INTELLECTUAL PROPERTY ASSIGNMENT AGREEMENT

This Intellectual Property Assignment Agreement (this “**Assignment Agreement**”) is made and entered into as of April 1, 2015 (the “**Effective Date**”) by and between EA Digital Illusions CE AB, a company organized under the laws of Sweden with its office located at Katarinavagen 15, Stockholm Sweden (“**Assignor**”) and Electronic Arts Inc., a company organized under the laws of the State of Delaware with its main office located at 209 Redwood Shores Parkway, Redwood City, California 94065, United States of America (“**Assignee**”). Assignor and Assignee are sometimes collectively referred to herein as the “**Parties.**”

RECITALS

WHEREAS, Assignor is the owner of all rights, title and interest in and to the Intellectual Property and Marks (as defined below);

WHEREAS, to further the Parties’ business purposes and for good and sufficient consideration, the receipt and sufficiency of which is hereby acknowledged, Assignee wishes to obtain by assignment, and Assignor wishes to assign to Assignee, all right, title and interest in the Intellectual Property and the Marks (defined herein).

Now, therefore, the Parties agree as follows:

1. Assignment of Intellectual Property and Marks. Assignor hereby transfers, assigns and conveys to Assignee all of Assignor’s right, title and interest, in and to the Intellectual Property and the Marks, including all goodwill associated with the use of the Intellectual Property and the Marks. “Intellectual Property” shall mean any or all of the following: (i) all inventions (whether patentable or not), invention disclosures, improvements, trade secrets, proprietary information, confidential information, know how, technology, processes, designs, and all documentation relating to any of the foregoing; (ii) copyrights, copyright registrations and applications for copyright registration, and content and works of authorship, including authors’ or moral rights, rights to make derivative works and neighboring rights and any related or equivalent rights where such rights are not deemed copyright under applicable law, (iii) all computer software, including all source code, object code, firmware, development tools, files, records and data, and all media on which any of the foregoing is recorded; and (iv) any other intellectual property or proprietary rights exclusive of the Marks. “Marks” shall mean any or all of the following: (i) all trademarks, trade names, trade dress, logos, common law trademarks and service marks, Internet domain names, corresponding trademark and service mark registrations and applications throughout the world; and (ii) any similar or equivalent rights to any of the foregoing anywhere in the world, owned or otherwise held by Assignor as of the Effective Date. For the sake of clarity, the Marks include but are not limited to the intellectual property set forth on Schedule A attached hereto.

2. Authorizations. Assignor hereby authorizes the appropriate empowered officials or issuing authorities in relevant jurisdictions, as applicable, to record the transfer of all Assignor’s entire right, title and interest in the Assigned Intellectual Property and Marks to Assignee as the owner, claimant, assignee or otherwise, as the case may be, and to issue to Assignee all trademark and copyright registrations referred to above which may issue with respect to the Assigned Intellectual Property and Marks, in accordance with this Assignment Agreement.

3. Further Documents. If at any time after the Effective Date, any further action is necessary or desirable to carry out the purposes of this Assignment Agreement, Assignor agrees to execute and deliver to Assignee such further instruments as may be reasonably required to carry out or effectuate the purposes and intent of this Assignment Agreement and to vest in Assignee full right, title and interest in and to the Assigned Intellectual Property and Marks.
4. Substitution and Subrogation. The assignment, transfer and conveyance contained herein is made with full powers of substitution and subrogation of Assignee in and to all covenants and warranties heretofore given or made by third parties to Assignor in respect of the Assigned Intellectual Property and Marks.
5. Binding Effect. This Assignment Agreement shall bind and inure to the benefit of the respective Parties and their successors, assigns, and transferees.
6. Governing Law. This Assignment Agreement shall be construed and enforced in accordance with the laws of the State of California without giving effect to the principles of choice of law or conflicts of law thereof.
7. Counterparts. This Assignment Agreement may be executed in two or more counterparts, each of which shall be deemed an original, but all of such counterparts together shall constitute one and the same instrument.
8. Headings. The subject headings of this Assignment Agreement are included for purposes of convenience only, and shall not affect the construction or interpretation of any provision of this Assignment Agreement.
9. Amendments. No modification or amendment to this Assignment Agreement shall be binding upon the parties unless in writing and executed by the duly authorized representative of each of the parties.

IN WITNESS WHEREOF, this Assignment Agreement has been executed by the Parties as of the Effective Date by their authorized representatives as set forth below:
