INTELLECTUAL PROPERTY SECURITY AGREEMENT

This Intellectual Property Security Agreement (this "Agreement") is made as of this 19th day of August, 2016, by **CURADORA, LLC**, a Pennsylvania limited liability company ("Grantor"), in favor of PNC BANK, NATIONAL ASSOCIATION, in its capacity as agent for the Lenders defined below.

WHEREAS, pursuant to that certain Revolving Credit and Security Agreement dated as of August 31, 2015 (as amended, restated, supplemented or otherwise modified from time to time, including all exhibits and schedules thereto, the "Credit Agreement") among Grantor and certain of Grantor's affiliates (together with each Person joined thereto as a borrower from time to time, collectively the "Borrowers" and each a "Borrower"), each Person which is now or which hereafter becomes a party thereto as a guarantor from time to time (collectively, the "Guarantors", and each a "Guarantor" and together with the Borrowers, collectively, the "Loan Parties" and each a "Loan Party"), the lenders from time to time party thereto (the "Lenders"), and PNC Bank, National Association, as agent for Lenders ("Agent"), the Lenders agreed to make certain financial accommodations available to Borrowers from time to time pursuant to the terms and conditions thereof;

WHEREAS, pursuant to that certain Joinder, dated as of the date hereof (the "Joinder"), Grantor has been or will be joined to the Credit Agreement as a Loan Party thereunder; and

WHEREAS, pursuant to the Credit Agreement, Grantor is required to execute and deliver to Agent, for the benefit of the Lenders, this Agreement.

NOW, THEREFORE, in consideration of the premises and mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantor hereby agrees as follows:

1. DEFINED TERMS. All capitalized terms used but not otherwise defined herein have the meanings given to them in the Credit Agreement.

2. GRANT AND REAFFIRMATION OF SECURITY INTEREST. To secure the payment and performance of the Obligations under the Credit Agreement, Grantor hereby grants to Agent for its benefit and the benefit of the Lenders, and hereby reaffirms its prior grant pursuant to the Credit Agreement of, a continuing security interest in and Lien on all of Grantor's right, title and interest in, to and under the following, whether presently existing or hereafter created or acquired (collectively, the "IP Collateral"), with power of sale to the extent permitted by law:

(a) all of Grantor's copyrights and copyright applications (collectively, "Copyrights"), including without limitation those referred to on Schedule 1 hereto;

(b) all of Grantor's patents and patent applications (collectively, "Patents"), including without limitation those referred to on Schedule 1 hereto;

(c) all of Grantor's trademarks, trademark applications, service marks, trade names, mask works (collectively, "Trademarks"), and all of the goodwill of the business connected with the use of, and symbolized by, each Trademark, including without limitation those referred to on Schedule 1 hereto;

- (d) all reissues, continuations or extensions of the foregoing; and
- (e) all products and proceeds of the foregoing, including without limitation any claim by Grantor against third parties for past, present or future infringement or dilution of any Copyright, any Patent, or any Trademark.

Notwithstanding anything to the contrary herein, the IP Collateral shall not include, and no security interest or Lien shall be deemed granted in, any any United States intent-to-use trademark applications for which an amendment to allege use has not been submitted and accepted by the United States Patent and Trademark Office pursuant to 15 U.S.C. Section 1060(a) (or any successor provision), provided that, upon such acceptance, such intent-to-use trademark application shall automatically be considered IP Collateral.

3. SECURITY FOR OBLIGATIONS. This Agreement and the security interest created hereby secure the payment and performance of all the Obligations under the Credit Agreement, whether now existing or arising hereafter. Without limiting the generality of the foregoing, this Agreement secures the payment of all amounts which constitute part of the Obligations and would be owed by Grantor to Agent, the Lenders or any of them pursuant to the Credit Agreement.

4. CREDIT AGREEMENT. The security interests granted pursuant to this Agreement are granted in conjunction with the security interests granted to Agent, for the benefit of the Lenders, pursuant to the Credit Agreement. Grantor hereby acknowledges and affirms that the rights and remedies of Agent with respect to the security interest in the IP Collateral made and granted hereby are more fully set forth in the Credit Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

5. REPRESENTATIONS, WARRANTIES AND AGREEMENTS. Grantor hereby represents and warrants to, and agrees with Agent and Lenders as follows: (A) Schedule 1 hereto accurately lists all IP Collateral registered with the U.S. Patent and Trademark Office or U.S. Copyright Office, as the case may be, as of the date hereof and (B) other than the Liens granted to Agent hereunder and to Term Loan Agent pursuant to the Term Loan Documents, Grantor has not granted any Liens on any of its IP Collateral to any other Person.

6. AUTHORIZATION TO SUPPLEMENT. If Grantor shall obtain rights to any new IP Collateral, this Agreement shall automatically apply thereto. Grantor shall give prompt notice in writing to Agent with respect to any such new IP Collateral that is filed or recorded with the U.S. Patent and Trademark Office or U.S. Copyright Office, as the case may be. Without limiting Grantor's obligations under this Section 6, Grantor hereby authorizes Agent unilaterally to modify this Agreement by amending Schedule 1 to include any such new IP Collateral of Grantor identified in such written notice provided by Grantor. Notwithstanding the foregoing, no failure to so modify this Agreement or amend Schedule 1 shall in any way affect, invalidate or detract from Agent's continuing security interest in all IP Collateral, whether or not listed on Schedule 1.

7. GOVERNING LAW. This Agreement and the transactions contemplated hereby, and all disputes between the parties under or relating to this Agreement or the facts or circumstances leading to its execution, whether in contract, tort or otherwise shall, in accordance with Section 5-1401 of the General Obligations Law of the State of New York, be construed in accordance with and governed by the laws (including statutes of limitation) of the State of New

York, without regard to conflicts of law principles that would require the application of the laws of another jurisdiction.

8. COUNTERPARTS. This Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original, but all such separate counterparts shall together constitute but one and the same instrument. Any signatures delivered by a party by facsimile transmission or by e-mail transmission shall be deemed an original signature hereto.

9. CONSTRUCTION. Unless the context of this Agreement clearly requires otherwise, the term “or” has, except where otherwise indicated, the inclusive meaning represented by the phrase “and/or.” Section, subsection, clause, schedule, and exhibit references herein are to this Agreement unless otherwise specified. Any reference herein to any Person shall be construed to include such Person’s successors and assigns.

[signature page follows]

Each of the parties has signed this Agreement as of the day and year first above written.
