- (c) all copyrights, including, without limitation, those referred to on Exhibit A hereto, and all extensions, reversions and renewals thereof (“**Copyrights**”);
- (d) all rights of any kind whatsoever of such Grantors accruing under any of the foregoing provided by applicable law of any jurisdiction, by international treaties and conventions and otherwise throughout the world;

(g) any and all royalties, fees, income, payments, liabilities and other proceeds now or hereafter due or payable with respect to any and all of the foregoing; and

(h) any and all claims and causes of action with respect to any of the foregoing, whether occurring before, on or after the date hereof, including all rights to and claims for damages, restitution and injunctive and other legal and equitable relief for past, present and future infringement, dilution, misappropriation, violation, misuse, breach or default, with the right but no obligation to sue for such legal and equitable relief and to collect, or otherwise recover, any such damages.
