Notice of Grant of Security Interest in Trademarks

THIS NOTICE OF GRANT OF SECURITY INTEREST IN TRADEMARKS, dated as of August 19, 2016 (this "Agreement"), is made by EP Energy Global LLC (f/k/a EP Energy, L.L.C.), a Delaware limited liability company (the "Pledgor"), in favor of JPMorgan Chase Bank, N.A., as Collateral Agent (as defined below).

Reference is made to the Collateral Agreement, dated as of May 24, 2012 (as amended, restated, supplemented or otherwise modified from time to time, the "Collateral Agreement"), among EPE Holdings LLC, EP Energy LLC (f/k/a Everest Acquisition LLC) (the "Borrower"), each subsidiary of the Borrower identified therein and JPMorgan Chase Bank, N.A., as collateral agent (the "Collateral Agent") for the Secured Parties (as defined therein). The parties hereto agree as follows:

SECTION 1. *Terms.* Capitalized terms used in this Agreement and not otherwise defined herein have the meanings specified in the Collateral Agreement. The rules of construction specified in Section 1.01(b) of the Collateral Agreement also apply to this Agreement.

SECTION 2. *Grant of Security Interest.* As security for the payment or performance, as applicable, in full of the Obligations, the Pledgor pursuant to the Collateral Agreement did, and hereby does, grant and pledge to the Collateral Agent, its successors and permitted assigns, for the benefit of the Secured Parties, a security interest in all of such Pledgor's right, title and interest in, to and under any and all of the following assets now owned or at any time hereafter acquired by such Pledgor or in which such Pledgor now has or at any time in the future may acquire any right, title or interest (collectively, the "IP Collateral"):

all Trademarks, including those listed on Schedule I;

provided, however, that the foregoing pledge and grant of security interest will not cover any "intent-to-use" applications for trademark or service mark registrations filed pursuant to Section 1(b) of the Lanham Act, 15 U.S.C. §1051, unless and until an Amendment to Allege Use or a Statement of Use under Section 1(c) or 1(d) of the Lanham Act has been filed, to the extent, if any, that any grant or pledge of security interest in an "intent-to-use" application prior to such filing would violate the Lanham Act.

SECTION 3. *Collateral Agreement.* The security interests granted to the Collateral Agent herein are granted in furtherance, and not in limitation of, the security interests granted to the Collateral Agent pursuant to the Collateral Agreement. The Pledgor hereby acknowledges and affirms that the rights and remedies of the Collateral Agent with respect to the IP Collateral are more fully set forth in the Collateral Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Collateral Agreement, the terms of the Collateral Agreement shall govern.

SECTION 4. *Counterparts*. This Agreement may be executed in two or more counterparts, each of which shall constitute an original but all of which when taken together shall constitute but one contract. Delivery of an executed counterpart to this Agreement by facsimile or other electronic transmission shall be as effective as delivery of a manually signed original.

SECTION 5. *Governing Law*. THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES UNDER THIS AGREEMENT SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE STATE OF NEW YORK, WITHOUT REGARD TO ANY PRINCIPLE OF CONFLICTS OF LAW THAT COULD REQUIRE THE APPLICATION OF ANY OTHER LAW.

[Signature Pages Follow]

IN WITNESS WHEREOF, the parties hereto have duly executed this Agreement as of the day and year first above written.
