The Assignee wishes to acquire the Assignor's rights in the trademarks listed in this agreement.

The Assignor agrees to assign this trademark as a part of the assets purchase transaction between the Assignee and the Assignor.

In exchange, the Assignor hereby conveys, transfers, and assigns to the Assignee all of the Assignor's right, title, and interest of whatever kind in these marks, together with

- 1) the goodwill of the business relating to the products and services on which the marks are used and for which they are registered;
- 2) all income, royalties, and damages hereafter due or payable to Assignor with respect to the marks, including without limitation, damages, and payments for past or future infringements and misappropriations of the marks; and

3) all rights to sue for past, present and future infringement or misappropriations of the marks.

The Assignor further covenants that it will take all actions that may be necessary for securing, completing, or vesting in the Assignee full right, title, and interest in the marks and their related property.

In witness whereof, the Assignor has duly executed under seal and delivered this Assignment, as of the day and year first above written.
