WHEREAS, Assignee has acquired certain of the assets of Assignor pursuant to the terms and conditions of the Asset Purchase Agreement, including the appurtenant goodwill of the Business symbolized by the Marks (and, with respect to any intent-to-use trademark applications included in the Marks, the Business to which such trademark application pertains, which Business is ongoing and existing), and is desirous of ensuring that it acquires the entire right, title and interest in and to the Marks.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby expressly acknowledged, the parties agree as follows:

1. Assignor does hereby sell, assign and transfer to Assignee, its successors and assigns, absolutely and forever as of the Effective Date, its entire right, title and interest, registered or unregistered, whether statutory or at common law, in and to the Marks, together with the goodwill of the Business symbolized by the Marks throughout the world, and all registrations and pending applications therefor, if any, in the United States of America, its territories and possessions, and any other country, together with all causes of action for any and all previously occurring infringements of the rights being assigned and the right to receive and retain the proceeds relating to those infringements.
2. As of the Effective Date, all right, title and interest in the Marks shall be held and enjoyed by Assignee, for its own use and benefit and for the use and benefit of its successors, assigns and other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment had not been made. Without limiting the foregoing, Assignor assigns with the Marks all associated income, royalties, damages and payments due from or payable by any third party (including, without limitation, damages and payments for past, present, or future infringements or misappropriations thereof) and any and all corresponding rights that, now or hereafter, may be secured throughout the world.
3. Assignor agrees to execute further papers and to do such other acts as may be reasonably necessary and proper to vest full title in and to the Marks in Assignee.

5. This Agreement may be executed in any number of counterparts, all such counterparts shall be deemed to constitute one and the same instrument, and each of the executed counterparts shall be deemed an original hereof.
