Trademark Assignment Agreement

This Trademark Assignment Agreement (the "Agreement") is made as of August 10, 2016 (the "Effective Date"), between Chem-Pro Manufacturing Co., Inc., (the "Assignor"), a corporation duly organized and existing under the laws of the State of New York and having its principal place of business at 2413 Chimney House Terrace, Midlothian, VA 23112, and Alan Kyriakides, (the "Assignee"), an individual residing at 2413 Chimney House Terrace, Midlothian, VA 23112 (collectively referred to as the "Parties").

WHEREAS Assignor is the registered owner of a mark that is registered in the United States Patent and Trademark Office, Registration No. 1111141, dated February 1, 1978 (the "Trademark"); and

WHEREAS Assignor wishes to assign its rights in the Trademark to Assignee.

NOW, THEREFORE, for valuable consideration, the receipt of which is acknowledged, the Parties agree as follows:

- 1) **ASSIGNMENT.** The Assignor does hereby sell, assign, transfer and set over to Assignee all of its right, title and interest in and to the Trademark in the United States and all jurisdictions outside of the United States including, without limitation, the ongoing and existing portion of Assignor's business associated with the Trademark, together with the goodwill of the business connected with and symbolized by the Trademark (including, without limitation, the right to sue and recover for any past or continuing infringements or contract breaches related to the Trademark, the right to renew any registrations included in the Trademark, and any priority right that may arise from the Trademark), the same to be held and enjoyed by Assignee as fully and entirely as said interest could have been held and enjoyed by Assignor had this agreement not been made.

The Assignor authorizes the United States Patent and Trademark Office and any other applicable jurisdictions outside the United States to record the transfer of the registrations of the Trademark to Assignee as recipient of Assignor's entire right, title and interest therein.

The Assignor further covenants that it will take all actions that may be necessary for securing, completing, or vesting in the Assignee full right, title, and interest in the mark and its related property.

- 2) **WARRANTY.** Assignor warrants that Assignor is the legal owner of all rights, title and interest in the Trademark, and that the Trademark has not been previously pledged assigned or encumbered.
- 3) **GOVERNING LAW.** This Assignment Agreement is governed by, and is to be construed in accordance with the laws of the State of Virginia.

- 4) ENTIRE AGREEMENT. This Assignment Agreement constitutes the sole agreement of the Parties and supersedes all oral negotiations and prior writings with respect to the subject matter hereof.
- 5) SEVERABILITY. If one or more provisions of this Assignment Agreement are held to be unenforceable under applicable law, the Parties agree to renegotiate such provision(s) in good faith. If the Parties cannot reach a mutually agreeable and enforceable replacement for such provision(s), then (i) such provision(s) shall be excluded from this Assignment Agreement, (ii) the balance of the Assignment Agreement will be interpreted as if such provision(s) were excluded and (iii) the balance of the Assignment Agreement shall be enforceable in accordance with its terms.

IN WITNESS whereof, the Parties hereto have caused this Assignment Agreement to be duly executed on their behalf by a duly authorized representative as of the date first set forth above.
