TRADEMARK ASSIGNMENT AGREEMENT

This Trademark Assignment Agreement (this "Trademark Assignment") is made and entered into this 1st day of July, 2015 (the "Effective Date") by and between ISP Investments Inc. ("Assignor"), on one hand, and Troy Technology II, Inc., a Delaware corporation ("Assignee"), on the other hand.

AGREEMENT

WHEREAS, Ashland Inc., Ashland Industries Europe GmbH and Troy Corporation ("Buyer") are parties to that certain Asset Purchase Agreement, dated as of May 15, 2015 (the "Purchase Agreement") pursuant to which Assignor has agreed to convey, transfer and assign to Buyer or its designated Affiliate, among other assets, the Assigned Trademarks.

NOW THEREFORE, in consideration of the mutual representations, warranties, covenants and agreements contained in the Purchase Agreement, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties agree as follows:

1. Definitions. Capitalized terms used herein and not otherwise defined herein shall have the meanings accorded to them in the Purchase Agreement.
2. Assignment. Assignor hereby conveys, transfers and assigns to Assignee, a designated Affiliate of Buyer, and Assignee hereby accepts, all of Assignor's right, title and interest in and to the trademarks set forth in Schedule I hereto (the "Assigned Trademarks"), including the trademark registrations and applications for registration thereof and the common law rights pertaining thereto, and any goodwill associated with such Assigned Trademarks, together with:
 - a. all rights of any kind whatsoever of Assignor accruing under the Assigned Trademarks provided by applicable law of any jurisdiction, by international treaties and conventions and otherwise throughout the world;
 - b. the right to make application for registration for the Assigned Trademarks anywhere in the world and to prosecute such applications, together with the right to claim and receive the benefit of any right of priority provided under any law or international convention, union, act or treaty without further written or oral authorization;
 - c. the right to hold and maintain all registrations issuing from such applications in Assignee's own name, for its own use and benefit, and for the use and benefit of its successors and assigns;
 - d. the right to bring or defend any proceeding in the United States Patent and Trademark Office (or any equivalent agency in any other country or jurisdiction) in connection with the Assigned Trademarks, including any proceeding for cancellation, opposition or any other proceeding;
 - e. any and all royalties, fees, income, payments and other proceeds due and payable on or after the date hereof with respect to the Assigned Trademarks; and

- f. any and all claims and causes of action with respect to the Assigned Trademarks accruing on or after the date hereof,

in each case as fully and entirely as the same would have been held by Assignor had this assignment not been made.

3. Recordation and Further Actions. Assignor hereby authorizes the Commissioner for Trademarks in the United States Patent and Trademark Office and the officials of corresponding entities or agencies in any applicable jurisdictions to record and register the title of Assignee, its successors, legal representatives and assigns, as owner of all right, title and interest in and to the Assigned Trademarks, together with all goodwill of the business associated with and symbolized by the trademark rights granted herein, together with all goodwill of the business associated with and symbolized by the Assigned Trademarks, and to issue the Certificate of Registration resulting from any application for registration of the trademark rights or renewal of any existing registration of the trademark rights to Assignee, its successors, legal representatives and assigns, and to record and register this Trademark Assignment, in accordance with the terms of this instrument upon request by Assignee. Following the date hereof and pursuant to the terms of the Purchase Agreement, Assignor shall take such reasonable steps and actions, and provide such reasonable cooperation and assistance to Assignee and its successors, assigns and legal representatives, including the execution and delivery of any affidavits, declarations, oaths, exhibits, assignments, powers of attorney, or other documents, as may be reasonably necessary to effect, evidence, perfect, protect, defend or enforce any of the trademark rights assigned to Assignee hereunder and to otherwise effectuate the purposes of this Trademark Assignment.
4. Purchase Agreement. Nothing in this Trademark Assignment, express or implied, is intended to or shall be construed to supersede, modify, replace, amend, rescind, waive, expand or limit in any way the rights of the parties under, and the terms of, the Purchase Agreement. To the extent that any provision of this Trademark Assignment conflicts or is inconsistent with the terms of the Purchase Agreement, the Purchase Agreement shall govern, including with respect to the enforcement of the rights and obligations of the parties to this Trademark Assignment.
5. Successors and Assigns. This Trademark Assignment shall inure to the benefit of, be binding upon and be enforceable by the parties hereto and their respective successors and permitted assigns.
6. Governing Law. This Trademark Assignment and any and all matters, disputes, or claims between the parties arising out of, relating to or in accordance with its subject matters or formation (including any contractual disputes or claims) shall be governed by, enforced and construed in accordance with the Laws of the State of Delaware, U.S.A., without application of its principles of conflict of laws

7. Interpretation and Construction. This Trademark Assignment shall be subject to the provisions set forth in Section 1.2 of the Purchase Agreement, except to the extent that any contrary or different terms are set forth herein.
8. Counterparts. This Trademark Assignment may be executed in any number of counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Delivery of an executed counterpart of a signature page of this Trademark Assignment by facsimile or other electronic imaging means shall be effective as delivery of a manually executed counterpart of this Trademark Assignment.
