing such information with respect to the Collateral as the Lender may reasonably require, including, without limitation, inventory listings and account agings; and (ii) keep accurate and complete records of the Collateral in accordance with generally accepted accounting principles consistently applied.

9. **DEFAULT.** The following events or conditions shall be an "Event of Default" under this Security Agreement: (a) any Event of Default under the Loan Agreement; or (b) loss, theft, material damage or destruction of a material portion of the Collateral which is not covered by insurance. These Events of Default are not intended to affect in any way any Obligations

payable on demand and shall not prejudice the Lender's rights to demand payment of any such Obligations at any time.

10. REMEDIES. Upon the occurrence of an Event of Default, the Lender may declare all of the Obligations to be immediately due and payable and the Lender shall have the rights and remedies of a secured party under the Uniform Commercial Code of the State of Connecticut, as amended from time to time, in any jurisdiction where enforcement of this Security Agreement is sought, in addition to all other rights and remedies at law or in equity. Among other remedies, the Lender may take immediate possession of the Collateral and for that purpose the Lender may, so far as the Borrower can give authority therefor, enter upon any premises on which the Collateral or any part thereof may be situated and secure or remove the same therefrom. Upon request of the Lender, the Borrower will assemble and make the Collateral available to the Lender, at a reasonable place and time designated by the Lender. The Borrower's failure to take possession of any Collateral at any time and place reasonably specified by the Lender in writing to the Borrower shall constitute an abandonment of such property. The Borrower agrees that ten (10) days' notice of the time and place of public sale of any of the Collateral or of the time after which any private sale thereof is to be made or of other disposition of the Collateral shall be deemed reasonable. The Borrower agrees that in any sale of the Collateral, the Lender may disclaim warranties of title, possession, quiet enjoyment, or the like, and such waiver shall not affect the commercial reasonableness of the sale.

In addition to its other rights after an Event of Default, the Lender may but shall not be obligated to notify any parties which are obligated to pay the Borrower any Collateral or proceeds thereof, to make all payments directly to the Lender. The Borrower authorizes such parties to make such payments directly to the Lender and to rely on notice from the Lender without further inquiry. The Lender may demand and take all necessary or desirable steps to collect such Collateral in either its or the Borrower's, name, with the right to enforce, compromise, settle, or discharge any of the foregoing. The Lender may endorse the Borrower's name on any checks, commercial paper, instruments, and the like pertaining to the foregoing.

The Lender shall not be responsible to the Borrower for loss or damage resulting from the Lender's failure to enforce or collect any Collateral or any monies due or to become due under any Obligations of the Borrower to the Lender. The Lender shall not have any obligation to take, and the Borrower shall have the sole responsibility for taking, any and all steps to preserve rights against any and all prior parties to any Collateral, whether or not in the Lender's possession.

After an Event of Default has occurred which is continuing, the Lender may but shall be under no obligation to: (a) notify all appropriate parties that the Collateral, or any part thereof, has been assigned to the Lender; (b) collect any or all accounts, chattel paper or general intangibles in its or the Borrower's name, and apply any such collections against such Obligations as the Lender may select; (c) take control of any cash or non-cash proceeds of any item of the Collateral; (d) compromise, extend or renew any account, chattel paper, general intangible, or document, or deal with the same as it may deem advisable; and (e) make exchanges, substitutions or surrender of items comprising the Collateral. Without limiting the foregoing, the Lender shall have all of the rights of a secured party under the Uniform Commercial Code in effect in Connecticut, as amended from time to time. The rights of the

Lender are cumulative, and the Lender may enforce its rights under this Security Agreement irrespective of any other collateral, guaranty, right, or remedy they may have. The exercise of all or a part of its rights or remedies hereunder shall not prevent the Lender from exercising at the same or any other time any other right or remedy with respect to the Obligations. The Borrower authorizes the Lender in its sole discretion to direct the order or manner of the disposition of the Collateral.

From the proceeds realized from the Collateral the Lender shall be entitled to retain all sums secured hereby as well as their reasonable expenses of collection including without limitation those of retaking, holding, safeguarding, accounting for, preparing for sale, selling, and reasonable attorneys' fees and legal expenses. If the proceeds realized from the Collateral are not sufficient to defray said expenses and to satisfy the balance due on the Obligations, the Borrower shall remain liable for such expenses and any deficiency with respect to the Obligations. Any payments or proceeds from realization on the Collateral may be applied to the Obligations in whatever order or manner the Lender elects.

11. NO WAIVER. The Borrower agrees that no representation, promise, or agreement made by the Lender or by any officer or employee of the Lender, at, prior, or subsequent to the execution and delivery of this Security Agreement shall modify, alter, limit, or otherwise abridge the rights and remedies of the Lender hereunder unless agreed by the Lender in writing. None of the rights and remedies of the Lender hereunder shall be modified, altered, limited, or otherwise abridged or waived by any representation, promise, or agreement hereafter made (unless agreed by the Lender in writing) or by any course of conduct hereafter pursued by the Lender. No delay or omission on the part of the Lender in exercising any right hereunder shall operate as a waiver of such right or of any other right under this Security Agreement, and waiver of any right shall not be deemed waiver of any other right unless expressly agreed by the Lender in writing.

12. PARTIES IN INTEREST. All of the terms and provisions of this Security Agreement shall inure to the benefit of, be binding upon and be enforceable by the respective heirs, executors, legal representatives, successors, and assigns of the parties hereto.

13. SEVERABILITY. Any partial invalidity of the provisions of this Security Agreement shall not invalidate the remaining portions hereof or thereof.

14. ADDITIONAL WAIVERS. The Borrower hereby expressly waives demand, presentment, protest, or notice of dishonor on any and all of the Obligations and with respect to the Collateral.

15. GOVERNING LAW. This Security Agreement, and the rights and obligations of the parties hereunder, shall be governed by, and construed and enforced in accordance with, the laws of the State of Connecticut without regard to any conflict of law principles that would require the application of laws of another state.
