RELEASE OF SECURITY INTEREST IN TRADEMARKS

(Trademark, Trademark Registrations, Trademark Applications and Trademark Licenses)

THIS RELEASE OF INTELLECTUAL PROPERTY SECURITY INTEREST (this "Release") is made as of August 19, 2016 ("Effective Date") by U.S. Bank Trustees Limited, as Collateral Agent, (in such capacity, together with its successors and assigns in such capacity, ("Collateral Agent") in favor of Acision B.V. a *besloten vennootschap met beperkte aansprakelijkheid* incorporated in the Netherlands, having its statutory seat in Nieuwegein and registered with the Dutch trade register under number 34266530 (the "Grantor"). All terms not herein defined, have the meanings set forth in the Credit Agreement, the Security Agreement or the Intellectual Property Security Agreement referenced below (collectively, the "Agreements").

WHEREAS, Grantor, certain subsidiaries of the Grantor party thereto as Borrowers, certain lenders, Elavon Financial Services Limited, as administrative agent and U.S. Bank Trustees Limited, as Collateral Agent are, among others, parties to a Credit Agreement, dated as of December 15, 2014 (as amended, supplemented, restated or otherwise modified from time to time, the "Credit Agreement");

WHEREAS, pursuant to a Dutch law Security Agreement, dated as of December 15, 2014 among the Grantor, Fortissimo Holding B.V., Acision International B.V. and the Collateral Agent (the "Security Agreement"), the Grantor secured the Secured Obligations (as defined in the Security Agreement) by granting to the Collateral Agent as security trustee for the Secured Parties (as defined in the Security Agreement) a continuing security interest in personal property of the Grantor, including all right, title and interest of the Grantor in, to and under the Intellectual Property Collateral;

WHEREAS, pursuant to the Security Agreement the Grantor was required to execute and deliver an Intellectual Property Security Agreement, dated as of December 15, 2014 (the "Intellectual Property Security Agreement") in which the Grantor granted to the Collateral Agent for the benefit of the Secured Parties, to the extent provided in the Security Agreement, a security interest in all of its right, title and interest in, to and under all the trademarks, whether now owned or at any time hereafter acquired, of Grantor that are registered with, or for which applications for registration have been filed with the United States Patent and Trademark Office ("USPTO"), including the trademarks listed on the attached Schedule 1, and all registrations and pending applications associated therewith (excluding any application for registration of a trademark filed on an intent-to-use basis solely to the extent that the grant of a security interest in any such trademark application would materially adversely affect the validity or enforceability of the resulting trademark registration or result in the cancellation of such trademark application) (collectively, the "Intellectual Property Collateral");

WHEREAS, the Intellectual Property Security Agreement was recorded in the USPTO on December 19, 2014 at Reel/Frame 5422/0787; and

WHEREAS, the Collateral Agent, on behalf of itself and the Secured Parties, has been requested to release its security interest in the Intellectual Property Collateral and any and all rights granted to the Collateral Agent under the Agreements.

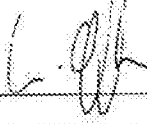

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Collateral Agent, on behalf of itself and the Secured Parties, hereby (without representation, warranty or recourse) terminates, releases and discharges any security interest in and lien upon the Intellectual Property Collateral, and assigns, transfers, and conveys to the Grantor any and all right, title or interest in, to, or under the Intellectual Property Collateral that the Collateral Agent may hold, including any goodwill of the business connected with the use of, or symbolized by such Intellectual Property Collateral.

Collateral Agent agrees, at the Grantor's expense, to take all further actions, and provide to the Grantor and its successors, assigns and legal representatives all such cooperation and assistance, including, without limitation, the execution and delivery of any and all further documents or other instruments, as the Grantor and its successors, assigns and legal representatives may reasonably request in order to confirm, effectuate or record this Release.

[Signature Page Follows]

IN WITNESS WHEREOF, the Collateral Agent has caused this Release to be executed, on behalf of itself and the Secured Parties, by its duly authorized representative effective as of the Effective Date.
