TRADEMARK SECURITY AGREEMENT

This TRADEMARK SECURITY AGREEMENT dated as of August 5, 2016 ("Agreement"), is delivered by VALENTUS SPECIALTY CHEMICALS, INC., a Delaware corporation ("Parent"), NATIONAL PAINT INDUSTRIES INC., a New Jersey corporation ("NPI" and together with Parent, the "Borrowers"), ABSOLUTE COATINGS, INC., a Delaware corporation (together with the Borrowers, the "Grantors") and to MANUFACTURERS AND TRADERS TRUST COMPANY (the "Administrative Agent"), as agent for itself and the other Secured Parties (as that term is defined in the Credit Agreement).

WITNESSETH:

WHEREAS pursuant to the terms of that certain Credit Agreement, dated as of December 23, 2015 (as it may be amended, restated, amended and restated, supplemented or otherwise modified from time to time, the "Credit Agreement"), by and among the Borrowers, the Lenders (as that term is defined in the Credit Agreement) and the Administrative Agent, the Lenders have agreed to extend credit to the Borrowers upon the terms and subject to the conditions set forth therein;

WHEREAS Grantors entered into that certain Security Agreement in order to induce the Lenders to enter into, and extend credit to the Borrowers under the Credit Agreement and to secure their obligations as set forth in the Credit Agreement, Grantors have granted to the Administrative Agent on behalf of the Lenders a security interest and continuing lien on its right, title and interest in, to and under certain Collateral (as that term is defined in the Security Agreement) as set forth in the Security Agreement; and

WHEREAS pursuant to the Credit Agreement, the Grantors are required to execute and deliver this Agreement.

NOW, THEREFORE, in consideration of the premises and the agreements, provisions and covenants herein contained, the Grantors agree as follows:

1. Defined Terms. Capitalized terms used herein without definition are used as defined in the Credit Agreement or Security Agreement, as applicable.

2. Grant of Security Interest in Collateral. The Grantors hereby grant to the Administrative Agent a security interest in all of its right, title and interest in, to and under following Collateral: the trademark registrations and trademark applications listed in Schedule A and all goodwill of the business connected therewith (the "Trademark Collateral"), whether now owned or hereafter acquired, including all renewals and extensions of any of the foregoing; and all income, royalties, proceeds and liabilities, at any time due or payable or asserted under and with respect to any of the foregoing, including, without limitation, all rights to sue and recover at law or in equity for any past, present and future, as applicable,

infringement, misappropriation, dilution, violation, or other impairment thereof, as collateral security for, the prompt and complete payment or performance in full when due, whether at stated maturity, by required prepayment, declaration, acceleration, demand or otherwise of all obligations set forth in the Security Agreement.

Notwithstanding the foregoing, in no event shall the Trademark Collateral include, and no security interest shall be granted or attach hereunder with respect to, any "intent-to-use" application for registration of a trademark or service mark filed in the United States Patent and Trademark Office on the basis of any Grantor's intent to use any such mark pursuant to U.S.C. § 1051 Section 1(b), unless and until such time as a "Statement of Use" is filed with and duly accepted by the United States Patent and Trademark Office, at which point the Collateral shall include, and the security interest granted hereunder shall attach to, such application.

3. Rights. The Grantors hereby acknowledge and affirm the rights and remedies of the Administrative Agent with respect to the grant of and security interest in, lien on and pledge to the Collateral made hereby. In the event of any conflict between the terms of this Agreement and the Security Agreement, the terms of the Security Agreement shall govern.

4. Termination. This Agreement shall terminate and the Lien on and security interest in the Collateral granted hereby shall be released upon the full payment and performance of the Secured Obligations (other than contingent indemnification obligations so long as no claim or demand for indemnification then exists or has been made) and termination of the Commitments. Upon the termination of this Agreement, the Administrative Agent shall execute all documents reasonably requested by the Grantors to evidence the release of the Lien on and security interests in the Collateral granted herein in a form sufficient to record such release.

5. Counterparts. This Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof that, when taken together, bear the signatures of each of the other parties hereto. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or in electronic (i.e., "pdf" or "tif") format shall be effective as delivery of a manually executed counterpart of this Agreement.

6. Governing Law. This Agreement and any claims, controversy, dispute or cause of action (whether in contract, tort or otherwise) based upon, arising out of or relating to this Agreement and the transactions contemplated hereby shall be governed by, and construed in accordance with, the laws of the State of New York.
