## GRANT OF SECURITY INTEREST IN TRADEMARKS

WHEREAS, GLOBAL GRANITE & MARBLE, LLC, a Missouri limited liability company (“**Grantor**”), owns the trademarks, trademark registrations, trademark applications, and any and all goodwill associated therewith, set forth on Schedule A attached hereto; and

WHEREAS, MB Financial Bank, N.A. (the “**Grantee**”), desires to acquire a security interest in, and lien on, all of Grantor’s right, title and interest in and to Grantor’s trademarks, trademark registrations, trademark applications and any and all goodwill associated therewith; and

WHEREAS, the Grantor is willing to grant to the Grantee a security interest in and lien upon the trademarks, trademark registrations, trademark applications and any and all goodwill associated therewith described above.

NOW, THEREFORE, for good and valuable consideration, the sufficiency and receipt of which are hereby acknowledged, and subject to the terms and conditions of the Credit and Security Agreement, dated as of August 1, 2016, between the Grantor and the Grantee (as amended from time to time, the “**Credit Agreement**”), the Grantor hereby grants to the Grantee a security interest in, and a lien upon, all of Grantor’s right, title and interest in and to (i) the trademarks, trademark registrations, trademark applications, and any and all goodwill associated therewith (the “**Marks**”) set forth on Schedule A attached hereto, together with (ii) all Proceeds (as such term is defined in the Credit Agreement) of the Marks, (iii) all of the goodwill of the businesses with which the Marks are associated, and (iv) all causes of action, past, present and future, for infringement, misappropriation, or dilution of any of the Marks or unfair competition regarding the same.

This GRANT OF SECURITY INTEREST is made to secure the satisfactory performance and payment of all the Obligations (as such term is defined in the Credit Agreement) of the Grantor and shall be effective as of the date of the Credit Agreement. Upon request of the Grantor when all Obligations have been finally paid in full and all commitments of the Grantee have been terminated, the Grantee shall execute, acknowledge and deliver to the Grantor an instrument in writing releasing the security interest acquired under this Grant of Security Interest; provided, however, that if at any time any part of any payment theretofore applied by the Grantee to any such Obligation is or must be rescinded or returned by the Grantee for any reason whatsoever, such obligations shall, for the purposes of this Grant of Security Interest, to the extent that such payment is or must be rescinded or returned, be deemed to have continued in existence, notwithstanding such application by the Grantee, and this Grant of Security Interest and the security interest granted herein shall continue to be effective or be reinstated, as the case may be, as to such obligations, all as though such application by the Grantee had not been made and such release had not been executed.

This Grant of Security Interest has been granted in conjunction with the security interest granted to Grantee under the Credit Agreement. The rights and remedies of the Grantee with respect to the security interest granted herein are without prejudice to, and are in addition to

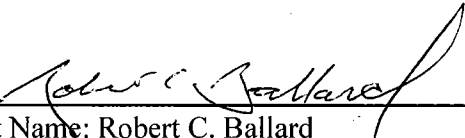

those set forth in the Credit Agreement, all terms and provisions of which are incorporated herein by reference. In the event that any provisions of this Grant of Security Interest are deemed to conflict with the Credit Agreement, the provisions of the Credit Agreement shall govern.
