**TRADEMARK ASSIGNMENT**

This Trademark Assignment (this “**Assignment**”) is made and entered into as of September 24, 2013, by and between Solaray Holding Corp., an Oklahoma corporation (“**Assignor**”) and Solaray, LLC a Delaware limited liability company (“**Assignee**”).

WHEREAS, Assignor is the owner of those certain trademark registrations set forth in the attached Schedule A (the “**Marks**”)

WHEREAS, Assignor and Assignee are parties to a Contribution Agreement dated as of September 24, 2013, pursuant to which Assignor has agreed to contribute, convey, assign, transfer and deliver to Assignee, and Assignee has agreed to acquire and accept from Assignor, all of Assignor’s right, title and interest in and to the Marks.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor and Assignee each hereby agree as follows:

1. Assignment. Assignor hereby sells, assigns, transfers, conveys and delivers to Assignee and its successors and assigns, and Assignee hereby purchases and accepts from Assignor, all of Assignor’s right, title and interest in, to and under the Marks, including, without limitation, all goodwill associated therewith or symbolized thereby, all common law rights thereto, all registrations that have been or may be granted thereon, and all applications for registrations thereof, together with the right to sue and recover damages for future or past infringements thereof and to fully and entirely stand in the place of Assignor in all matters related thereto.

2. Further Assurances. Assignor agrees to execute and deliver such other documents and to take all such other actions as Assignee, its successors and assigns may reasonably request to effect the terms of this Assignment and to execute and deliver any and all affidavits, testimonies, declarations, oaths and other documentation as may be reasonably required to effect the terms of this Assignment.

3. Recordation. Assignor authorized and requests the Commission of Trademarks of the United States, and the corresponding entities or agencies in any country foreign to the United States, to record Assignee as the assignee and owner of record of the Marks issued in the United States or registered in any corresponding jurisdiction.

4. Miscellaneous. This Assignment, and all claims or causes of action (whether at law, in contract or in tort) that may be based upon, arise out of or relate to this Assignment or the negotiation, execution or performance hereof, will be governed by and construed in accordance with the laws of the State of Delaware without giving effect to conflicts of laws principles that would result in the application of the law of any other state. This Assignment may not be supplemented, altered or modified in any manner except by a writing signed by all parties hereto. The failure of any party to enforce any terms or provisions of this Assignment will not waive any of its rights under such terms or provisions. This Assignment will bind and inure to the benefit of the respective parties and their assigns, transferees and successors. This Assignment and any amendments hereto may be executed in one or more counterparts, each of which will be deemed an original but all of which together will constitute on and the same instrument.
